AN ACT relating to vehicle registration; authorizing the registration of certain trailers for a 3-year period in lieu of a 12-month period; requiring a registrant who elects to register a trailer for the longer period to pay fees commensurate with that longer period; authorizing the registration of certain commercial trailers and semitrailers for as long as the trailer is owned by the person who obtained the registration; providing for a one-time imposition of a flat governmental services tax on commercial trailers registered for as long as the trailer is owned by the person who obtained the registration; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires the annual registration of trailers and semitrailers that are to be operated on the highways of this State and the imposition of a governmental services tax. (NRS 371.030, 482.205, 482.206) **Section 1.4** of this bill allows a person who owns a trailer to instead elect to register the trailer for a period of 3 years. **Section 1.4** also requires a person who registers a trailer for a 3-year period to pay upon registration all applicable fees and taxes which the person would pay if the trailer was registered for 1 year and then renewed for 2 consecutive years, including, without limitation, governmental services taxes, registration fees, license plate fees and additional fees, if applicable, for personalized prestige license plates and special license plates.

Sections 2, 3, 34.5 and 36 of this bill authorize the owners of certain commercial trailers and semitrailers to pay a flat registration fee of \$24 and the imposition of the governmental services tax in the amount of \$86 for a registration that is valid for as long as the person owns the trailer. **Section 2** provides that such a registration is nontransferable if the person transfers ownership of the trailer, and is valid until the owner either transfers ownership of the trailer or cancels the registration of the trailer and surrenders the license plates to the Department of Motor Vehicles. **Section 36** provides that the governmental services tax is imposed only when the trailer is registered and is nonrefundable. **Section 4.5** of this bill provides that the Department shall not, for a trailer being registered in this manner, issue any of the various special license plates offered for other vehicles.

Sections 2-4, 5 and 35 of this bill make conforming changes to provisions concerning the transfer of registration, the imposition of the governmental services tax, renewal stickers, the replacement of license plates or decals that are lost, mutilated or illegible, and the reporting of stolen motor vehicles, trailers or semitrailers. (NRS 482.206, 482.260, 482.2705, 482.285, 482.520) **Sections 6-34.1** of this bill make conforming changes to provisions authorizing the issuance of special license plates which are available for certain trailers and semitrailers. **Sections 36-38** of this bill make conforming changes to provisions concerning the imposition of the governmental services tax.
