Spiegel; Cohen and Fumo

Joint Sponsors: Senators Pickard And Woodhouse

CHAPTER.....

AN ACT relating to the City of Henderson; requiring, under certain circumstances, a member of the City Council of the City of Henderson to be elected only by the registered voters of the ward that he or she seeks to represent; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Under the existing Charter of the City of Henderson, the City is divided into four wards, but the candidates for the office of Council Member are voted on by the registered voters of the City at large. (Henderson City Charter §§ 1.040, 2.010, 5.010, 5.020) In addition, under the existing Charter of the City of Henderson, the City holds primary and general city elections in odd-numbered years, but the City may by ordinance provide for its elections to be held in even-numbered years on the statewide election cycle. (Henderson City Charter §§ 5.010, 5.020) Finally, under the Nevada Constitution, the Legislature may amend the existing Charter of the City of Henderson to require the City’s elections to be held in even-numbered years on the statewide election cycle. (Nev. Const. Art. 4, § 27, Art. 8, § 1) In sections 26, 29 and 30 of Assembly Bill No. 50 of this session, the Legislature proposes to amend the existing Charter of the City of Henderson to require the City’s elections to be held in even-numbered years on the statewide election cycle.

**Section 5** of this bill requires the City Council to place a question on the ballot at: (1) the general city election held in June 2021; or (2) if no general city election will be held in June 2021 because the City will be holding its elections in even-numbered years on the statewide election cycle, the general election held in November 2022. The ballot question will ask the registered voters of the City whether the Charter of the City should be amended to require that the candidates for members of the City Council of the City of Henderson be voted upon only by the registered voters of the ward that the candidate seeks to represent. If the voters of the City approve the ballot question: (1) the applicable sections of this bill become effective; and (2) candidates for the office of Council Member of the City must be voted upon at subsequent elections only by the registered voters of the ward that the candidate seeks to represent. If the voters of the City do not approve the ballot question: (1) the applicable sections of this bill do not become effective; and (2) candidates for the office of Council Member of the City will continue to be voted upon at subsequent elections by the registered voters of the City at large.
