Assembly Bill No. 488–Committee on Legislative Operations and Elections

CHAPTER.....

AN ACT relating to reports; revising provisions governing the submission of certain reports to the Legislature; revising provisions governing the submission of certain reports to the Director of the Legislative Counsel Bureau; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires various reports to be submitted to the Legislature. (NRS 217.460, 360.215, 426.729, 439A.083, 574.030, 701.215) **Sections 1-5 and 7** of this bill eliminate requirements to submit certain reports to the Legislature.

Existing law requires the Director of the Office of Energy to prepare a report concerning the status of energy in this State to be submitted to the Governor and the Director of the Legislative Counsel Bureau for transmittal to the Legislature. (NRS 701.160) Existing law further requires the Director of the Office of Energy to submit an annual report to the Legislative Commission and the Governor containing certain information. (NRS 701.380) Section 8 of this bill eliminates the requirement to submit the annual report to the Legislative Commission and the Governor. Section 6, however, requires the information in the annual report to be included in the Director's report concerning the status of energy in this State to be submitted to the Governor and the Director of the Legislative Counsel Bureau.

The Nye County Sales and Use Tax Act of 2007 requires certain governing bodies to submit periodic reports to the Director of the Legislative Counsel Bureau. **Section 9** of this bill instead requires that such reports be submitted to the Department of Taxation.
