Existing law requires the Department of Public Safety to establish and maintain a community notification website to provide the public with certain information concerning certain sex offenders and offenders convicted of a crime against a child. (NRS 179B.250) **Section 1** of this bill establishes the community notification website as the source of record for information concerning sex offenders and offenders convicted of a crime against a child. **Section 1** also removes the requirement that the Central Repository for Nevada Records of Criminal History maintain a log of each inquiry to the community notification website.

Existing law authorizes, except as otherwise provided by specific statute, only a law enforcement officer or the offender named in the record to inspect the record of registration of a sex offender or offender convicted of a crime against a child. (NRS 179D.160) **Section 2** of this bill provides that, except as otherwise provided by specific statute, the contents of a record of registration are confidential and not subject to public inspection.
