Legislative Counsel's Digest:

1 Existing law prohibits a person from selling, distributing or offering to sell 234567 cigarettes, cigarette paper, any product containing, made or derived from tobacco, vapor products or any nicotine product to a person under the age of 21 years. (NRS 202.24935, 370.521) Sections 5 and 89 of this bill prohibit a person from selling, distributing or offering to sell: (1) cigarettes, cigarette paper or a vapor product that contains a taste or aroma that is distinguishable from the taste or aroma of tobacco; or (2) a product that is designed, manufactured, produced, marketed or sold as an 8 additive to cigarettes, cigarette paper or a vapor product that produces a 9 distinguishable taste or aroma from the taste or aroma of tobacco. Sections 11 and **53** of this bill prohibit any person from selling, distributing or offering to sell cigarettes to a person born after December 31, 2002. **Section 9** of this bill requires 10 11 certain notice to be displayed at the point of sale for certain tobacco, vapor and 12 13 nicotine products stating that the sale of cigarettes to a person born after 14 December 31, 2002, is prohibited. Section 6 of this bill makes a conforming change 15 to indicate the proper placement of section 5 in the Nevada Revised Statutes.

16 Sections 7 and 13 of this bill provide for the enforcement of the provisions of 17 section 5 in the same manner as certain other provisions governing tobacco.

18 Existing law requires the Attorney General to conduct triennial inspections at 19 locations where products containing, made or derived from tobacco, vapor 20 products, alternative nicotine products and products containing, made or derived 21 22 23 from nicotine are sold, distributed or offered for sale to enforce certain provisions governing the sale of such products. Existing law authorizes the Attorney General to contract for assistance in conducting such inspections with a police department, 24 25 sheriff's department or any person the Attorney General believes will fairly conduct such inspections. (NRS 202.2496) Section 13 of this bill: (1) increases the 26 27 28 frequency of such inspections to at least once a year; and (2) authorizes the Attorney General to contract with any law enforcement agency or health authority for assistance in conducting such inspections. Section 1 of this bill requires the 29 Department of Health and Human Services to allocate \$5,000,000 annually from 30 proceeds from certain litigation against manufacturers of tobacco products: (1) first, 31 to the Office of the Attorney General as necessary to conduct such inspections; and 32 (2) second, for certain programs to prevent, reduce or treat the use of tobacco.

33 Existing law authorizes a board of county commissioners to adopt an ordinance 34 to prohibit a child who is under 18 years of age from: (1) purchasing, attempting to 35 purchase, possessing, attempting to possess or using tobacco products; or (2) falsely 36 representing his or her age to purchase, obtain or possess tobacco products. (NRS 37 244.3572) Section 18 of this bill authorizes a board of county commissioners to 38 adopt such an ordinance concerning a person who is under 21 years of age in 39 accordance with existing state law prohibiting the sale of tobacco products to such a 40 person. (NRS 202.24935, 370.521) Section 18 also authorizes a board of county 41 commissioners to adopt such an ordinance prohibiting a person born after 42 43 December 31, 2002, from: (1) purchasing, attempting to purchase, possessing, attempting to possess or smoking cigarettes; or (2) falsely representing his or her 44 age to purchase, obtain or possess cigarettes.

45 Existing law requires a manufacturer of cigarettes, a cigarette vending machine 46 operator or a wholesale or retail dealer of tobacco products to obtain a license from 47 the Department of Taxation. (NRS 370.567) Section 59 of this bill prohibits the 48 Department from: (1) issuing an initial license as a cigarette vending machine 49 operator on or after January 1, 2024; and (2) renewing a license as a cigarette 50 vending machine operator, manufacturer or wholesale dealer of cigarettes on or 51 after January 1, 2029. Section 63 of this bill provides that a license as a tobacco 52 53 retail dealer initially issued on or after January 1, 2024, or renewed on or after January 1, 2029, only authorizes the holder to engage in the retail sale of tobacco 54 products other than cigarettes. Section 64 of this bill extends this limitation to all 55 retail tobacco licenses beginning on January 1, 2030. Section 89 of this bill 56 prohibits the sale of cigarettes beginning on January 1, 2030. Section 92 of this bill 57 eliminates the tax on cigarettes on that date. Sections 2, 4, 8, 10, 12, 14, 15, 17, 19, 58 22, 24-52, 54-58, 60-62, 65-71, 74, 87, 88, 90 and 92 of this bill make various 59 changes to: (1) eliminate provisions that implement that tax and various other 60 provisions referencing or related to the sale of cigarettes; and (2) standardize the 61 defined terms and penalties applicable to provisions governing the licensing of 62 tobacco wholesale dealers and retail dealers and the taxation of tobacco products.

On November 23, 1998, leading United States cigarette manufacturers entered into a settlement agreement, entitled the "Master Settlement Agreement," with this State. The Master Settlement Agreement obligates these manufacturers, in return for a release of past, present and certain future claims against them as described in the Master Settlement Agreement, to pay substantial sums to the State, to fund a national foundation devoted to the interests of public health and to make substantial changes in their advertising and marketing practices and corporate culture, with the intention of reducing underage smoking. To prevent cigarette manufacturers who

71 were determined not to enter into such a settlement from using a resulting cost 72 73 advantage to derive large, short-term profits in the years before liability may arise without ensuring that the State would have an eventual source of recovery from 74 those manufacturers if they are proven to have acted culpably, the Nevada 75 Legislature, in 1999, enacted provisions requiring all manufacturers of cigarettes 76 sold in this State to participate in the Master Settlement Agreement or to place 77 money into an escrow account. (Chapter 370A of NRS) Those provisions of 78 existing law provide that all money placed in escrow by a cigarette manufacturer must be released from escrow and revert to the manufacturer 25 years after the date 79 80 on which they were deposited. (NRS 370A.150) Section 93 of this bill repeals 81 those provisions on January 1, 2055, which is 25 years after the date on which 82 section 89 prohibits the sale of cigarettes in this State. Section 3 of this bill makes a 83 conforming change to eliminate references to repealed sections.

84 Existing law requires public and private policies of insurance regulated under 85 Nevada law to include certain coverage. (NRS 287.010, 287.04335, 422.2717-86 422.27241, 689A.04033-689A.0465, 689B.0303-689B.0379, 689C.1655-689C.169, 87 689C.194-689C.195, 695A.184-695A.1875, 695B.1901-695B.1948, 695C.1691-88 695C.176, 695G.162-695G.177) Existing law requires employers to provide certain 89 benefits to employees, including the coverage required of health insurers, if the 90 employer provides health benefits for its employees. (NRS 608.1555) Sections 20, 91 21, 72, 73, 76, 78-84 and 86 of this bill require public and private health plans, <u>92</u> including Medicaid and health plans for state and local government employees, to <u>93</u> provide coverage for services for ceasing the use of tobacco. Sections 20, 21, 72, 94 75, 76, 78-84 and 86 of this bill prohibit such a health plan from requiring prior 95 authorization for such services. Sections 16, 77 and 80 of this bill make 96 conforming changes to indicate the proper placement of sections 72, 76 and 79 in 97 the Nevada Revised Statutes. Section 85 of this bill authorizes the Commissioner of 98 Insurance to suspend or revoke the certificate of a health maintenance organization 99 that fails to comply with the requirements of section 83. The Commissioner would 100 also be authorized to take such action against other health insurers who fail to 101 comply with the requirements of sections 76, 78-82, 84 and 86. (NRS 680A.200)
