

Assembly Bill No. 435—Committee on Revenue

CHAPTER.....

AN ACT relating to taxation; expanding the exemption from the commerce tax for persons who take part in certain events for a purpose related to the conduct of a business; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Existing law imposes an annual commerce tax on each business entity whose gross revenue earned in this State during a fiscal year exceeds \$4,000,000. The tax is imposed at a rate based on the industry in which the business entity is primarily engaged. (Chapter 363C of NRS) Existing law exempts from the commerce tax a person who: (1) takes part in an exhibition held in this State for a purpose related to the conduct of a business; and (2) is not required to obtain a state business license for the exhibition because the operator of the facility where the exhibition is held pays the licensing fee on behalf of that person. (NRS 360.780, 363C.020) This bill expands the exemption from the commerce tax to apply to any person who takes part in an exhibition, trade show, industry or corporate meeting or similar event held in this State, regardless of whether the person is required to obtain a state business license. This bill additionally clarifies that an organizer, manager or sponsor of such an event or an exhibitor at such an event is authorized to claim the exemption.
