EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to cybersecurity; creating the Nevada Office of Cyber Defense Coordination within the Department of Public Safety; providing for the powers and duties of the Office; requiring the Nevada Commission on Homeland Security to consider a certain report of the Office when performing certain duties; providing for the confidentiality of certain information regarding cybersecurity; requiring certain state agencies to comply with the provisions of certain regulations adopted by the Office; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 This bill creates the Nevada Office of Cyber Defense Coordination within the
2 Department of Public Safety, to be headed by an Administrator, who is appointed
3 by the Director of the Department and is ex officio a nonvoting member of the
4 Nevada Commission on Homeland Security. Under **section 10** of this bill, the
5 Office must: (1) periodically review the information systems of state agencies; (2)
6 identify risks to the security of those systems; and (3) develop strategies, standards
7 and guidelines for preparing for and mitigating risks to, and otherwise protecting,
8 the security of those systems. The Office must also: (1) coordinate performance
9 audits and assessments of state agencies; and (2) coordinate statewide programs for
10 awareness and training regarding risks to the security of information systems of
11 state agencies.

12 Under **section 11** of this bill, the Office must establish partnerships with local
13 governments, agencies of the Federal Government, the Nevada System of Higher
14 Education and private entities that have expertise in cybersecurity or information

15 systems, must consult with the Division of Emergency Management of the
16 Department of Public Safety and the Division of Enterprise Information
17 Technology Services of the Department of Administration regarding strategies to
18 prepare for and mitigate risks to, and otherwise protect, the security of information
19 systems and must coordinate with the Investigation Division of the Department of
20 Public Safety regarding gathering intelligence on and initiating investigations of
21 cyber threats and incidents.

22 **Section 12** of this bill requires the Office to establish policies and procedures
23 for notifications to and by the Office of specific threats to information systems.

24 **Section 12** also requires the Administrator of the Office to appoint a cybersecurity
25 incident response team or teams and requires the Office to establish policies and
26 procedures for the Administrator to convene such a team in the event of a specific
27 threat to the security of an information system.

28 **Section 13** of this bill requires the Office to prepare and make publicly
29 available a statewide strategic plan that outlines policies, procedures, best practices
30 and recommendations for preparing for and mitigating risks to, and otherwise
31 protecting, the security of information systems in this State. Under **section 22** of
32 this bill, the first such plan must be prepared and made available not later than
33 January 1, 2018, and under **section 13**, the plan must be updated every 5 years.
34 Under **section 21** of this bill, the Nevada Commission on Homeland Security must
35 consider the most recent plan when performing certain duties.

36 **Section 14** of this bill requires the Office to prepare an annual report on the
37 activities of the Office.

38 **Section 15** of this bill provides that certain information of any state agency,
39 including the Office, which identifies the detection of, the investigation of or a
40 response to a suspected or confirmed threat to or attack on the security of an
41 information system is not a public record and may be disclosed only under certain
42 circumstances.

43 **Section 16** of this bill authorizes the Office to adopt any regulations necessary
44 to carry out the provisions of this bill.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 480 of NRS is hereby amended by adding
2 thereto the provisions set forth as sections 2 to 16, inclusive, of this
3 act.

4 **Sec. 2.** *The Legislature hereby finds and declares that:*

5 *1. The protection and security of information systems, and*
6 *the coordination of efforts to promote the protection and security*
7 *of information systems, are essential to protecting the health,*
8 *safety and welfare of the people of this State.*

9 *2. The continued development of technologies relating to*
10 *information systems and the expanding and diverse applications of*
11 *those technologies pose significant implications for the*
12 *functioning of any infrastructure in this State that is critical to the*
13 *health, safety and welfare of the people of this State, particularly*
14 *in the areas of transportation, health care, energy, education, law*
15 *enforcement and commercial enterprises.*

1 3. *Information systems and the application of information*
2 *systems relating to the operation of State Government and local*
3 *governments make up a statewide cyberinfrastructure that is*
4 *integral to the delivery of essential services to the people of this*
5 *State and the essential functions of government that ensure the*
6 *protection of the health, safety and welfare of the people of this*
7 *State.*

8 4. *Protecting and securing the statewide cyberinfrastructure*
9 *requires the identification of the areas in which information*
10 *systems may be vulnerable to attack, unauthorized use or misuse*
11 *or other dangerous, harmful or destructive acts.*

12 5. *Protecting and securing the statewide cyberinfrastructure*
13 *requires an ability to identify and eliminate threats to information*
14 *systems in both the public and private sectors.*

15 6. *Protecting and securing the statewide cyberinfrastructure*
16 *requires a strategic statewide plan for responding to incidents in*
17 *which information systems are compromised, breached or*
18 *damaged, including, without limitation, actions taken to:*

19 (a) *Minimize the harmful impacts of such incidents on the*
20 *health, safety and welfare of the people of this State;*

21 (b) *Minimize the disruptive effects of such incidents on the*
22 *delivery of essential services to the people of this State and on*
23 *the essential functions of government that ensure the protection of*
24 *the health, safety and welfare of the people of this State; and*

25 (c) *Ensure the uninterrupted and continuous delivery of*
26 *essential services to the people of this State and the uninterrupted*
27 *and continuous operations of the essential functions of*
28 *government that ensure the protection of the health, safety and*
29 *welfare of the people of this State.*

30 7. *Protecting and securing the statewide cyberinfrastructure*
31 *depends on collaboration and cooperation, including the sharing*
32 *of information and analysis regarding cybersecurity threats,*
33 *among local, state and federal agencies and across a broad*
34 *spectrum of the public and private sectors.*

35 8. *Institutions of higher education play a critical role in*
36 *protecting and securing statewide cyberinfrastructure by*
37 *developing programs that support a skilled workforce, promote*
38 *innovation and contribute to a more secure statewide*
39 *cyberinfrastructure.*

40 9. *It is therefore in the public interest that the Legislature*
41 *enact provisions to enable the State to prepare for and mitigate*
42 *risks to, and otherwise protect, information systems and statewide*
43 *cyberinfrastructure.*

44 **Sec. 3.** *As used in sections 2 to 16, inclusive, of this act,*
45 *unless the context otherwise requires, the words and terms defined*

1 *in sections 4 to 8, inclusive, of this act have the meanings ascribed*
2 *to them in those sections.*

3 **Sec. 4.** *“Administrator” means the Administrator of the*
4 *Office of Cyber Defense Coordination appointed pursuant to*
5 *section 9 of this act.*

6 **Sec. 5.** *“Information system” means any computer*
7 *equipment, computer software, procedures or technology used to*
8 *communicate, collect, process, distribute or store information.*

9 **Sec. 6.** *“Office” means the Nevada Office of Cyber Defense*
10 *Coordination of the Department of Public Safety.*

11 **Sec. 7.** *“Security of an information system” includes, without*
12 *limitation, the security of:*

- 13 1. *The physical infrastructure of an information system; and*
- 14 2. *Information, including, without limitation, personal*
15 *information, that is stored on, transmitted to, from or through, or*
16 *generated by an information system.*

17 **Sec. 8.** *“State agency” means every public agency, bureau,*
18 *board, commission, department or division of the Executive*
19 *Branch of State Government.*

20 **Sec. 9.** *The Nevada Office of Cyber Defense Coordination is*
21 *hereby created and is composed of:*

- 22 1. *The Administrator of the Office, who is appointed by the*
23 *Director; and*
- 24 2. *Within the limits of legislative appropriations, a number of*
25 *employees which the Director determines to be sufficient to carry*
26 *out the duties of the Office.*

27 **Sec. 10.** 1. *The Office shall:*

28 (a) *Periodically review the information systems that are*
29 *operated or maintained by state agencies.*

30 (b) *Identify risks to the security of information systems that are*
31 *operated or maintained by state agencies.*

32 (c) *Develop and update, as necessary, strategies, standards and*
33 *guidelines for preparing for and mitigating risks to, and otherwise*
34 *protecting, the security of information systems that are operated or*
35 *maintained by state agencies.*

36 (d) *Coordinate performance audits and assessments of the*
37 *information systems of state agencies to determine, without*
38 *limitation, adherence to the regulations, standards, practices,*
39 *policies and conventions of the Division of Enterprise Information*
40 *Technology Services of the Department of Administration that are*
41 *identified by the Division as security-related.*

42 (e) *Coordinate statewide programs for awareness and training*
43 *regarding risks to the security of information systems that are*
44 *operated or maintained by state agencies.*

1 2. Upon review of an information system that is operated or
2 maintained by a state agency, the Office may make
3 recommendations to the state agency and the Division of
4 Enterprise Information Technology Services regarding the
5 security of the information system.

6 **Sec. 11. The Office shall:**

7 1. Establish partnerships with:

8 (a) Local governments;

9 (b) The Nevada System of Higher Education; and

10 (c) Private entities that have expertise in cyber security or
11 information systems,

12 ↳ to encourage the development of strategies to prepare for and
13 mitigate risks to, and otherwise protect, the security of information
14 systems that are operated or maintained by a public or private
15 entity in this State.

16 2. Establish partnerships to assist and receive assistance from
17 local governments and appropriate agencies of the Federal
18 Government regarding the development of strategies to prepare for
19 and mitigate risks to, and otherwise protect, the security of
20 information systems.

21 3. Consult with the Division of Emergency Management of
22 the Department and the Division of Enterprise Information
23 Technology Services of the Department of Administration
24 regarding the development of strategies to prepare for and
25 mitigate risks to, and otherwise protect, the security of information
26 systems.

27 4. Coordinate with the Investigation Division of the
28 Department regarding gathering intelligence on and initiating
29 investigations of cyber threats and incidents.

30 **Sec. 12. 1. The Office shall establish policies and**
31 **procedures for:**

32 (a) A state agency to notify the Office of any specific threat to
33 the security of an information system operated or maintained by
34 the state agency;

35 (b) Any other public or private entity to notify the Office of any
36 specific threat to the security of an information system;

37 (c) The Office to notify state agencies, appropriate law
38 enforcement and prosecuting authorities and any other
39 appropriate public or private entity of any specific threat to the
40 security of an information system of which the Office has been
41 notified; and

42 (d) The Administrator to convene a cybersecurity incident
43 response team appointed pursuant to subsection 2 upon
44 notification of the Office of a specific threat to the security of an
45 information system.

1 2. *In consultation with appropriate state agencies, local*
2 *governments and agencies of the Federal Government, the*
3 *Administrator shall appoint a cybersecurity incident response*
4 *team or teams.*

5 3. *A cybersecurity incident response team appointed pursuant*
6 *to subsection 2 shall convene at the call of the Administrator and,*
7 *subject to the direction of the Administrator, shall assist the Office*
8 *and any appropriate state agencies, local governments or agencies*
9 *of the Federal Government in responding to the threat to the*
10 *security of an information system.*

11 **Sec. 13.** *1. The Office shall prepare and make publicly*
12 *available a statewide strategic plan that outlines policies,*
13 *procedures, best practices and recommendations for preparing for*
14 *and mitigating risks to, and otherwise protecting, the security of*
15 *information systems in this State and for recovering from and*
16 *otherwise responding to threats to or attacks on the security of*
17 *information systems in this State.*

18 2. *The statewide strategic plan must include, without*
19 *limitation, policies, procedures, best practices and*
20 *recommendations for:*

21 (a) *Identifying, preventing and responding to threats to and*
22 *attacks on the security of information systems in this State;*

23 (b) *Ensuring the safety of, and the continued delivery of*
24 *essential services to, the people of this State in the event of a threat*
25 *to or attack on the security of an information system in this State;*

26 (c) *Protecting the confidentiality of personal information that*
27 *is stored on, transmitted to, from or through, or generated by an*
28 *information system in this State;*

29 (d) *Investing in technologies, infrastructure and personnel for*
30 *protecting the security of information systems; and*

31 (e) *Enhancing the sharing of information and any other*
32 *collaboration among state agencies, local governments, agencies*
33 *of the Federal Government and appropriate private entities*
34 *regarding protecting the security of information systems.*

35 3. *The statewide strategic plan must be updated at least every*
36 *5 years.*

37 **Sec. 14.** *1. The Office shall annually prepare a report that*
38 *includes, without limitation:*

39 (a) *A summary of the progress made by the Office during the*
40 *previous year in executing, administering and enforcing the*
41 *provisions of sections 2 to 16, inclusive, of this act and performing*
42 *such duties and exercising such powers as are conferred upon it*
43 *pursuant to sections 2 to 16, inclusive, of this act and any other*
44 *specific statute;*

1 (b) *A description of any threat during the previous year to the*
2 *security of an information system that prompted the Administrator*
3 *to convene a cybersecurity incident response team pursuant to*
4 *section 12 of this act, and a summary of the response to the threat;*

5 (c) *A summary of the goals and objectives of the Office for the*
6 *upcoming year;*

7 (d) *A summary of any issues presenting challenges to the*
8 *Office; and*

9 (e) *Any other information that the Administrator determines is*
10 *appropriate to include in the report.*

11 2. *The report required pursuant to subsection 1 must be*
12 *submitted not later than January 1 of each year to the Governor,*
13 *to the Information Technology Advisory Board created by NRS*
14 *242.122 and to the Director of Legislative Counsel Bureau.*

15 **Sec. 15.** *Any record of a state agency, including the Office,*
16 *which identifies the detection of, the investigation of or a response*
17 *to a suspected or confirmed threat to or attack on the security of*
18 *an information system is not a public record and may be disclosed*
19 *only to another state agency and appropriate law enforcement or*
20 *prosecuting authorities and only for the purposes of preparing for*
21 *and mitigating risks to, and otherwise protecting, the security of*
22 *information systems or as part of a criminal investigation.*

23 **Sec. 16.** 1. *The Office may adopt any regulations necessary*
24 *to carry out the provisions of sections 2 to 16, inclusive, of this act.*

25 2. *Every state agency shall, to the extent practicable, comply*
26 *with the provisions of any regulations adopted by the Office*
27 *pursuant to sections 2 to 16, inclusive, of this act.*

28 **Sec. 17.** NRS 480.130 is hereby amended to read as follows:

29 of chapter 478, Statutes of Nevada 2011 and section 2 of chapter
30 391, Statutes of Nevada 2013 and unless otherwise declared by law
31 to be confidential, all public books and public records of a
32 governmental entity must be open at all times during office hours to
33 inspection by any person, and may be fully copied or an abstract or
34 memorandum may be prepared from those public books and public
35 records. Any such copies, abstracts or memoranda may be used to
36 supply the general public with copies, abstracts or memoranda of the
37 records or may be used in any other way to the advantage of the
38 governmental entity or of the general public. This section does not
39 supersede or in any manner affect the federal laws governing
40 copyrights or enlarge, diminish or affect in any other manner the
41 rights of a person in any written book or record which is
42 copyrighted pursuant to federal law.

43 2. A governmental entity may not reject a book or record
44 which is copyrighted solely because it is copyrighted.

1 3. A governmental entity that has legal custody or control of a
2 public book or record shall not deny a request made pursuant to
3 subsection 1 to inspect or copy or receive a copy of a public book or
4 record on the basis that the requested public book or record contains
5 information that is confidential if the governmental entity can
6 redact, delete, conceal or separate the confidential information from
7 the information included in the public book or record that is not
8 otherwise confidential.

9 4. A person may request a copy of a public record in any
10 medium in which the public record is readily available. An officer,
11 employee or agent of a governmental entity who has legal custody
12 or control of a public record:

13 (a) Shall not refuse to provide a copy of that public record in a
14 readily available medium because the officer, employee or agent has
15 already prepared or would prefer to provide the copy in a different
16 medium.

17 (b) Except as otherwise provided in NRS 239.030, shall, upon
18 request, prepare the copy of the public record and shall not require
19 the person who has requested the copy to prepare the copy himself
20 or herself.

21 **Sec. 20.** NRS 239C.120 is hereby amended to read as follows:

22 239C.120 1. The Nevada Commission on Homeland Security
23 is hereby created.

24 2. The Governor shall appoint to the Commission 16 voting
25 members that the Governor determines to be appropriate and who
26 serve at the Governor's pleasure, which must include at least:

27 (a) The sheriff of each county whose population is 100,000 or
28 more.

29 (b) The chief of the county fire department in each county
30 whose population is 100,000 or more.

31 (c) A member of the medical community in a county whose
32 population is 700,000 or more.

33 (d) An employee of the largest incorporated city in each county
34 whose population is 700,000 or more.

35 (e) A representative of the broadcaster community. As used in
36 this paragraph, "broadcaster" has the meaning ascribed to it in
37 NRS 432.310.

38 (f) A representative recommended by the Inter-Tribal Council of
39 Nevada, Inc., or its successor organization, to represent tribal
40 governments in Nevada.

41 3. The Governor shall appoint:

42 (a) An officer of the United States Department of Homeland
43 Security whom the Department of Homeland Security has
44 designated for this State;

1 (b) The agent in charge of the office of the Federal Bureau of
2 Investigation in this State; ~~and~~

3 (c) The Chief of the Division ~~H~~; and

4 *(d) The Administrator of the Nevada Office of Cyber Defense*
5 *Coordination appointed pursuant to section 9 of this act,*

6 *as nonvoting members of the Commission.*

7 4. The Senate Majority Leader shall appoint one member of the
8 Senate as a nonvoting member of the Commission.

9 5. The Speaker of the Assembly shall appoint one member of
10 the Assembly as a nonvoting member of the Commission.

11 6. The term of office of each member of the Commission who
12 is a Legislator is 2 years.

13 7. The Governor or his or her designee shall:

14 (a) Serve as Chair of the Commission; and

15 (b) Appoint a member of the Commission to serve as Vice Chair
16 of the Commission.

17 **Sec. 21.** NRS 239C.160 is hereby amended to read as follows:

18 239C.160 The Commission shall, within the limits of available
19 money:

20 1. Make recommendations to the Governor, the Legislature,
21 agencies of this State, political subdivisions, tribal governments,
22 businesses located within this State and private persons who reside
23 in this State with respect to actions and measures that may be taken
24 to protect residents of this State and visitors to this State from
25 potential acts of terrorism and related emergencies.

26 2. ~~Make~~ *Upon consideration of the most recent statewide*
27 *strategic plan prepared by the Nevada Office of Cyber Defense*
28 *Coordination pursuant to section 13 of this act, make*
29 recommendations to the Governor, through the Division, on the use
30 of money received by the State from any homeland security grant or
31 related program, including, without limitation, the State Homeland
32 Security Grant Program and Urban Area Security Initiative, in
33 accordance with the following:

34 (a) The Division shall provide the Commission with program
35 guidance and briefings;

36 (b) The Commission must be provided briefings on existing and
37 proposed projects, and shall consider statewide readiness
38 capabilities and priorities for the use of money, administered by the
39 Division, from any homeland security grant or related program;

40 (c) The Commission shall serve as the public body which
41 reviews and makes recommendations for the State's applications to
42 the Federal Government for homeland security grants or related
43 programs, as administered by the Division; and

44 (d) The Commission shall serve as the public body which
45 recommends, subject to approval by the Governor, the distribution

1 of money from any homeland security grant or related program for
2 use by state, local and tribal government agencies and private sector
3 organizations.

4 3. Propose goals and programs that may be set and carried out,
5 respectively, to counteract or prevent potential acts of terrorism and
6 related emergencies before such acts of terrorism and related
7 emergencies can harm or otherwise threaten residents of this State
8 and visitors to this State.

9 4. With respect to buildings, facilities, geographic features and
10 infrastructure that must be protected from acts of terrorism and
11 related emergencies to ensure the safety of the residents of this State
12 and visitors to this State, including, without limitation, airports other
13 than international airports, the Capitol Complex, dams, gaming
14 establishments, governmental buildings, highways, hotels,
15 information technology infrastructure, lakes, places of worship,
16 power lines, public buildings, public utilities, reservoirs, rivers and
17 their tributaries, and water facilities:

18 (a) Identify and categorize such buildings, facilities, geographic
19 features and infrastructure according to their susceptibility to and
20 need for protection from acts of terrorism and related emergencies;
21 and

22 (b) Study and assess the security of such buildings, facilities,
23 geographic features and infrastructure from acts of terrorism and
24 related emergencies.

25 5. Examine the use, deployment and coordination of response
26 agencies within this State to ensure that those agencies are
27 adequately prepared to protect residents of this State and visitors to
28 this State from acts of terrorism and related emergencies.

29 6. Assess, examine and review the use of information systems
30 and systems of communication used by response agencies within
31 this State to determine the degree to which such systems are
32 compatible and interoperable. After conducting the assessment,
33 examination and review, the Commission shall:

34 (a) Establish a state plan setting forth criteria and standards for
35 the compatibility and interoperability of those systems when used by
36 response agencies within this State; and

37 (b) Advise and make recommendations to the Governor relative
38 to the compatibility and interoperability of those systems when used
39 by response agencies within this State, with particular emphasis
40 upon the compatibility and interoperability of public safety radio
41 systems.

42 7. Assess, examine and review the operation and efficacy of
43 telephone systems and related systems used to provide emergency
44 911 service.

1 8. To the extent practicable, cooperate and coordinate with the
2 Division to avoid duplication of effort in developing policies and
3 programs for preventing and responding to acts of terrorism and
4 related emergencies.

5 9. Submit an annual briefing to the Governor assessing the
6 preparedness of the State to counteract, prevent and respond to
7 potential acts of terrorism and related emergencies, including, but
8 not limited to, an assessment of response plans and vulnerability
9 assessments of utilities, public entities and private business in this
10 State. The briefing must be based on information and documents
11 reasonably available to the Commission and must be compiled with
12 the advice of the Division after all utilities, public entities and
13 private businesses assessed have a reasonable opportunity to review
14 and comment on the Commission's findings.

15 10. Perform any other acts related to their duties set forth in
16 subsections 1 to 9, inclusive, that the Commission determines are
17 necessary to protect or enhance:

18 (a) The safety and security of the State of Nevada;

19 (b) The safety of residents of the State of Nevada; and

20 (c) The safety of visitors to the State of Nevada.

21 **Sec. 22.** The Nevada Office of Cyber Defense Coordination
22 shall prepare and make available to the public the statewide strategic
23 plan required pursuant to section 13 of this act not later than
24 January 1, 2018.

25 **Sec. 23.** The provisions of subsection 1 of NRS 218D.380 do
26 not apply to any provision of this act which adds or revises a
27 requirement to submit a report to the Legislature.

28 **Sec. 24.** This act becomes effective on July 1, 2017.
