

CHAPTER.....

AN ACT relating to off-highway vehicles; abolishing the Revolving Account for the Assistance of the Department; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

With certain exceptions, existing law requires a person who acquires ownership of an off-highway vehicle to apply to the Department of Motor Vehicles for the titling and annual registration of the vehicle. (NRS 490.082) Fees paid for the titling and registration of an off-highway vehicle are required to be deposited into the Revolving Account for the Administration of Off-Highway Vehicle Titling and Registration for use by the Department to administer provisions of law relating to the titling and registration of off-highway vehicles. (NRS 490.085) Existing law also creates the Revolving Account for the Assistance of the Department and requires that all money received by the Department of Motor Vehicles from the Federal Government or any other source to assist the Department in carrying out the provisions of law relating to the titling and registration of off-highway vehicles be deposited into the Account. (NRS 490.086) This bill: (1) abolishes the Revolving Account for the Assistance of the Department; and (2) requires the State Controller to transfer any unexpended balance in the Account to the Account for Off-Highway Vehicles. Money in the Account for Off-Highway Vehicles, which is administered by the Director of the State Department of Conservation and Natural Resources, is required under existing law to be used to pay for: (1) the operating expenses of the Commission on Off-Highway Vehicles; and (2) grants for projects relating to off-highway vehicles. (NRS 490.069)
