Legislative Counsel’s Digest:

1 Existing law requires each proposal for a redevelopment project undertaken in a
2 redevelopment area of a city whose population is 500,000 or more (currently the
3 City of Las Vegas), to include an employment plan which must include: (1) a
4 description of the existing opportunities for employment within the area; (2) a
5 projection of the effect that the redevelopment project will have on employment
6 opportunities within the area; (3) a description of the manner in which an employer
7 relocating a business into the area plans to employ certain persons, including
8 persons who have a physical disability; (4) a description of the manner in which the
9 developer will, in hiring for construction jobs for the project, use its best efforts to
10 hire certain persons; and (5) a description of the manner in which each employer
11 relocating a business into the area will use its best efforts to hire certain persons
12 living within certain areas. (NRS 279.482)

13 **Sections 2 and 5** of this bill reorganize existing requirements for an
14 employment plan that apply to a redevelopment project undertaken in a
15 redevelopment area of a city whose population is 500,000 or more (currently the
16 City of Las Vegas). **Section 2** requires the employment plan to include: (1) certain
17 information about persons with any disability; and (2) a description of how the
18 developer will seek the participation in the redevelopment project of local small
19 business contractors and subcontractors who are licensed in this State and whose
20 place of business is located within 100 miles of the project. **Section 2** also requires
21 that a redevelopment agency submit the employment plan to the Nevada
22 Commission on Minority Affairs and the Southern Nevada Enterprise Community
23 Board. **Section 2** further provides that an employment plan is a public record.

24 **Sections 3 and 4** of this bill require, respectively, developers and businesses
25 that receive incentives from an agency for a redevelopment project undertaken in a
26 redevelopment area of a city whose population is 500,000 or more (currently the
27 City of Las Vegas) to submit progress reports on the employment plan to
28 the agency. **Sections 3 and 4** also require the progress reports to be submitted by
29 the agency to the Nevada Commission on Minority Affairs and the Southern
30 Nevada Enterprise Community Board. **Sections 3 and 4** also provide that the
31 progress reports are public records.

32 **Section 6** of this bill provides that **sections 2-4** apply only to a redevelopment
33 project undertaken in a redevelopment area of a city whose population is 500,000
34 or more (currently the City of Las Vegas).

35 Existing law requires, with certain exceptions, a redevelopment plan adopted
36 on or after January 1, 1991, and any amendments to the plan to terminate not later
37 than 30 years after the date on which the original redevelopment plan is adopted.
38 (NRS 279.439) **Section 4.3** of this bill requires that such a redevelopment plan, and
39 any amendments to the plan, of a county whose population is 700,000 or more
40 (currently Clark County) terminates not later than after 45 years after the date on
41 which the original redevelopment plan is adopted.

42 Existing law authorizes a city to enact its own procedural ordinance and
43 exercise certain powers related to redevelopment. (NRS 279.444) **Section 4.7** of
44 this bill allows a community, which is defined as a county or a city, to enact its own
45 procedural ordinance and exercise such powers. (NRS 279.392)

46 Existing law requires a public agency that uses redevelopment funds for the
47 design or construction of a redevelopment project being built as a public work in a
48 redevelopment area of a city whose population is 500,000 or more (currently the
49 City of Las Vegas) to submit an employment plan. (NRS 279.6094) **Section 7** of
50 this bill provides that the employment plan must meet the requirements of
51 **section 2**.

52 **Section 8** of this bill requires the Nevada Commission on Minority Affairs to
53 analyze the information provided in the employment plans and progress reports that
54 it receives pursuant to **sections 2-4**.

55 The Southern Nevada Enterprise Community Infrastructure Improvement Act
56 establishes the Southern Nevada Enterprise Community Board to carry out certain
57 duties relating to the Southern Nevada Enterprise Community. Two of the nine
58 members of the Board must be residents of the Community. (Sections 8 and 9 of
59 chapter 407, Statutes of Nevada 2007, as amended by chapter 481, Statutes of
60 Nevada 2009, at pages 2771-72) **Section 9.5** of this bill provides instead that these
61 two members of the Board must be persons who are residents of the Community or
62 residents of an area that is located within 10 miles of the Community.
