

CHAPTER.....

AN ACT relating to local financial administration; revising temporarily provisions governing the use by a local government of money in an enterprise fund; requiring the Committee on Local Government Finance to adopt certain regulations; providing a penalty; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law restricts the use by a local government of money in an enterprise fund, money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund under certain circumstances. (NRS 354.613) **Section 1** of this bill authorizes temporarily the governing body of a local government to loan or transfer such money if the ending fund balance of the general fund of the local government at the end of a fiscal year is less than 9 percent of the total expenditures of the local government from the general fund during that fiscal year. Any such loan or transfer requires the prior approval of the Committee on Local Government Finance. Any money loaned or transferred by the governing body pursuant to **section 1** must be used only, in order of priority: (1) to restore police and fire services; (2) to restore the operation of libraries, parks and other recreational services; and (3) to settle any legal claim outstanding on the date on which the loan or transfer is made. **Section 1** requires the governing body of a local government that loans or transfers money pursuant to that section to make certain quarterly reports to the Committee on Local Government Finance concerning the loan or transfer. **Section 1** also requires the Committee to adopt regulations specifying the procedure for obtaining the approval of the Committee required by that section.

**Section 9.5** of this bill requires the governing body of any local government which makes such a loan or transfer to report certain information to the Director of the Legislative Counsel Bureau on or before January 15, 2015, for transmittal to the Audit Division of the Bureau and to the Legislature.

**Sec. 8.** NRS 354.613 is hereby amended to read as follows:

354.613 1. Except as otherwise provided in this section **H** *and section 1 of this act*, the governing body of a local government may, on or after July 1, 2011, loan or transfer money from an enterprise fund, money collected from fees imposed for the purpose for which an enterprise fund was created or any income or interest earned on money in an enterprise fund only if the loan or transfer is made:

(a) In accordance with a medium-term obligation issued by the recipient in compliance with the provisions of chapter 350 of NRS, the loan or transfer is proposed to be made and the governing body approves the loan or transfer under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and:

(1) The money is repaid in full to the enterprise fund within 5 years; or

(2) If the recipient will be unable to repay the money in full to the enterprise fund within 5 years, the recipient notifies the Committee on Local Government Finance of:

(I) The total amount of the loan or transfer;

(II) The purpose of the loan or transfer;

(III) The date of the loan or transfer; and

(IV) The estimated date that the money will be repaid in full to the enterprise fund;

(b) To pay the expenses related to the purpose for which the enterprise fund was created;

(c) For a cost allocation for employees, equipment or other resources related to the purpose of the enterprise fund which is approved by the governing body under a nonconsent item that is

separately listed on the agenda for a regular meeting of the governing body; or

(d) Upon the dissolution of the enterprise fund.

2. Except as otherwise provided in this section, the governing body of a local government may increase the amount of any fee imposed for the purpose for which an enterprise fund was created only if the governing body approves the increase under a nonconsent item that is separately listed on the agenda for a regular meeting of the governing body, and the governing body determines that:

(a) The increase is not prohibited by law;

(b) The increase is necessary for the continuation or expansion of the purpose for which the enterprise fund was created; and

(c) All fees that are deposited in the enterprise fund are used solely for the purposes for which the fees are collected.

3. Upon the adoption of an increase in any fee pursuant to subsection 2, the governing body shall, except as otherwise provided in this subsection, provide to the Department of Taxation an executed copy of the action increasing the fee. This requirement does not apply to the governing body of a federally regulated airport.

4. The provisions of subsection 2 do not limit the authority of the governing body of a local government to increase the amount of any fee imposed upon a public utility in compliance with the provisions of NRS 354.59881 to 354.59889, inclusive, for a right-of-way over any public area if the public utility is billed separately for that fee. (a) Prohibit a local government from increasing a fee or using money in an enterprise fund to repay a loan lawfully made to the enterprise fund from another fund of the local government; or

(b) Prohibit or impose any substantive or procedural limitations on any increase of a fee that is necessary to meet the requirements of an instrument that authorizes any bonds or other debt obligations which are secured by or payable from, in whole or in part, money in the enterprise fund or the revenues of the enterprise for which the enterprise fund was created.

6. The Department of Taxation shall provide to the Committee on Local Government Finance a copy of each report submitted to the Department on or after July 1, 2011, by a county or city pursuant to NRS 354.6015. The Committee shall:

(a) Review each report to determine whether the governing body of the local government is in compliance with the provisions of this section; and

(b) On or before January 15 of each odd-numbered year, submit a report of its findings to the Director of the Legislative Counsel Bureau for transmittal to the Legislature.

7. A fee increase imposed in violation of this section must not be invalidated on the basis of that violation. The sole remedy for a violation of this section is the penalty provided in NRS 354.626. Any person who pays a fee for the enterprise for which the enterprise fund is created may file a complaint with the district attorney or Attorney General alleging a violation of this section for prosecution pursuant to NRS 354.626.

8. For the purposes of paragraph (c) of subsection 1, the Committee on Local Government Finance shall adopt regulations setting forth the extent to which general, overhead, administrative and similar expenses of a local government of a type described in paragraph (c) of subsection 1 may be allocated to an enterprise fund. The regulations must require that:

(a) Each cost allocation makes an equitable distribution of all general, overhead, administrative and similar expenses of the local government among all activities of the local government, including the activities funded by the enterprise fund; and

(b) Only the enterprise fund's equitable share of those expenses may be treated as expenses of the enterprise fund and allocated to it pursuant to paragraph (c) of subsection 1.

9. Except as otherwise provided in subsections 10 and 11, if a local government has subsidized its general fund with money from an enterprise fund for the 5 fiscal years immediately preceding the fiscal year beginning on July 1, 2011, the provisions of subsection 1 do not apply until July 1, 2021, to transfers from the enterprise fund to the general fund of the local government for the purpose of subsidizing the general fund if the local government:

(a) Does not increase the amount of the transfers to subsidize the general fund in any fiscal year beginning on or after July 1, 2011, above the amount transferred in the fiscal year ending on June 30, 2011, except for loans and transfers that comply with the provisions of subsection 1; and

(b) Does not, on or after July 1, 2011, increase any fees for any enterprise fund used to subsidize the general fund except for increases described in paragraph (b) of subsection 5.

10. On or before July 1, 2012, a local government to which the provisions of subsection 9 apply shall adopt a plan to eliminate, on

or before the fiscal year beginning on July 1, 2021, all transfers from any enterprise funds to subsidize the general fund that are not made in compliance with subsection 1. A copy of the plan must be filed with the Department of Taxation on or before July 15, 2012.

11. On and after July 1, 2012, the provisions of subsection 9 do not apply to a local government that fails to comply with the provisions of subsection 10.

Any officer or employee of a local government who willfully violates NRS 354.470 to 354.626, inclusive, *and section 1 of this act* is guilty of a misdemeanor and upon conviction thereof ceases to hold his or her office or employment.
