AN ACT relating to the protection of children; authorizing the paternity of a child to be legally established during a proceeding concerning the protection of the child; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law sets forth provisions concerning actions in which the paternity of a child may be legally established. (NRS 126.071-126.223) Existing law also 2 authorizes the paternity of a child to be legally established during a proceeding 3 concerning the support of a dependent child. (NRS 425.382-425.3852) 4 Additionally, existing law establishes provisions relating to civil proceedings 5 concerning the protection of children from abuse and neglect. (NRS 432B.410- 6 432B.590) This bill authorizes the paternity of a child to be legally established 7 during a civil proceeding concerning the protection of a child.

8 **Section 2** of this bill provides that if the paternity of a child has not been 9 legally established and a petition alleging that a child is in need of protection will 10 be filed with a court and served on the alleged father of the child, the petition must 11 contain certain information, including: (1) facts supporting that the alleged father is 12 the legal parent of the child; (2) whether any man has acknowledged or declared his 13 possible paternity of the child; and (3) notice to the alleged father that an order may 14 be entered that establishes him as the legal parent of the child if he does not take 15 certain actions. **Section 3** of this bill provides that if the paternity of a child has not 16 been legally established, the child, the natural mother or alleged father of the child 17 or an interested third party is authorized to make a motion to the court for an order 18 to establish paternity during a civil proceeding concerning the protection of a child. 19 Such a motion must contain certain information and be served on the alleged father.

20 **Section 4** of this bill authorizes the establishment of the alleged father of a 21 child as the legal parent of the child during a civil proceeding concerning the 22

23 protection of a child if the natural mother and alleged father of the child each sign
24 an affidavit or other sworn statement that the paternity of the child has not been
25 legally established and the alleged father is the legally presumed father of the child.
26 **Section 5** of this bill authorizes the establishment of the alleged father of a child as
27 the legal parent of the child during a civil proceeding concerning the protection of
28 the child if the alleged father is the only alleged father of the child and he: (1) does
29 not appear at the hearing concerning the protection of the child; and (2) after
30 receiving proper notice, does not submit within 60 days after the hearing a written
31 response to a petition or motion to establish paternity, as applicable, or sworn
32 testimony denying paternity and requesting a hearing.

33 **Section 6** of this bill establishes the circumstances in which a judicial officer is
34 required to order tests for the typing of blood or tests for the taking of specimens
35 for genetic identification of a child, the natural mother of the child and the alleged
36 father of the child when paternity is disputed. **Section 6** sets forth the circumstances
37 in which such tests establish a conclusive presumption that a man is the natural
38 father of a child and provides that if there is a conclusive presumption that the
39 alleged father is the natural father of the child and there is no objection, the alleged
40 father may be established as the legal parent of the child. **Sections 14 and 15** of this
41 bill make conforming changes to indicate that the obtaining of genetic information
42 from such tests ordered pursuant to **section 6** is exempt from certain provisions set
43 forth in existing law that otherwise require the informed consent of certain persons
44 before obtaining or disclosing such genetic information.

45 **Section 7** of this bill generally requires the agency which provides child
46 welfare services in the county in which paternity is alleged to pay the costs for
47 conducting any tests for the typing of blood or tests for the taking of specimens for
48 genetic identification. However, if such tests establish a conclusive presumption
49 that the alleged father of a child is the natural father of the child, **section 7** requires
50 the alleged father to reimburse the agency for the cost of the tests. Additionally, if
51 the natural mother or alleged father of a child contests the results of any such tests,
52 **section 7** requires the person contesting the results to pay the costs for conducting
53 any additional tests. **Section 13** of this bill makes conforming changes to provide
54 clarity that the provision of existing law that prohibits the State from being assessed
55 any costs when it is a party to an action to determine parentage, including costs for
56 blood tests or tests for genetic identification, only applies to an action to determine
57 parentage pursuant to chapter 126 of NRS.

58 **Section 8** of this bill provides that any recommendation concerning the
59 paternity of a child that is entered by a master and approved by the district court
60 establishes the legal paternity of the child for all purposes. **Section 8** also provides
61 that any order establishing the paternity of a child is not confidential. **Section 10** of
62 this bill makes conforming changes to indicate that such an order not being
63 confidential is an exception to the general requirement that information maintained
64 by an agency which provides child welfare services is confidential.

65 **Section 9** of this bill requires that whenever service of process is required in an
66 action to establish paternity that is part of a civil proceeding concerning the
67 protection of a child, personal service must be used. **Section 11** of this bill makes
68 conforming changes to indicate that such a requirement that personal service be
69 used is an exception to the general requirement that a summons requiring a person
70 who has custody or control of a child to appear personally and bring the child
71 before the court may be served by personal service or registered or certified mail to
72 the last known address of the person.

73 **Section 12** of this bill makes conforming changes to indicate that the parent and
74 child relationship between a child and a man may be established in an action to
75 establish paternity that is part of a civil proceeding concerning the protection of a
76 child.
