11 Division adopts regulations to repeal or replace those regulations of the Board.
12 Finally, **section 22** of this bill revises the composition of the Board.

13 Existing law requires certain health care plans and policies of insurance to
14 provide an option or a requirement, as applicable, of coverage for the screening for,
15 including the diagnosis of, and the treatment of autism spectrum disorders in certain
16 circumstances. (NRS 287.0276, 689A.0435, 689B.0335, 689C.1655, 695C.1717,

19 persons with autism spectrum disorders and requires the Health Division of the
20 Department to refer certain children to the Program. (NRS 427A.875, 442.770)
21 **Sections 2, 3, 18-20 and 33-37** of this bill include social communication disorder
22 as a disorder covered by the Program and a disorder for which certain health care
23 plans and policies of insurance must provide an option or a requirement of
