AN ACT relating to transportation; requiring the Director of the Department of Transportation to charge fees based upon market value for authorizing the placement of trademarks or symbols identifying individual enterprises on certain signs and for providing information regarding attractions and services along highways of the State; authorizing the Director to recommend to the Board of Directors of the Department programs for providing information to the traveling public to be funded from money received from fees charged on those signs; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law requires the Director of the Department of Transportation to adopt  
2 regulations to fix reasonable fees to recover the actual cost of administering a  
3 program for erecting certain signs on highways. Existing law provides that in  
4 certain larger counties, the Department is required to establish the fees based upon  
5 the market value as determined by the Department. **Section 3** of this bill instead  
6 requires the Department to fix the fees in all counties based upon market value as  
7 determined by the Department. Existing law provides that the fees collected by the  
8 Department are to be credited to the Account for Systems of Providing Information  
9 to the Traveling Public in the State Highway Fund. **Section 1** of this bill authorizes  
10 the Director to recommend to the Board of Directors of the Department programs to  
11 provide information to the traveling public to be paid from money available for that  
12 purpose from the Account.
