EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to education; requiring the Superintendent of Public Instruction to create the Rural Northeastern Clark County Regional School District; requiring the Department of Education to conduct a feasibility study of that District and submit a report to the Legislature; authorizing the establishment of regional school districts; making an appropriation; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Section 1 of this bill: (1) requires the Superintendent of Public Instruction to
2 create the Rural Northeastern Clark County Regional School District and hire a
3 superintendent and administrative staff for that District; (2) provides that the State
4 Board of Education shall be deemed the board of trustees of the District; and (3)
5 requires the Department of Education to conduct a feasibility study and submit a
6 report to the 84th Session of the Legislature on the performance, effectiveness and
7 viability of the District. Section 128 of this bill appropriates \$6,000,000 to the
8 Department of Education to establish the Rural Northeastern Clark County
9 Regional School District and conduct the feasibility study. Section 130 of this bill
10 expires all of the provisions of this bill on June 30, 2027.

11 Existing law creates county school districts, the boundaries of which are
12 coterminous with the boundaries of the counties of this State. (NRS 386.010)
13 Section 10 of this bill authorizes the board of county commissioners in a county
14 whose population is 700,000 or more (currently only Clark County) to establish by
15 ordinance a regional school district that is independent from the county school
16 district of the county.

17 **Sections 5-9** of this bill establish the procedures by which the members of the
18 board of trustees of a regional school district are elected.

19 **Sections 2, 3, 10-22, 24-110 and 113-127** of this bill make conforming changes
20 throughout the Nevada Revised Statutes to refer to school districts generally,
21 eliminating references to county school districts or including references to regional
22 school districts, as necessary or appropriate.

23 Existing law requires the Legislature, after making a direct legislative
24 appropriation to the State Education Fund, to: (1) determine the statewide base per
25 pupil funding amount for each fiscal year of the biennium; and (2) appropriate
26 money from the Fund for, among other purposes, the operation of school districts,
27 charter schools and university schools for profoundly gifted pupils, and additional
28 needs of certain other pupils. Existing law also governs the appropriation and
29 transfer to county school districts of certain taxes on the operations of the industry
30 of extracting and processing minerals and the use of that money to mitigate the
31 adverse effects of the cyclical nature of the industry on the ability of a county
32 school district to offer its pupils a reasonably equal educational opportunity. (NRS
33 362.170, 362.171, 387.1214) **Sections 23, 111 and 112** of this bill revise these
34 provisions to include appropriations and transfers to all school districts in the
35 applicable counties.

9 *publication at least once in a newspaper published in the county,*

11 *published in the State of Nevada and having a general circulation*
12 *in the county. The cost of publication of the notice is a proper*
13 *charge against the regional school district fund.*

43 *district in which school trustee election areas have been created*
44 *must be a qualified elector and a resident of the school trustee*
45 *election area which he or she seeks to represent.*

1 8. *The board of county commissioners of the county may by*

5 *provided in subsection 3; and*

6 (b) *Receiving, at the hearing or by resolution, the consent of*
7 *the board of trustees of the regional school district.*

9 **Sec. 22.** NRS 387.1213 is hereby amended to read as follows:

10 387.1213 1. The Education Stabilization Account is hereby
11 created in the State Education Fund. Except as otherwise provided
12 in subsections 3 and 4, each year after the close of the previous
13 fiscal year and before the issuance of the State Controller's annual
14 report, each [county] school district shall transfer from the [county]
15 school district fund to the Education Stabilization Account any
16 amount by which the budgeted ending fund balance of the [county]
17 school district fund exceeds 16.6 percent of the total budgeted
18 expenditures for the fund. The interest and income earned on the
19 money in the Account, after deducting any applicable charges, must
20 be credited to the Account.

21 2. Money transferred pursuant to subsection 1 to the Education
22 Stabilization Account is a continuing appropriation solely for the
23 purpose of authorizing the expenditure of the transferred money for
24 the purposes set forth in this section.

25 3. The balance in the Education Stabilization Account must not
26 exceed 15 percent of the total of all appropriations and
27 authorizations from the State Education Fund, excluding the
28 Education Stabilization Account, for the immediately preceding
29 fiscal year. Any money transferred to the Education Stabilization
30 Account which exceeds this amount must instead be transferred to
31 the State Education Fund.

32 4. If the Interim Finance Committee finds that:

33 (a) Upon submission of a request from the Department, the
34 actual enrollment growth for a fiscal year exceeds the projected
35 enrollment growth by an amount that the Interim Finance
36 Committee determines would make a transfer of money to the State
37 Education Fund necessary to fund the excess enrollment; or

38 (b) The collection of revenue in any fiscal year will result in the
39 State Education Fund receiving 97 percent or less of the money
40 authorized for expenditure from the State Education Fund,

41 ➔ the Committee shall by resolution establish an amount of money
42 to transfer from the Education Stabilization Account to the State
43 Education Fund and direct the State Controller to transfer that
44 amount to the State Education Fund. The State Controller shall
45 thereupon make the transfer.

1 5. The balance remaining in the State Education Fund,
2 excluding the balance remaining in the Education Stabilization
3 Account, that has not been committed for expenditure on or before
4 June 30 of an odd-numbered fiscal year must be transferred to the
5 Education Stabilization Account to the extent that such a transfer
6 would not cause the balance in the Education Stabilization Account
7 to exceed the limit established in subsection 3.

8 **Sec. 23.** NRS 387.1214 is hereby amended to read as follows:

9 387.1214 1. After a direct legislative appropriation is made to
10 the State Education Fund from the State General Fund pursuant to
11 NRS 387.1212, the Legislature shall determine the statewide base
12 per pupil funding amount for each fiscal year of the biennium,
13 which is the amount of money expressed on a per pupil basis for the
14 projected enrollment of the public schools in this State, determined
15 to be sufficient by the Legislature to fund the costs of all public
16 schools in this State to operate and provide general education to all
17 pupils for any purpose for which specific funding is not
18 appropriated pursuant to paragraph (a), (b) or (e) of subsection 2 or
19 NRS 387.122. It is the intent of the Legislature that the statewide
20 base per pupil funding amount for any fiscal year, to the extent
21 practicable, be not less than the statewide base per pupil funding
22 amount for the immediately preceding fiscal year, adjusted by
23 inflation, unless the amount of money contained in the State
24 Education Fund, excluding the Education Stabilization Account,
25 decreases from the preceding fiscal year. If the amount of money
26 contained in the State Education Fund, excluding the Education
27 Stabilization Account, decreases from the preceding fiscal year, it is
28 the intent of the Legislature that a proportional reduction be made in
29 both the statewide base per pupil funding amount and the weighted
30 funding appropriated pursuant to paragraph (e) of subsection 2.

31 2. After a direct legislative appropriation is made to the State
32 Education Fund from the State General Fund pursuant to NRS
33 387.1212, the money in the State Education Fund, excluding any
34 amount of money in the Education Stabilization Account, must be
35 appropriated as established by law for each fiscal year of the
36 biennium for the following purposes:

37 (a) To each school district, an amount of money determined to
38 be sufficient by the Legislature, when combined with any other
39 resources available for this purpose, to provide food services and
40 transportation for pupils and any other similar service that the
41 Legislature deems appropriate.

42 (b) To each school district, charter school or university school
43 for profoundly gifted pupils, an amount of money determined to be
44 sufficient by the Legislature, when combined with any other

1 resources available for this purpose, to provide local funding to
2 support pupils with disabilities.

3 (c) To each school district, an amount of money determined to
4 be sufficient by the Legislature, when combined with any other
5 resources available for this purpose, to provide adjusted base per
6 pupil funding for each pupil estimated to be enrolled in the school
7 district.

8 (d) To each charter school or university school for profoundly
9 gifted pupils, an amount of money determined to be sufficient by the
10 Legislature, when combined with any other resources available for
11 this purpose, to provide:

12 (1) The statewide base per pupil funding amount for each
13 pupil estimated to be enrolled full-time in a program of distance
14 education provided by the charter school or university school for
15 profoundly gifted pupils; and

16 (2) Adjusted base per pupil funding for each pupil estimated
17 to be enrolled in the charter school or university school for
18 profoundly gifted pupils other than a pupil identified in
19 subparagraph (1).

20 (e) To each school district, charter school or university school
21 for profoundly gifted pupils, an amount of money determined to be
22 sufficient by the Legislature, when combined with any other
23 resources available for this purpose, to provide additional weighted
24 funding for each pupil estimated to be enrolled in the school district,
25 charter school or university school for profoundly gifted pupils who
26 is:

- 27 (1) An English learner;
28 (2) An at-risk pupil; or
29 (3) A gifted and talented pupil.

30 3. The adjusted base per pupil funding appropriated pursuant to
31 paragraph (c) of subsection 2 for each school district must be
32 determined by applying the cost adjustment factor established
33 pursuant to NRS 387.1215 which applies to the school district and
34 the attendance area adjustment established pursuant to NRS
35 387.1218 which applies to each applicable area of the school district
36 to the statewide base per pupil funding amount.

37 4. The adjusted base per pupil funding appropriated pursuant to
38 subparagraph (2) of paragraph (d) of subsection 2 for each charter
39 school or university school for profoundly gifted pupils must be
40 determined by applying the cost adjustment factor established
41 pursuant to NRS 387.1215 which applies to the charter school or
42 university school and, if applicable, the attendance area adjustment
43 established pursuant to NRS 387.1218 to the statewide base per
44 pupil funding amount.

1 5. The weighted funding appropriated pursuant to paragraph (e)
2 of subsection 2 must be established separately for each category of
3 pupils identified in that paragraph and expressed as a multiplier to
4 be applied to the statewide base per pupil funding amount
5 determined pursuant to subsection 1. A pupil who belongs to more
6 than one category of pupils or for whom a school district, charter
7 school or university school for profoundly gifted pupils is eligible to
8 receive the statewide multiplier pursuant to NRS 387.122 must
9 receive only the weighted funding for the single category to which
10 the pupil belongs which has the largest multiplier or the statewide
11 multiplier, whichever is larger. It is the intent of the Legislature that,
12 to the extent practicable:

13 (a) The multiplier for each category of pupils for any fiscal year
14 be not less than the multiplier for the immediately preceding fiscal
15 year unless:

16 (1) The amount of money contained in the State Education
17 Fund, excluding the Education Stabilization Account, decreases
18 from the preceding fiscal year, in which event it is the intent of the
19 Legislature that a proportional reduction be made in both the
20 statewide base per pupil funding amount and the weighted funding
21 appropriated pursuant to paragraph (e) of subsection 2; or

22 (2) The amount of money contained in the State Education
23 Fund, excluding the Education Stabilization Account, increases
24 from the preceding fiscal year but in an amount which, after funding
25 the appropriations required by paragraphs (a) to (d), inclusive, of
26 subsection 2, is insufficient to fund the multiplier for each category
27 of pupils, in which event it is the intent of the Legislature that the
28 remaining money in the State Education Fund be used to provide a
29 multiplier for each category of pupils which is as close as
30 practicable to the multiplier for the preceding fiscal year;

31 (b) The recommendations of the Commission for the multiplier
32 for each category of pupils be considered and the multiplier for one
33 category of pupils may be changed by an amount that is not
34 proportional to the change in the multiplier for one or more other
35 categories of pupils if the Legislature determines that a
36 disproportionate need to serve the pupils in the affected category
37 exists; and

38 (c) If the multipliers for all categories of pupils in a fiscal year
39 are increased from the multipliers in the immediately preceding
40 fiscal year, a proportional increase is considered for the statewide
41 base per pupil funding amount.

42 6. For any money identified in subsection 4 of NRS 362.170
43 which is deposited to the credit of the State Education Fund:

44 (a) The amount of such money for the county from which the
45 money was collected that does not exceed the total amount of

1 money appropriated pursuant to subsection 2 to ~~the county~~ *a*
2 school district *in that county* is deemed to be the first money
3 appropriated pursuant to subsection 2 for that ~~county~~ school
4 district.

5 (b) The amount of such money for *a school district in* the
6 county from which the money was collected which exceeds the total
7 amount of money appropriated pursuant to subsection 2 to the
8 ~~county~~ school district must be transferred to the ~~county~~ school
9 district and is hereby authorized for expenditure as a continuing
10 appropriation for the purpose of mitigating the adverse effects of the
11 cyclical nature of the industry of extracting and processing minerals
12 on the ability of the ~~county~~ school district to offer its pupils a
13 reasonably equal educational opportunity.

14 7. The weighted funding appropriated pursuant to paragraph (e)
15 of subsection 2:

16 (a) May not be used to settle or arbitrate disputes between a
17 recognized organization representing employees of a school district or
18 the governing body of a charter school and the school district or
19 governing body or to settle any negotiations; and

20 (b) May not be used to adjust the district-wide schedules of
21 salaries and benefits of the employees of a school district.

22 **Sec. 24.** NRS 387.1215 is hereby amended to read as follows:

23 387.1215 1. To account for variation between the counties of
24 this State in the cost of living and the cost of labor, the Department
25 shall establish by regulation cost adjustment factors for ~~the~~ *each*
26 school district located in, and each charter school that provides
27 classroom-based instruction in, each county of this State.

28 2. Not later than May 1 of each even-numbered year, the
29 Department shall review and determine whether revisions are
30 necessary to the cost adjustment factors for ~~the~~ *each* school district
31 located in each county of this State. The Department shall present
32 the review and any revisions at a meeting of the Joint Interim
33 Standing Committee on Education for consideration and
34 recommendations by the Committee. After the meeting, the
35 Department shall consider any recommendations of the Joint Interim
36 Standing Committee on Education, determine whether to include
37 those recommendations and adopt by regulation any revision to the
38 cost adjustment factors. The Department shall submit any revision
39 to the cost adjustment factors to each school district, the Governor
40 and the Director of the Legislative Counsel Bureau.

41 **Sec. 25.** NRS 387.124 is hereby amended to read as follows:

42 387.124 Except as otherwise provided in this section and NRS

45 of Public Instruction shall apportion the State Education Fund

1 among the several ~~county~~ school districts, charter schools and

3 approximating one-twelfth of their respective yearly apportionments
4 less any amount set aside as a reserve or contained in the Education
5 Stabilization Account. Except as otherwise provided in NRS
6 387.1244, the apportionment to a school district, computed on a
7 yearly basis, equals the amounts established by law for each school
8 year pursuant to paragraphs (a), (b), (c) and (e) of subsection 2 of
9 NRS 387.1214 for all pupils who attend a public school operated by
10 the school district. ~~Located in the county.~~

11 2. Except as otherwise provided in NRS 387.1244, in addition
12 to the apportionments made pursuant to this section, if a pupil is
13 enrolled part-time in a program of distance education and part-time
14 in a:

15 (a) Public school other than a charter school, an apportionment
16 must be made to the school district in which the pupil resides. The
17 school district in which the pupil resides shall allocate a percentage

21 (b) Charter school, an apportionment must be made to the
22 charter school in which the pupil is enrolled. The charter school in
23 which the pupil is enrolled shall allocate a percentage of the

27 3. The Director of the State Department of Agriculture shall
28 apportion, on or before August 1 of each year, the money designated

31 Program, 42 U.S.C. §§ 1751 et seq. The apportionment to a school
32 district must be directly related to the district's reimbursements for
33 the Program as compared with the total amount of reimbursements
34 for all school districts in this State that participate in the Program.

35 **Sec. 26.** NRS 387.170 is hereby amended to read as follows:

35 387.185 1. Except as otherwise provided in subsection 2 and

1 attending if, upon the request of the child, the superintendent of the
2 [county] school district or the executive head of the private school:

3 (a) The juvenile court develops and approves an alternative plan
4 of supervision for the child that protects the safety and the interests
5 of the victim;

6 (b) The victim and the parent or guardian of the victim consent,
7 in writing, to the plan;

8 (c) The superintendent of the [county] school district or the
9 executive head of the private school consents, in writing, to the plan;

13 2. As part of an alternative plan of supervision, the juvenile
14 court shall impose reasonable conditions on the child and, if
15 necessary to facilitate the alternative plan, on the parent or guardian
16 of the child. The conditions must be designed to protect the safety
17 and the interests of the victim and to ensure that the child complies
18 with the plan.

19 3. Upon its own motion or upon a request from the district
20 attorney, the victim, the parent or guardian of the victim or the
21 probation officer or parole officer, as appropriate, assigned to the

23 of supervision or a condition of the alternative plan after providing
24 notice and an opportunity to be heard to the child, the parent or
25 guardian of the child, the district attorney and the parties who
26 consented to the alternative plan. If a proposed modification is
27 reasonably likely to increase contact between the victim and

29 the written consent of the victim and the parent or guardian of the
30 victim. If the juvenile court rescinds the alternative plan of
31 supervision, the child is subject to the provisions of NRS 62F.100 to

42 who has been adjudicated delinquent for a sexual offense or a
43 sexually motivated act, the superintendent of the [county] school
44 district or the executive head of the private school may request that

1 the juvenile court approve an alternative plan of attendance for the
2 child.

3 2. An alternative plan of attendance:

4 (a) Must be designed to prevent contact between the victim and
5 the child during school hours and during extracurricular activities
6 conducted on school grounds; and

7 (b) Must not interfere with or alter the schedule of classes or the
8 extracurricular activities of the victim.

9 3. Before approving an alternative plan of attendance, the
10 juvenile court shall provide notice and an opportunity to be heard to
11 the child, the parent or guardian of the child, the district attorney,
12 the victim and the parent or guardian of the victim.

13 4. If the juvenile court approves an alternative plan of
14 attendance, the district attorney, the victim or the parent or guardian
15 of the victim may petition the juvenile court to modify or rescind the
16 alternative plan on the basis that:

17 (a) The alternative plan is not protecting the safety or the
18 interests of the victim; or

38 **Sec. 95.** NRS 278.346 is hereby amended to read as follows:

39 278.346 1. The planning commission or its designated

20 subdivider does not accept an offer made pursuant to the provisions
21 of subsection 3 or 9, then the board of trustees may:

38 successor or successors in interest of the dedicator.

39 7. Except as otherwise provided in subsection 8, in a county
40 whose population is 100,000 or more but less than 700,000, the

3 the date of purchase; or

4 (b) The fair market value of the land on the date of purchase, as
5 determined by an independent appraisal paid for by the board.

6 8. If, 5 years after the date on which the final map that contains

14 district pursuant to subsection 7 must be offered to the subdivider or
15 the successor in interest of the subdivider at a sale price equal to the
16 fair market value of the land at the time of the offer, as determined
17 by an independent appraisal paid for by the board.

18 **Sec. 96.** NRS 278C.155 is hereby amended to read as follows:

19 278C.155 1. A tax increment area may be created pursuant to
20 this section by a cooperative agreement between a city in which the
21 principal campus of the Nevada State College is located or intended
22 to be located and the Nevada System of Higher Education, if the

26 (b) Which:

27 (1) Consists of not more than 509 acres;

28 (2) Was transferred by the city creating the tax increment
29 area to the Nevada System of Higher Education for the use of the
30 Nevada State College;

31 (3) Has never been subject to property taxation; and

32 (4) The Nevada System of Higher Education has agreed to
33 continue to own for the term of the tax increment area.

34 ➤ The provisions of NRS 278C.160, subsections 4, 6 and 7 of NRS
35 278C.170, NRS 278C.220, subsections 2 and 3 of NRS 278C.250
36 and paragraph (d) of subsection 6 of NRS 278C.250 do not apply to
37 a tax increment area created pursuant to this section, but such a tax
38 increment area is subject to the provisions of subsections 2 to 9,
39 inclusive.

40 2. Whenever the governing body of a city in which the
41 principal campus of the Nevada State College is located or intended
42 to be located and the Board of Regents of the University of Nevada
43 determine that the interests of the city, the Nevada System of Higher
44 Education and the public require an undertaking, the governing
45 body and the Board of Regents may enter into a cooperative

1 agreement pursuant to NRS 277.080 to 277.180, inclusive, which
2 describes by reference to the general types of undertakings
3 authorized pursuant to NRS 278C.140 and the undertakings
4 proposed for the tax increment area, and which contains or refers to
5 an exhibit filed with the clerk of the city and the Secretary of the
6 Board of Regents which contains:

7 (a) A statement of the last finalized amount of the assessed
8 valuation of the real property within the boundaries of the tax
9 increment area, which boundaries must be in compliance with
10 subsection 1, and a statement that, based upon the records of the
11 county treasurer, no property taxes were collected on any of that
12 property, or on any interest therein, during the most recent year for
13 which those records are available; and

14 (b) A description of the tax increment area or its location, so that
15 the various tracts of taxable real property and any taxable personal
16 property may be identified and determined to be within or without
17 the tax increment area, except that the description need not describe
18 in complete detail each tract of real property proposed to be
19 included within the tax increment area.

20 3. The governing body may, at any time after the effective date
21 of a cooperative agreement entered into pursuant to this section,
22 adopt a resolution that provisionally orders the undertakings and
23 creation of the tax increment area.

24 4. The notice of the meeting required pursuant to subsection 3
25 of NRS 278C.170 must:

26 (a) Describe by reference the general types of undertakings
27 authorized pursuant to NRS 278C.140 and the undertakings
28 proposed for the tax increment area;

29 (b) Describe the last finalized amount of the assessed valuation
30 of the real property within the boundaries of the tax increment area,
31 and state that, based upon the records of the county treasurer, no
32 property taxes were collected on any of that property, or on any
33 interest therein, during the most recent year for which those records
34 are available;

35 (c) Describe the tax increment area or its location, so that the
36 various tracts of taxable real or personal property may be identified
37 and determined to be within or without the tax increment area; and

38 (d) State the date, time and place of the meeting described in
39 subsection 1 of NRS 278C.170.

40 5. If, after considering all properly submitted and relevant
41 written and oral complaints, protests, objections and other relevant
42 comments and after considering any other relevant material, the
43 governing body determines that the undertaking is in the public
44 interest and defines that public interest, the governing body shall
45 determine whether to proceed with the undertaking. If the governing

1 body has ordered any modification to an undertaking and has
2 determined to proceed, the governing body must consult with the
3 Board of Regents to obtain its consent to the proposed modification.
4 When the Board of Regents and the governing body are in
5 agreement on the modification, if any, and a statement of the
6 modification is filed with the clerk, if the governing body wants to
7 proceed with the undertaking, the governing body shall adopt an
8 ordinance in the same manner as any other ordinance:

9 (a) Overruling all complaints, protests and objections not
10 otherwise acted upon;

11 (b) Ordering the undertaking;

12 (c) Describing the tax increment area to which the undertaking
13 pertains; and

14 (d) Creating a tax increment account for the undertaking.

15 6. Money deposited in the tax increment account as described
16 in subparagraph (2) of paragraph (a) of subsection 1 of NRS
17 278C.250 may be used to pay the capital costs of the undertaking
18 directly, in addition to being used to pay the bond requirements of
19 loans, money advanced or indebtedness incurred to finance or
20 refinance an undertaking, and may continue to be used for those
21 purposes until the expiration of the tax increment area pursuant to
22 NRS 278C.300.

23 7. The Board of Regents may pledge to any securities it issues
24 under a delegation pursuant to subsection 8, or irrevocably dedicate
25 to the city that will issue securities hereunder, any revenues of the
26 Nevada System of Higher Education derived from the campus of the
27 Nevada System of Higher Education whose boundaries are included
28 in whole or in part in the tax increment area, other than revenues
29 from state appropriations and from student fees, and subject to any
30 covenants or restrictions in any instruments authorizing other
31 securities. Such an irrevocable dedication must be for the term of
32 the securities issued by the city and any securities refunding those
33 securities and may also extend for the term of the tax increment
34 area.

35 8. The city may delegate to the Board of Regents the authority
36 to issue any security other than a general obligation security which
37 the city is authorized to issue pursuant to this chapter, and in
38 connection therewith, may irrevocably dedicate to the Board of
39 Regents the revenues that are authorized pursuant to this chapter to
40 be pledged or used to repay those securities, including, without
41 limitation, all money in the tax increment account created pursuant
42 to subsection 5. The irrevocable dedication of any security pursuant
43 to this subsection must be for the term of the security issued by the
44 Nevada System of Higher Education and any security refunding

1 those securities and may also extend for the term of the tax
2 increment area.

3 9. If the boundaries of a [county] school district include a tax
4 increment area created pursuant to this section and the [county]
5 school district operates a public school on property within the
6 boundaries of that tax increment area, the [county] school district
7 and the Nevada System of Higher Education shall consult with one
8 another regarding funding for the operating costs of that public
9 school.

10 **Sec. 97.** NRS 278C.250 is hereby amended to read as follows:
11 278C.250 1. After the effective date of the ordinance adopted
12 pursuant to NRS 278C.220:

13 (a) Any taxes levied upon taxable property in the tax increment
14 area each year by or for the benefit of the State, the municipality and
15 any public body must be divided as follows:

16 (1) That portion of the taxes that would be produced by the
17 rate upon which the tax is levied each year by or for each of those
18 taxing agencies upon the total sum of the assessed value of the
19 taxable property in the tax increment area as shown upon the last
20 equalized assessment roll used in connection with the taxation of the
21 property by the taxing agency, must be allocated to and when
22 collected must be paid into the funds of the respective taxing
23 agencies as taxes by or for the taxing agencies on all other property
24 are paid.

25 (2) Except as otherwise provided in this section, the portion
26 of the taxes levied each year in excess of the amount determined
27 pursuant to subparagraph (1) must be allocated to, and when
28 collected must be paid into, the tax increment account pertaining to
29 the undertaking to pay the bond requirements of loans, money
30 advanced to, or indebtedness, whether funded, refunded, assumed or
31 otherwise, incurred by the municipality to finance or refinance, in
32 whole or in part, the undertaking. Unless the total assessed valuation
33 of the taxable property in the tax increment area exceeds the total
34 assessed value of the taxable property in the area as shown by the
35 last equalized assessment roll referred to in this subsection, all of the
36 taxes levied and collected upon the taxable property in the area must
37 be paid into the funds of the respective taxing agencies. When the
38 loans, advances and indebtedness, if any, and interest thereon, have
39 been paid, all money thereafter received from taxes upon the taxable
40 property in the tax increment area must be paid into the funds of the
41 respective taxing agencies as taxes on all other property are paid.

42 (b) If the undertaking is a natural resources project or a rail
43 project for which the municipality has received approval from the
44 Interim Finance Committee pursuant to NRS 278C.157, any taxes
45 levied upon the sale or use of tangible personal property in the tax

1 increment area each year by or for the benefit of the State, the
2 municipality and any public body must be divided as follows:

3 (1) That portion of the taxes that would be produced by the
4 rate upon which the tax is levied each year by or for each of those
5 taxing agencies upon the total sum of the sales and use of tangible
6 personal property in the tax increment area in the fiscal year
7 immediately preceding the effective date of the ordinance adopted
8 pursuant to NRS 278C.220, must be allocated to and when collected
9 must be paid into the funds of the respective taxing agencies as
10 taxes by or for the taxing agencies on all other sales of tangible
11 personal property are paid.

12 (2) Except as otherwise provided in this section, of the
13 portion of the taxes levied each year in excess of the amount
14 determined pursuant to subparagraph (1), 50 percent of that amount
15 must be allocated to, and when collected must be paid into the tax
16 increment account pertaining to the undertaking to pay the bond
17 requirements of loans, money advanced to, or indebtedness, whether
18 funded, refunded, assumed or otherwise, incurred by the
19 municipality to finance or refinance, in whole or in part, the
20 undertaking. The remaining 50 percent of that amount must be
21 allocated to and when collected must be paid into the funds of the
22 respective taxing agencies as taxes by or for the taxing agencies on
23 all other sales of tangible personal property are paid. Unless the total
24 amount of the taxes imposed on the sale and use of tangible personal
25 property in the tax increment area exceeds the total amount of the
26 taxes imposed on the sale and use of tangible personal property in
27 the tax increment area in the fiscal year immediately preceding the
28 effective date of the ordinance adopted pursuant to NRS 278C.220,
29 all of the taxes levied and collected upon the sale or use of tangible
30 personal property in the tax increment area must be paid into the
31 funds of the respective taxing agencies. When the loans, advances
32 and indebtedness, if any, and interest thereon, have been paid, all
33 money thereafter received from taxes upon the sale or use of
34 tangible personal property in the tax increment area must be paid
35 into the funds of the respective taxing agencies as taxes on all other
36 taxes on the sale or use of tangible personal property are paid.

37 (c) If the undertaking is a natural resources project or a rail
38 project for which the municipality has received approval from the
39 Interim Finance Committee pursuant to NRS 278C.157, any taxes
40 imposed pursuant to NRS 363A.130 or 363B.110 on employers
41 located in the tax increment area must be divided as follows:

42 (1) That portion of the taxes that would be produced by the
43 rate upon which the tax is imposed each year by the Department of
44 Taxation in the fiscal year immediately preceding the effective date
45 of the ordinance adopted pursuant to NRS 278C.220, must be

1 allocated to and when collected must be paid to the Department of
2 Taxation as all other taxes imposed pursuant to NRS 363A.130 and
3 363B.110 are paid.

4 (2) Except as otherwise provided in this section, of the
5 portion of the taxes imposed each year in excess of the amount
6 determined pursuant to subparagraph (1), 50 percent of that amount
7 must be allocated to, and when collected must be paid into, the tax
8 increment account pertaining to the undertaking to pay the bond
9 requirements of loans, money advanced to, or indebtedness, whether
10 funded, refunded, assumed or otherwise, incurred by the
11 municipality to finance or refinance, in whole or in part, the
12 undertaking. The remaining 50 percent of that amount must be
13 allocated to and when collected must be paid to the Department of
14 Taxation as all other taxes imposed pursuant to NRS 363A.130 and
15 363B.110 are paid. Unless the total amount of the taxes imposed
16 pursuant to NRS 363A.130 and 363B.110 on employers located in
17 the tax increment area exceeds the total amount of the taxes imposed
18 on employers located in the tax increment area in the fiscal year
19 immediately preceding the effective date of the ordinance adopted
20 pursuant to NRS 278C.220, all of the taxes imposed on employers
21 located in the tax increment area must be paid to the Department of
22 Taxation. When the loans, advances and indebtedness, if any, and
23 interest thereon, have been paid, all money thereafter received from
24 taxes imposed pursuant to NRS 363A.130 or 363B.110 on
25 employers located in the tax increment area must be paid to the
26 Department of Taxation as all other taxes imposed pursuant to NRS
27 363A.130 and 363B.110 are paid.

28 2. Except as otherwise provided in subsection 2 of NRS
29 360.991, the amount of the taxes levied each year which are paid
30 into the tax increment account pursuant to subparagraph (2) of
31 paragraph (a) of subsection 1, subparagraph (2) of paragraph (b) of
32 subsection 1 and subparagraph (2) of paragraph (c) of subsection 1
33 must be limited by the governing body to an amount not to exceed
34 the combined total amount required for annual debt service of or any
35 outstanding advances of money or unfunded costs associated with
36 the project or projects acquired, improved or equipped, or any
37 combination thereof, as part of the undertaking.

38 3. Any revenues generated within the tax increment area in
39 excess of the amount referenced in subsection 2, if any, will be paid
40 into the funds of the respective taxing agencies in the same
41 proportion as their base amount was distributed.

42 4. Except as otherwise provided in this subsection, in any fiscal
43 year, the total revenue paid to a tax increment area pursuant to
44 subparagraph (2) of paragraph (a) of subsection 1 in combination
45 with the total revenue paid to any other tax increment areas and any

1 redevelopment agencies of a municipality, other than any revenues
2 paid to any other tax increment areas pursuant to subparagraph (2)
3 of paragraph (b) of subsection 1 and subparagraph (2) of paragraph
4 (c) of subsection 1, must not exceed:

5 (a) In a county whose population is 100,000 or more or a city
6 whose population is 150,000 or more, an amount equal to the
7 combined tax rates of the taxing agencies for that fiscal year
8 multiplied by 10 percent of the total assessed valuation of the
9 municipality.

10 (b) In a county whose population is less than 100,000 or a city
11 whose population is less than 150,000, an amount equal to the
12 combined tax rates of the taxing agencies for that fiscal year
13 multiplied by 15 percent of the total assessed valuation of the
14 municipality.

15 ➤ Notwithstanding the provisions of this subsection, if a county has
16 a population of less than 100,000 or if a city has a population of less
17 than 150,000 at the time the municipality issues securities for a tax
18 increment area pursuant to NRS 278C.280, the revenue limitation
19 set forth in paragraph (b) must remain the revenue limitation for the
20 tax increment area until such time as the securities issued for that
21 tax increment area pursuant to NRS 278C.280 have been paid in
22 full, including any securities issued to refund those securities,
23 regardless of whether the population of the municipality reaches or
24 exceeds 100,000 after the issuance of those securities.

25 5. If the revenue paid to a tax increment area must be limited
26 pursuant to paragraph (a) or (b) of subsection 4 and the municipality
27 has more than one redevelopment agency or tax increment area, or
28 one of each, the municipality shall determine the allocation to each
29 agency and area. Any revenue that would be allocated to a tax
30 increment area but for the provisions of this section must be paid
31 into the funds of the respective taxing agencies.

32 6. The portion of the taxes levied each year in excess of the
33 amount determined pursuant to subparagraph (1) of paragraph (a) of
34 subsection 1 which is attributable to any tax rate levied by a taxing
35 agency:

36 (a) To produce revenue in an amount sufficient to make annual
37 repayments of the principal of, and the interest on, any bonded
38 indebtedness that was approved by a majority of the registered
39 voters within the area of the taxing agency voting upon the question,
40 must be allocated to, and when collected must be paid into, the debt
41 service fund of that taxing agency.

42 (b) In excess of any tax rate of that taxing agency applicable to
43 the last taxation of the property before the effective date of the
44 ordinance, if that additional rate was approved by a majority of the
45 registered voters within the area of the taxing agency voting upon

1 the question, must be allocated to, and when collected must be paid
2 into, the appropriate fund of that taxing agency.

3 (c) Pursuant to NRS 387.3285 or 387.3287, if that rate was
4 approved by a majority of the registered voters within the area of the

17 roll" means the assessment roll in existence on the 15th day of

19 **Sec. 98.** NRS 279.676 is hereby amended to read as follows:

20 279.676 1. Any redevelopment plan may contain a provision
21 that taxes, if any, levied upon taxable property in the redevelopment
22 area each year by or for the benefit of the State, any city, county,
23 district or other public corporation, after the effective date of the
24 ordinance approving the redevelopment plan, must be divided as
25 follows:

26 (a) That portion of the taxes which would be produced by the
27 rate upon which the tax is levied each year by or for each of the
28 taxing agencies upon the total sum of the assessed value of
29 the taxable property in the redevelopment area as shown upon the
30 assessment roll used in connection with the taxation of the property
31 by the taxing agency, last equalized before the effective date of the
32 ordinance, must be allocated to and when collected must be paid
33 into the funds of the respective taxing agencies as taxes by or for
34 such taxing agencies on all other property are paid. To allocate taxes
35 levied by or for any taxing agency or agencies which did not include
36 the territory in a redevelopment area on the effective date of the
37 ordinance but to which the territory has been annexed or otherwise
38 included after the effective date, the assessment roll of the county
39 last equalized on the effective date of the ordinance must be used in
40 determining the assessed valuation of the taxable property in the
41 redevelopment area on the effective date. If property which was
42 shown on the assessment roll used to determine the amount of taxes
43 allocated to the taxing agencies is transferred to the State and
44 becomes exempt from taxation, the assessed valuation of the exempt
45 property as shown on the assessment roll last equalized before the

1 date on which the property was transferred to the State must be
2 subtracted from the assessed valuation used to determine the amount
3 of revenue allocated to the taxing agencies.

4 (b) Except as otherwise provided in paragraphs (c), (d) and (e)
5 and NRS 540A.265, that portion of the levied taxes each year in
6 excess of the amount set forth in paragraph (a) must be allocated to
7 and when collected must be paid into a special fund of the
8 redevelopment agency to pay the costs of redevelopment and to pay
9 the principal of and interest on loans, money advanced to, or
10 indebtedness, whether funded, refunded, assumed, or otherwise,
11 incurred by the redevelopment agency to finance or refinance, in
12 whole or in part, redevelopment. Unless the total assessed valuation
13 of the taxable property in a redevelopment area exceeds the total
14 assessed value of the taxable property in the redevelopment area as
15 shown by:

16 (1) The assessment roll last equalized before the effective
17 date of the ordinance approving the redevelopment plan; or

18 (2) The assessment roll last equalized before the effective
19 date of an ordinance adopted pursuant to subsection 5,

20 ↪ whichever occurs later, less the assessed valuation of any exempt
21 property subtracted pursuant to paragraph (a), all of the taxes levied
22 and collected upon the taxable property in the redevelopment area
23 must be paid into the funds of the respective taxing agencies. When
24 the redevelopment plan is terminated pursuant to the provisions of
25 NRS 279.438 and 279.439 and all loans, advances and indebtedness,
26 if any, and interest thereon, have been paid, all money thereafter
27 received from taxes upon the taxable property in the redevelopment
28 area must be paid into the funds of the respective taxing agencies as
29 taxes on all other property are paid.

30 (c) That portion of the taxes in excess of the amount set forth in
31 paragraph (a) that is attributable to a tax rate levied by a taxing
32 agency to produce revenues in an amount sufficient to make annual
33 repayments of the principal of, and the interest on, any bonded
34 indebtedness that was approved by the voters of the taxing agency
35 on or after November 5, 1996, must be allocated to and when
36 collected must be paid into the debt service fund of that taxing
37 agency.

38 (d) That portion of the taxes in excess of the amount set forth in
39 paragraph (a) that is attributable to a new or increased tax rate levied
40 by a taxing agency and was approved by the voters of the taxing
41 agency on or after November 5, 1996, must be allocated to and
42 when collected must be paid into the appropriate fund of the taxing
43 agency.

44 (e) If an agency has adopted a resolution pursuant to subsection
45 8, that portion of the taxes in excess of the amount set forth in

1 paragraph (a) that is attributable to a tax rate levied by a taxing
2 agency:

3 (1) Pursuant to NRS 387.3285 or 387.3287, if that rate was
4 approved by a majority of the registered voters within the area of the
5 taxing agency voting upon the question, must be allocated to, and
6 when collected paid into, the appropriate fund of that taxing agency.

7 (2) For the support of public schools within a [county] school
8 district pursuant to NRS 387.195, must be allocated to, and when
9 collected paid into, the appropriate fund of that taxing agency.

10 2. Except as otherwise provided in subsection 3, in any fiscal
11 year, the total revenue paid to a redevelopment agency must not
12 exceed:

13 (a) In a county whose population is 100,000 or more or a city
14 whose population is 150,000 or more, an amount equal to the
15 combined tax rates of the taxing agencies for that fiscal year
16 multiplied by 10 percent of the total assessed valuation of the
17 municipality.

18 (b) In a county whose population is 30,000 or more but less than
19 100,000 or a city whose population is 25,000 or more but less than
20 150,000, an amount equal to the combined tax rates of the taxing
21 agencies for that fiscal year multiplied by 15 percent of the total
22 assessed valuation of the municipality.

23 (c) In a county whose population is less than 30,000 or a city
24 whose population is less than 25,000, an amount equal to the
25 combined tax rates of the taxing agencies for that fiscal year
26 multiplied by 20 percent of the total assessed valuation of the
27 municipality.

28 ➤ If the revenue paid to a redevelopment agency must be limited
29 pursuant to paragraph (a), (b) or (c) and the redevelopment agency
30 has more than one redevelopment area, the redevelopment agency
31 shall determine the allocation to each area. Any revenue which
32 would be allocated to a redevelopment agency but for the provisions
33 of this section must be paid into the funds of the respective taxing
34 agencies.

35 3. The taxing agencies shall continue to pay to a
36 redevelopment agency any amount which was being paid before
37 July 1, 1987, and in anticipation of which the agency became
38 obligated before July 1, 1987, to repay any bond, loan, money
39 advanced or any other indebtedness, whether funded, refunded,
40 assumed or otherwise incurred.

41 4. For the purposes of this section, the assessment roll last
42 equalized before the effective date of the ordinance approving the
43 redevelopment plan is the assessment roll in existence on March 15
44 immediately preceding the effective date of the ordinance.

1 5. If in any year the assessed value of the taxable property in a
2 redevelopment area located in a city in a county whose population is
3 700,000 or more as shown by the assessment roll most recently
4 equalized has decreased by 10 percent or more from the assessed
5 value of the taxable property in the redevelopment area as shown by
6 the assessment roll last equalized before the effective date of the
7 ordinance approving the redevelopment plan, the redevelopment
8 agency may adopt an ordinance which provides that the total
9 assessed value of the taxable property in the redevelopment area for
10 the purposes of paragraphs (a) and (b) of subsection 1 is the total
11 assessed value of the taxable property in the redevelopment area as
12 shown by the assessment roll last equalized before the effective date
13 of the ordinance adopted pursuant to this subsection. A
14 redevelopment agency may adopt an ordinance pursuant to this
15 subsection only once, and the election to adopt such an ordinance is
16 irrevocable.

17 6. An agency which adopts an ordinance pursuant to subsection
18 5 and which receives revenue pursuant to paragraph (b) of
19 subsection 1 from taxes on the taxable property located in the
20 redevelopment area affected by the ordinance shall set aside 18
21 percent of that revenue received on and after the effective date of
22 the ordinance to:

23 (a) Increase, improve, preserve or enhance public educational
24 facilities;

25 (b) Support public educational activities and programs; or

26 (c) Increase, improve, preserve or enhance public educational
27 facilities and support public educational activities and programs,

28 ➔ which are located in or within 1 mile of the redevelopment area
29 or which serve pupils who reside in or within 1 mile of the
30 redevelopment area. For each fiscal year, the agency shall prepare a
31 written report concerning the amount of money expended for the
32 purposes set forth in this subsection and shall, on or before
33 November 30 of each year, submit a copy of the report to the
34 Director of the Legislative Counsel Bureau for transmittal to the
35 Legislative Commission, if the report is received during an odd-
36 numbered year, or to the next session of the Legislature, if the report
37 is received during an even-numbered year.

38 7. The obligation of an agency pursuant to subsection 6 to set
39 aside 18 percent of the revenue allocated to and received by the
40 agency pursuant to paragraph (b) of subsection 1 from taxes on
41 the taxable property located in the redevelopment area affected by
42 the ordinance adopted by the agency pursuant to subsection 5 is
43 subordinate to any existing obligations of the agency. As used in
44 this subsection, "existing obligations" means the principal and
45 interest, when due, on any bonds, notes or other indebtedness

1 whether funded, refunded, assumed or otherwise incurred by an
2 agency before the effective date of an ordinance adopted by the
3 agency pursuant to subsection 5, to finance or refinance in whole or
4 in part, the redevelopment of a redevelopment area. For the
5 purposes of this subsection, obligations incurred by an agency on or
6 after the effective date of an ordinance adopted by the agency
7 pursuant to subsection 5 shall be deemed existing obligations if the
8 net proceeds are used to refinance existing obligations of the
9 agency.

10 8. An agency may adopt a resolution providing that the portion
11 of the taxes in excess of the amount set forth in paragraph (a) of
12 subsection 1 that is attributable to any tax rate levied by a taxing
13 agency:

14 (a) Pursuant to NRS 387.3285 or 387.3287, if that rate was
15 approved by a majority of the registered voters within the area of the
16 taxing agency voting upon the question, must be allocated to, and
17 when collected paid into, the appropriate fund of that taxing agency.

18 (b) For the support of public schools within a ~~county~~ school
19 district pursuant to NRS 387.195, must be allocated to, and when
20 collected paid into, the appropriate fund of that taxing agency.

21 **Sec. 99.** NRS 280.287 is hereby amended to read as follows:

22 280.287 1. The department may enter into a contract with the
23 board of trustees of ~~the~~ a school district located in the county
24 served by the department for the provision and supervision of police
25 services in the public schools within the school district and any
26 charter school with which the board of trustees has entered into a
27 contract for the provision of school police officers pursuant to NRS
28 388A.384, and on property owned by the school district and, if
29 applicable, on property owned or operated by a charter school. If the
30 department enters into a contract pursuant to this section, the
31 department shall create a separate unit designated as the school
32 police unit for this purpose.

33 2. The department may establish different qualifications and
34 training requirements for officers assigned to the school police unit
35 than those generally applicable to officers of the department.

36 **Sec. 100.** NRS 281.210 is hereby amended to read as follows:

38 unlawful for any person acting as a school trustee, state, township,
39 municipal or county officer, or as an employing authority of the
40 Nevada System of Higher Education, any school district or of the
41 State, any town, city or county, or for any state or local board,
42 agency or commission, elected or appointed, to employ in any
43 capacity on behalf of the State of Nevada, or any county, township,

39 college within the Nevada System of Higher Education.

40 (b) A superintendent of a [county] school district.

41 (c) A county manager or a city manager.

22 350.020 1. A general obligation issued or incurred pursuant
23 to this section must be used only for the stated purpose for which the
24 general obligation was originally issued or incurred and not for any
25 other purpose. Except as otherwise provided by subsections 3 and 4,
26 if a municipality proposes to issue or incur general obligations, the
27 proposal must be submitted to the electors of the municipality at a
28 special election called for that purpose or the next general municipal
29 election or general state election.

30 2. Such a special election may be held:

31 (a) At any time, including, without limitation, on the date of a
32 primary municipal election or a primary state election, if the
33 governing body of the municipality determines, by a unanimous
34 vote, that an emergency exists; or

35 (b) On the second Tuesday after the first Monday in June of an
36 odd-numbered year, whether or not the municipality also holds a
37 general municipal election on that date,

38 ↪ except that the governing body shall not determine that an
39 emergency exists if the special election is for the purpose of
40 submitting to the electors a proposal to refund bonds. The
41 determination made by the governing body is conclusive unless it is
42 shown that the governing body acted with fraud, a gross abuse of
43 discretion or in violation of the provisions of this subsection. An
44 action to challenge the determination made by the governing body
45 must be commenced within 15 days after the governing body's

1 determination is final. As used in this subsection, “emergency”
2 means any occurrence or combination of occurrences which requires
3 immediate action by the governing body of the municipality to
4 prevent or mitigate a substantial financial loss to the municipality or
5 to enable the governing body to provide an essential service to the
6 residents of the municipality.

7 3. If payment of a general obligation of the municipality is
8 additionally secured by a pledge of gross or net revenue of a project
9 to be financed by its issue, and the governing body determines, by
10 an affirmative vote of two-thirds of the members elected to the
11 governing body, that the pledged revenue will at least equal the
12 amount required in each year for the payment of interest and
13 principal, without regard to any option reserved by the municipality
14 for early redemption, the municipality may, after a public hearing,
15 incur this general obligation without an election unless, within 90
16 days after publication of a resolution of intent to issue the bonds, a
17 petition is presented to the governing body signed by not less than 5
18 percent of the registered voters of the municipality. Any member
19 elected to the governing body whose authority to vote is limited by
20 charter, statute or otherwise may vote on the determination required
21 to be made by the governing body pursuant to this subsection. The
22 determination by the governing body becomes conclusive on the last
23 day for filing the petition. For the purpose of this subsection, the
24 number of registered voters must be determined as of the close of
25 registration for the last preceding general election. The resolution of
26 intent need not be published in full, but the publication must include
27 the amount of the obligation, the purpose for which it is to be
28 incurred, the date by which the registered voters of the municipality
29 must file a petition with the governing body to hold an election on
30 the issuance of the obligation, the location at which the petition
31 must be filed with the governing body and the location at which a
32 person may obtain additional information regarding the contents of
33 and filing requirements for the petition. Notice of the public hearing
34 must be published at least three times, once each week for three
35 consecutive weeks, in a newspaper of general circulation in the
36 municipality. The third publication of the notice required by this
37 subsection must be made at least 10 days before the date of the
38 hearing. When published, the notice of the public hearing must be at
39 least as large as 5 inches high by 4 inches wide.

40 4. The board of trustees of a school district may issue general
41 obligation bonds which are not expected to result in an increase in
42 the existing property tax levy for the payment of bonds of the school
43 district without holding an election for each issuance of the bonds if
44 the qualified electors approve a question submitted by the board of
45 trustees that authorizes issuance of bonds for a period of 10 years

1 after the date of approval by the voters. If the question is approved,
2 the board of trustees of the school district may issue the bonds for a
3 period of 10 years after the date of approval by the voters, after
4 obtaining the approval of the debt management commission in the
5 county in which the school district is located and, in a county whose
6 population is 100,000 or more, the approval of the oversight panel
7 for school facilities established pursuant to NRS 393.092 in that
8 county, if the board of trustees of the school district finds that the
9 existing tax for debt service will at least equal the amount required
10 to pay the principal and interest on the outstanding general
11 obligations of the school district and the general obligations
12 proposed to be issued. The finding made by the board of trustees is
13 conclusive in the absence of fraud or gross abuse of discretion. As
14 used in this subsection, "general obligations" does not include
15 medium-term obligations issued pursuant to NRS 350.087 to
16 350.095, inclusive.

17 5. At the time of issuance of bonds authorized pursuant to
18 subsection 4, the board of trustees shall establish a reserve account
19 in its debt service fund for payment of the outstanding bonds of the
20 school district. The reserve account must be established and
21 maintained in an amount at least equal to the lesser of:

22 (a) For a school district located in a county whose population is
23 100,000 or more, 25 percent; and

24 (b) For a school district located in a county whose population is
25 less than 100,000, 50 percent,

26 ↪ of the amount of principal and interest payments due on all of the
27 outstanding bonds of the school district in the next fiscal year or 10
28 percent of the outstanding principal amount of the outstanding
29 bonds of the school district.

30 6. If the amount in the reserve account falls below the amount
31 required by subsection 5:

32 (a) The board of trustees shall not issue additional bonds
33 pursuant to subsection 4 until the reserve account is restored to the
34 level required by subsection 5; and

35 (b) The board of trustees shall apply all of the taxes levied by
36 the school district for payment of bonds of the school district that
37 are not needed for payment of the principal and interest on bonds of
38 the school district in the current fiscal year to restore the reserve
39 account to the level required pursuant to subsection 5.

40 7. A question presented to the voters pursuant to subsection 4
41 may authorize all or a portion of the revenue generated by the debt
42 rate which is in excess of the amount required:

43 (a) For debt service in the current fiscal year;

44 (b) For other purposes related to the bonds by the instrument
45 pursuant to which the bonds were issued; and

1 (c) To maintain the reserve account required pursuant to
2 subsection 5,

3 ➔ to be transferred to the ~~county school district's~~ fund for capital
4 projects *of the school district which issued the bonds* established
5 pursuant to NRS 387.328 and used to pay the cost of capital projects
6 which can lawfully be paid from that fund. Any such transfer must
7 not limit the ability of the school district to issue bonds during the
8 period of voter authorization if the findings and approvals required
9 by subsection 4 are obtained.

10 8. A municipality may issue special or medium-term
11 obligations without an election.

12 **Sec. 106.** NRS 350.524 is hereby amended to read as follows:

13 350.524 "Governing body" means the board of county
14 commissioners, city council, city commission, board of supervisors,

21 providing for the payment to states and territories of a fixed
22 percentage of the money received by the Government of the United
23 States from the forest reserves established therein, must be
24 distributed respectively to the county or counties in which the forest
25 reserves are situated, to be expended for the benefit of the public
26 schools and the public roads of the county or counties in equal

30 for roads must be paid into the county road fund. If there is no
31 county road fund, the proportion for roads must be paid into the
32 county general fund for public road purposes.

33 2. When any forest reserve is in more than one state or county,
34 the distributive share to each must be proportional to its area therein,
35 following as near as may be the figures submitted to the State of
36 Nevada respecting net forest area and county acreage therein by the
37 Forest Service, United States Department of Agriculture.

38 3. The agency which is responsible for completing any audit
39 required for the continuation of the payments must be reimbursed
40 for the cost of the audit from the funds to which the payments were
41 distributed proportionately according to the percentage of the
42 payment which was distributed to each fund.
