EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to registration of vehicles; requiring a person registering or renewing the registration of a clean fuel vehicle or a hybrid fuel vehicle with the Department of Motor Vehicles to pay an additional fee; providing exceptions; providing for the distribution by the Department of the money collected for the additional fees; providing for a credit on the unused portion of the additional fees upon the cancellation or transfer of the vehicle under certain circumstances; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Under existing law, every owner of a motor vehicle intended to be operated
2 upon any highway in this State is required, before such operation, to apply to the
3 Department of Motor Vehicles or a registered dealer for and obtain the registration
4 of the motor vehicle. (NRS 482.205) At the time of registration, the Department
5 and its agents or a registered dealer is required to collect: (1) the fees for license
6 plates and registration; and (2) the governmental services tax imposed on the
7 vehicle. (NRS 482.260) Before the registration expires, the Department is required
8 to send the holder of the registration a notification for renewal of the registration
9 which must include the amounts due for renewal and for the governmental services
10 tax. (NRS 482.280) **Section 1** of this bill newly requires a person applying to
11 register or renew the registration of a clean fuel vehicle or a hybrid fuel vehicle to
12 pay an additional fee. The additional fee for a clean fuel vehicle is \$336 and the
13 additional fee for a hybrid fuel vehicle is \$168. Of the money received from this
14 additional fee, the Department must distribute: (1) half to the county where the
15 vehicle is based, to be used exclusively for the construction, maintenance and repair
16 of highways in that county; and (2) half to the State Highway Fund, to be used only

17 to finance projects for the construction, maintenance and repair of state highways in
18 that county. An exemption from the requirement to pay the additional fee is
19 provided for a moped and for certain interstate users of highways whose
20 registration fees are apportioned among certain states. Existing law makes a
21 violation of this provision a misdemeanor. (NRS 482.555)

22 Existing law allows a person who no longer owns a vehicle to transfer his or
23 her registration for that original vehicle to a second vehicle, and also allows a
24 transfer of the license plates, if the license plates are appropriate for the second
25 vehicle. The person must pay a transfer registration fee and any additional
26 registration fee or governmental services taxes owed on the second vehicle that
27 exceed the amount the person paid upon registration of the original vehicle. If the
28 registration fees or governmental services taxes on the second vehicle are less than
29 the amount that was paid for the original vehicle, the person may obtain a credit on
30 any unused portion of the registration fee or governmental services taxes on a pro
31 rata basis. (NRS 482.206, 482.399) **Sections 2 and 24** of this bill: (1) also allow the
32 person to obtain a credit on any unused portion of the additional fee if the
33 registration is transferred during a period of registration to a second vehicle for
34 which the fee is less or is not required; and (2) require the person to pay the
35 additional fee if it is required for the second vehicle but was not required for
36 the original vehicle. **Sections 6-23** of this bill make conforming changes relating to
37 the transfer of various special license plates. **Section 25** of this bill requires a
38 transferee of a vehicle for which the additional fee is required to pay the fee upon
39 registration, with a few limited exceptions. (NRS 482.400)

40 **Section 3** of this bill requires an application for registration to include certain
41 information about a vehicle which will assist the Department in determining if the
42 additional fee applies to the vehicle being registered and, if the additional fee is
43 applicable, in determining the county to which the money is to be paid.
44 (NRS 482.215)

45 **Sections 4 and 5** of this bill make conforming changes relating to the collection
46 of applicable fees and taxes for registration and renewal of registration. (NRS
47 482.260, 482.280)

48 **Section 26** of this bill exempts from the additional fee certain vehicles owned
49 by governmental entities which are exempt from registration fees under existing
50 law. (NRS 482.503) **Section 27** of this bill provides that if the additional fee is not
51 paid before the vehicle is operated upon the highways of this State, the additional
52 fee is considered delinquent and a penalty of \$6 for each 30 days the delinquency
53 continues must be added. (NRS 482.515)
