Under existing law, money collected by the Real Estate Division of the Department of Business and Industry must be deposited in the State General Fund and any money required for the administration of the Division must be legislatively appropriated from the State General Fund in the same manner as all other legislative appropriations. (NRS 116A.220, 119.118, 645.140, 645C.240, 645D.140, 645H.350) **Section 1** of this bill creates an Account for Real Estate Administration in the State General Fund to pay for administrative expenses of the Division. Sections 1, 5-7, 10 and 12 of this bill provide that all money collected by the Division must be credited to the Account for Real Estate Administration and used to pay for administrative expenses of the Division. Sections 1, 5-7, 10 and 12 also create a reserve within the Account equal to 3 months of budgeted expenditures for the next fiscal year and provide that any surplus in the Account not needed to maintain the reserve must be deposited in the State General Fund. Section 10 provides that a certain portion of the money collected by the Commission for Common-Interest Communities and Condominium Hotels must also be credited to the Account for Real Estate Administration and used to pay for administrative expenses of the Division.

Section 4 of this bill reduces the fee for issuance or renewal of a license as a broker, broker-salesperson, salesperson or branch office and the penalty for the late filing of a renewal for such licenses. **Section 4** also increases the fee for reinstatement of a real estate broker license when the licensee fails to give written notice of a change of name or business location and reinstatement of a broker-salesperson or salesperson license when the licensee fails to notify the Division of a change of broker within 30 days after termination by the previous broker.
