CHAPTER.....

AN ACT relating to counties; authorizing a board of county commissioners to enter into agreements exempting certain persons, organizations and assemblies occurring on federal lands from certain requirements and prohibitions relating to assemblies; requiring such agreements to include certain provisions; prohibiting certain actions regarding such agreements and the application of certain requirements and prohibitions relating to certain assemblies occurring on federal lands; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires each board of county commissioners to adopt an ordinance regulating and licensing outdoor assemblies, requires certain persons to obtain a license for an assembly and prohibits certain conduct and activities relating to certain assemblies. (NRS 244.354, 244.3542, 244.3548)

Section 1 of this bill authorizes a board of county commissioners to enter into an agreement with a person or organization that organizes an outdoor assembly occurring on federal land for which a federal agency issues a license or permit or otherwise authorizes the assembly. The agreement may exempt the assembly, and the person or organization that organizes the assembly, from the provisions of the ordinance adopted by the board regulating and licensing outdoor assemblies and also from the statutory provisions regulating outdoor assemblies. The agreement may be rescinded only by mutual agreement of the parties. For the duration of the agreement, a future board of county commissioners may not require the application of the statutory provisions regulating outdoor assemblies or make any changes to the terms of the agreement. The agreement must contain certain provisions relating to the services of a coroner if a death occurs at the assembly. Also, the parties may enter into a separate agreement for the county to provide reasonable and necessary services for the assembly and to receive compensation for those services.

Existing law prohibits a board of county commissioners from entering into certain contracts and other transactions beyond the term of office of any member of the board unless the board appropriates money to pay for the duration of the contract. **Sections 1 and 1.5** of this bill provide that any agreement entered into pursuant to **section 1** is not subject to such limitations.

Section 1 provides that the provisions thereof shall not be construed to prohibit, prevent or limit the power of the Legislature.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. Chapter 244 of NRS is hereby amended by adding thereto a new section to read as follows:

1. A board of county commissioners may enter into an agreement with any person or organization described in paragraph (b) to exempt from the provisions of any ordinance adopted by that board of county commissioners pursuant to NRS 244.354 and the provisions of NRS 244.354 to 244.3548, inclusive:

(a) Any assembly occurring on federal land for which a federal agency issues a license or permit or otherwise authorizes the assembly; and

(b) The person or organization that permits, maintains, promotes, conducts, advertises, operates, undertakes, organizes, manages or sells or gives away tickets to any such assembly.

2. In determining whether to enter into an agreement pursuant to subsection 1, a board of county commissioners may consider, without limitation, whether a person or organization described in paragraph (b) of subsection 1 has demonstrated to the satisfaction of the board that:

(a) The federal agency that issues a license or permit for or otherwise authorizes an assembly described in paragraph (a) of subsection 1 has ensured that conditions which otherwise may be imposed by the board pursuant to NRS 244.3545 are addressed during the process of issuing the license or permit for or otherwise authorizing the assembly; and

(b) The assembly will not present an unreasonable danger to the health or safety of any resident of the county.

3. Except as otherwise provided in subsection 6, an agreement entered into pursuant to subsection 1 may be rescinded only by mutual agreement of the parties to the agreement. For the duration of the agreement, no future board of county commissioners of that county may adopt an ordinance requiring, or in any other way require:

(a) The application of the provisions of NRS 244.354 to 244.3548, inclusive, to the assembly that is the subject of the agreement, the person or organization with whom the board enters into the agreement, or any other person who permits, maintains,

promotes, conducts, advertises, operates, undertakes, organizes, manages or sells or gives away tickets to the assembly; or

(b) Any changes to the terms of the agreement.

4. If a board of county commissioners enters into an agreement pursuant to subsection 1:

(a) The agreement must require the person or organization described in paragraph (b) of subsection 1 to call upon the services of the office of the county coroner if a death of a person occurs at the assembly;

(b) The agreement must provide for the office of the county coroner to receive compensation for such services, including, without limitation, compensation:

(1) For the expenses of any travel and subsistence incurred in the provisions of such services;

(2) For the expenses relating to an autopsy and the transportation and storage of the body of the deceased; and

(3) For any other reasonable expenses relating to the provision of such services; and

(c) The board of county commissioners or any board of county commissioners that takes office after the effective date of the agreement may enter into a separate agreement with the person or organization described in paragraph (b) of subsection 1 which provides for the county to provide reasonable and necessary services for the assembly and to receive compensation for the provision of such services.

5. Notwithstanding the provisions of NRS 244.320, any agreement entered into pursuant to this section may extend beyond the terms of the county commissioners in office and voting on the agreement regardless of whether the board appropriates money for the agreement beyond the terms of office.

6. Nothing contained in this section shall be construed to prohibit, prevent or limit the power of the Legislature.

Sec. 1.5. NRS 244.320 is hereby amended to read as follows:

244.320 1. A board of county commissioners may enter into any **agreement**, contract, lease, franchise, exchange of property or other transaction which extends beyond the terms of the county commissioners then in office and voting on the matter, but except as otherwise provided by law, the **agreement**, contract, lease, franchise, exchange or other transaction is binding beyond those terms of office only to the extent that money is appropriated therefor, or for a like item or service.

2. This section does not affect any **agreement**, contract, lease, franchise, exchange of property or other transaction which does not

extend beyond the term of office of any member of the board who is part of the quorum voting thereon.

Sec. 2. (Deleted by amendment.)
