AN ACT relating to motor vehicles; requiring that certain records maintained by short-term lessors be made available to the Department of Taxation, the Department of Motor Vehicles and certain local government employees upon request; authorizing certain records maintained by short-term lessors, brokers and dealers of vehicles to be maintained electronically; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, short-term lessors of motor vehicles are required to
2 maintain a publicly accessible record of the identity of a short-term lessee and the
3 time that the vehicle is subject to the lease or in possession of the short-term lessee.
4 (NRS 482.315) **Section 1** of this bill requires that such records instead be made
5 available to the Department of Taxation, the Department of Motor Vehicles and
6 certain local government employees upon request. **Section 1** additionally authorizes
7 such a record to be maintained electronically and requires that such electronic
8 records be made available within 72 hours upon request, unless the Executive
9 Director of the Department of Taxation provides by regulation for a different
10 period.

11 Under existing law, a dealer of motor vehicles is required to keep the books and
12 records for all locations at which the dealer does business within a county at his or
13 her principal place of business in that county. A broker of motor vehicles is
14 required to keep the books and records at his or her principal place of business.
15 (NRS 482.3263) **Section 2** of this bill authorizes a broker or dealer to maintain such
16 books and records electronically. **Section 2** also eliminates the requirement that
17 such books and records be provided upon request at the location specified in the
18 request.
