Legislative Counsel’s Digest:

Existing law establishes various committees on which Legislators serve throughout the biennium. (Chapter 218E of NRS, NRS 209.4817, 439B.200, 459.0085, 482.367004) Existing law also creates the Advisory Commission on the Administration of Justice and the Subcommittee on Criminal Justice Information Sharing. (NRS 176.0123, 176.01248) This bill repeals several of those committees, the Advisory Commission and its subcommittee and creates Joint Interim Standing Committees that parallel the standing committees established by the Legislature during its regular biennial sessions. **Section 6** of this bill creates the following Joint Interim Standing Committees: (1) Commerce and Labor; (2) Education; (3) Government Affairs; (4) Growth and Infrastructure; (5) Health and Human Services; (6) Judiciary; (7) Legislative Operations and Elections; (8) Natural Resources; and (9) Revenue. **Section 6** also prescribes the manner of appointing the regular members and the alternate members to the Joint Interim Standing Committees after the adjournment of each regular session of the Legislature. **Section 7** of this bill provides for meetings of the Committees and the compensation of the members. **Section 6** requires the Legislative Commission to select a Chair and Vice Chair of each Committee. **Section 8** of this bill authorizes the Committees to review matters within the jurisdictions of their corresponding standing committees from the preceding regular session of the Legislature and to conduct studies directed by the Legislature and the Legislative Commission, and requires the Committees to report to each regular session of the Legislature. **Section 8** also: (1) requires the Joint Interim Standing Committee on Health and

Human Services, either as part of its regular work or through appointment of a subcommittee, to evaluate and review issues relating to child welfare; (2) requires the Joint Interim Standing Committee on the Judiciary, either as part of its regular work or through appointment of a subcommittee, to evaluate and review issues relating to juvenile justice; and (3) authorizes the Joint Interim Standing Committee on Legislative Operations and Elections to evaluate and review issues relating to governmental purchasing. **Section 9** of this bill makes the sections of existing law governing the supplemental powers of interim committees applicable to the Joint Interim Standing Committees. (NRS 218E.110) **Section 47** of this bill transfers the responsibilities of the Legislative Committee on Health Care to the Joint Interim Standing Committee on Health and Human Services. (NRS 439B.227) **Section 50** of this bill revises the designated members of this State to serve on the cooperating committee established by the Multistate Highway Transportation Agreement to include the Chair and Vice Chair of the Joint Interim Standing Committee on Growth and Infrastructure. (NRS 481A.020) **Section 51** of this bill modifies the composition of the Commission on Special License Plates to include the members of the Joint Interim Standing Committee on Growth and Infrastructure, with the three nonvoting members remaining on the Commission. (NRS 482.367004)

Existing law establishes the Legislative Committee on Public Lands and prescribes the membership, duties and powers of the Committee. (NRS 218E.500-218E.525) **Section 13.5** of this bill replaces the Committee with the Subcommittee on Public Lands of the Joint Interim Standing Committee on Natural Resources, consisting of members appointed by the Chair of the Joint Interim Standing Committee. **Sections 13-15** of this bill transfer the existing powers and duties of the Legislative Committee on Public Lands to the Subcommittee on Public Lands. **Section 51.5** of this bill makes conforming changes to Assembly Bill No. 95 of this session.

Existing law authorizes various statutory, interim and other committees to request the drafting of a certain number of legislative measures for a regular session. (NRS 218D.160) **Section 4** of this bill authorizes a Joint Interim Standing Committee, other than the Joint Interim Standing Committee on Health and Human Services, the Joint Interim Standing Committee on the Judiciary and the Joint Interim Standing Committee on Natural Resources, to request the drafting of not more than 10 legislative measures. **Section 4** also authorizes: (1) the Joint Interim Standing Committee on Health and Human Services to request the drafting of not more than 15 legislative measures, at least 5 of which must relate to matters relating to child welfare; (2) the Joint Interim Standing Committee on the Judiciary to request the drafting of not more than 15 legislative measures, at least 5 of which must relate to matters relating to juvenile justice; and (3) the Joint Interim Standing Committee on Natural Resources to request the drafting of not more than 14 legislative measures, at least 4 of which must relate to matters relating to public lands based on the recommendations of the Subcommittee on Public Lands. Finally, **section 4** reduces the number of legislative measures that the Legislative Committee on Senior Citizens, Veterans and Adults with Special Needs is authorized to request from 10 measures to 6 measures.

Existing law: (1) prescribes the membership of the Commission to Study Governmental Purchasing; (2) requires the Commission to meet not less than quarterly to study practices in governmental purchasing and laws relating thereto; and (3) requires the Commission to make recommendations to the Legislature with respect to those laws. (NRS 332.215) **Section 31.5** of this bill requires the Commission to submit a biennial report to the Joint Interim Standing Committee on Legislative Operations and Elections that includes any recommendations of the Commission for legislation relating to governmental purchasing.

Section 55 of this bill repeals the Advisory Commission on the Administration of Justice, the Subcommittee on Criminal Justice Information Sharing of the Advisory Commission, the Committee on Industrial Programs, the Legislative Commission's standing committee to consult with the Director of the Legislative Counsel Bureau, the Legislative Committee on Education, the Legislative Committee on Child Welfare and Juvenile Justice, the Legislative Committee on Energy, the Legislative Committee on Health Care and the Committee on High-Level Radioactive Waste.

3. Experience with federal regulations relating to public lands has demonstrated that the State of Nevada and its citizens are subjected to regulations which sometimes are unreasonable, arbitrary, beyond the intent of the Congress or the scope of the authority of the agency adopting them and that as a result these regulations should be subjected to legislative review and comment, and judicially tested where appropriate, to protect the rights and interests of the State and its citizens.

4. Other western states where public lands comprise a large proportion of the total area have shown an interest in matters relating to public lands and those states, along with Nevada, have been actively participating in cooperative efforts to acquire, evaluate and share information and promote greater understanding of the issues. 2. Except as otherwise provided in subsection 5, as part of the proposed executive budget, the Governor shall, to the extent practicable, include recommendations for:

(a) The statewide base per pupil funding amount, which must be equal to the statewide base per pupil funding amount for the immediately preceding biennium increased by an amount not less than the combined rate of inflation and the growth of enrollment in the public schools in this State unless the amount of money contained in the State Education Fund, excluding the Education Stabilization Account or any account created pursuant to subsection 5 of NRS 387.1212, decreases from the immediately preceding biennium, in which event the Governor must recommend a proportional reduction to both the statewide base per pupil funding amount and the multiplier for each category of pupils pursuant to paragraph (b); and

(b) The multiplier for each category of pupils, which must not be less than the multiplier for the immediately preceding biennium unless:

(1) The amount of money contained in the State Education Fund, excluding the Education Stabilization Account or any account created pursuant to subsection 5 of NRS 387.1212, decreases from the immediately preceding biennium, in which event the Governor must recommend a proportional reduction to both the statewide base per pupil funding amount pursuant to paragraph (a) and the multiplier for each category of pupils; or

recommendation or any portion of a recommendation that the Governor includes in the proposed executive budget.

4. As part of the proposed executive budget, the Governor may recommend to the Legislature a revision to any appropriation made by law pursuant to NRS 387.1214, including, without limitation, the statewide base per pupil funding amount, the adjusted base per pupil funding for any school district, the multiplier for weighted funding for any category of pupils or the creation or elimination of a category of pupils to receive additional weighted funding.
