AN ACT relating to Medicaid; requiring the suspension, rather than termination, of eligibility for Medicaid of a person who is incarcerated; authorizing a person who is incarcerated, in certain circumstances, to apply for enrollment in Medicaid before he or she is released; revising the requirement for the Director of the Department of Corrections to complete the paperwork to enroll such a person in Medicaid; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law requires the Department of Health and Human Services to administer Medicaid and cooperate with the Federal Government in adopting the State Plan for Medicaid. (NRS 422.270) **Section 1** of this bill provides that, to the extent not prohibited by federal law: (1) the eligibility for Medicaid of a person must be suspended, rather than terminated, when a person is incarcerated; (2) a person who is incarcerated and who was not eligible for Medicaid before being incarcerated or whose eligibility for Medicaid has been terminated must be allowed to apply for enrollment in Medicaid up to 6 months before his or her scheduled release date; and (3) eligibility for and coverage under Medicaid for a person who is released from incarceration must be reinstated or instituted, as applicable, as soon as possible upon release. **Section 3** of this bill makes a conforming change to require the provisions of **section 1** to be administered in the same manner as the provisions of existing law governing Medicaid.

Existing law requires the Director of the Department of Corrections to complete the application to enroll an offender in Medicaid upon release if the offender is eligible for Medicaid at that time. (NRS 209.511) **Section 2** of this bill revises this requirement by requiring the Director to complete such an application as soon as practicable after the offender is authorized to enroll in Medicaid pursuant to **section 1** if the offender may be eligible for Medicaid upon release.

Section 3.5 of this bill makes an appropriation to the Department of Corrections for personnel and other costs related to assisting offenders with eligibility assessments and applications for enrollment in Medicaid.
