AN ACT relating to emergency response; transferring the administration of the process governing the application and determination of eligibility for compensation from the Fund for the Compensation of Victims of Crime from the Department of Administration to the Department of Health and Human Services; requiring the Director of the Department of Health and Human Services to adopt a State Plan for Services for Victims of Crime; revising procedures governing claims for such compensation; imposing requirements relating to the development of state and local emergency management plans; authorizing the Governor to suspend certain licensure requirements in response to an emergency or disaster; requiring certain professional licensing boards to maintain lists of licensees trained in the treatment of mental and emotional trauma and provide those lists to a governmental entity responding to an emergency or disaster; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law provides for the payment of compensation from the Fund for the
2 Compensation of Victims of Crime to certain victims of criminal acts and makes
3 the Department of Administration responsible for administering the process
4 governing the application and determination of eligibility for compensation. (NRS
5 217.010-217.270) **Section 2** of this bill transfers the administration of that process to
6 the Department of Health and Human Services. **Section 1** of this bill requires the

7 Department of Health and Human Services to develop a State Plan for Services for
8 Victims of Crime to ensure that agencies which provide compensation to and
9 services for victims of crime coordinate their efforts and use the same data. The
10 Department is also required to develop a survey to determine the effectiveness of
11 the various methods of compensating victims of crime.

12 **Section 4** of this bill requires an application for compensation from the Fund to
13 be filed not later than 24 months after the injury or death for which compensation is
14 claimed.

15 Existing law requires a compensation officer to review an application for
16 compensation from the Fund and, if the compensation officer denies the claim,
17 authorizes the applicant to follow an appeals process that includes appealing the
18 decision of an appeals officer to the State Board of Examiners, whose decision on
19 the matter is final. (NRS 217.010, 217.117) **Section 6** of this bill requires the
20 Director of the Department of Health and Human Services to prescribe in the State
21 Plan rules and regulations: (1) establishing the eligibility requirements for receiving
22 compensation from the Fund; and (2) providing for administrative hearings to
23 address appeals of the decisions of appeals officers. **Section 5** of this bill
24 accordingly removes the provisions relating to the appeal of a decision of an
25 appeals officer to the State Board of Examiners and authorizes an applicant to
26 appeal such a decision in accordance with the regulations adopted by the Director.
27 **Section 8** of this bill exempts the State Plan from standard requirements governing
28 the adoption of regulations, and **section 6** prescribes alternative requirements
29 governing the adoption and amendment of the State Plan.

30 Existing law requires a compensation officer to consider the provocation,
31 consent or any other behavior of the victim and certain other factors when
32 determining whether to order compensation, except in cases of domestic violence,
33 sexual assault or sex trafficking. (NRS 217.180) **Section 7** of this bill removes
34 those considerations and instead requires the compensation officer to award
35 compensation unless the injury or death of the victim was substantially attributable
36 to a wrongful act of the victim or substantially provoked by the victim. In addition,
37 if the case involves a victim of domestic violence, sexual assault or sex trafficking,
38 the compensation officer is prohibited from considering any behavior of the victim.
39 **Section 3** of this bill also authorizes compensation for injuries that are not physical
40 and are caused by a criminal act.

41 Existing law provides for the development of emergency management plans by
42 state and local governmental agencies. (NRS 414.040) Existing law also authorizes
43 the development of a state emergency management plan. (414.060) **Section 10** of
44 this bill requires those emergency management plans to: (1) be developed and
45 executed in collaboration with persons and organizations who advocate for the
46 needs of victims of emergencies and disasters; and (2) include certain provisions to
47 ensure that a response for a disaster or emergency properly addresses the needs of
48 victims.

49 Existing law authorizes certain persons who are licensed in another jurisdiction
50 to provide services in this State in an emergency. (Chapters 415 and 415A of NRS)
51 **Section 11** of this bill authorizes the Governor to allow providers of emergency
52 medical services and providers of mental health services who hold a credential in
53 another jurisdiction to practice their profession within their scope of practice as if
54 they were licensed, certified or registered, as applicable, in this State for the time
55 period necessary to assist in responding to an emergency or disaster. **Sections 12-**
56 **17** of this bill require an applicant for the issuance or renewal of a license to
57 practice certain medical professions to report to the applicable professional
58 licensing board whether he or she has received training in the treatment of mental
59 and emotional trauma. If the applicant has received training to provide such
60 treatment immediately following an emergency or disaster, **sections 12-17** require
61 the applicant to describe the training and indicate if he or she is willing to respond

62 immediately should an emergency or disaster arise at any location in this State.
63 **Sections 12-17** require each professional licensing board that licenses such
64 professionals to maintain and provide to a governmental entity responding to an
65 emergency or disaster: (1) a list of all licenses and the types of training that the
66 licensee reports having received; and (2) the names and contact information for at
67 least five licensees who have training in the treatment of mental and emotional
68 trauma immediately following an emergency or disaster and are willing to respond
69 immediately to an emergency or disaster at any location in this State. **Sections 9**
70 **and 12-17** of this bill provide that such information is otherwise confidential.

20 **Sec. 11.** NRS 414.070 is hereby amended to read as follows:

21 414.070 The provisions of this section are operative only
22 during the existence of a state of emergency or declaration of
23 disaster. The existence of such an emergency or disaster may be
24 proclaimed by the Governor or by resolution of the Legislature if the
25 Governor in his or her proclamation, or the Legislature in its
26 resolution, finds that an attack upon the United States has occurred
27 or is anticipated in the immediate future, or that a natural,
28 technological or man-made emergency or disaster of major
29 proportions has actually occurred within this State, and that the
30 safety and welfare of the inhabitants of this State require an
31 invocation of the provisions of this section. Any such emergency or
32 disaster, whether proclaimed by the Governor or by the Legislature,
33 terminates upon the proclamation of the termination thereof by the
34 Governor, or the passage by the Legislature of a resolution
35 terminating the emergency or disaster. During the period when a
36 state of emergency or declaration of disaster exists or continues, the
37 Governor may exercise the following additional powers:

38 1. To enforce all laws and regulations relating to emergency
39 management and to assume direct operational control of any or all
40 forces, including, without limitation, volunteers and auxiliary staff
41 for emergency management in the State.

42 2. To sell, lend, lease, give, transfer or deliver materials or
43 perform services for the purpose of emergency management on such
44 terms and conditions as the Governor prescribes and without regard

1 to the limitations of any existing law, and to account to the State
2 Treasurer for any money received for such property.

3 3. Except as otherwise provided in NRS 414.155 and 414.340,
4 to procure, by purchase, condemnation, seizure or other means,
5 construct, lease, transport, store, maintain, renovate or distribute
6 materials and facilities for emergency management without regard
7 to the limitations of any existing law. The Governor shall make
8 compensation for the property so seized, taken or condemned on the
9 following basis:

10 (a) If property is taken for temporary use, the Governor, within
11 90 days after the taking, shall fix the amount of compensation to be
12 paid therefor. If the property is returned to the owner in a damaged
13 condition, or is not returned to the owner, the Governor shall fix
14 within 90 days the amount of compensation to be paid for the
15 damage or failure to return the property. If the Governor deems it
16 advisable for the State to take title to property taken under this
17 section, the Governor shall forthwith cause the owner of the
18 property to be notified thereof in writing by registered or certified
19 mail, postage prepaid, or by the best means available, and forthwith
20 cause to be filed a copy of the notice with the Secretary of State.

21 (b) Within the 90-day period prescribed in paragraph (a), the
22 Governor shall make an offer in writing to the person or persons
23 entitled to receive it of the amount of money proposed to be paid as
24 full compensation. If the offer is accepted, the money must be paid
25 out of such fund, funds or other sources as are available and no
26 further action in law or in equity may ever be maintained in
27 connection therewith. If the offer of payment is refused, the person
28 or persons entitled thereto have the same rights as plaintiffs in
29 actions of eminent domain insofar as the fixing of damages and
30 compensation is concerned, NRS 37.060, 37.070, 37.080 and
31 37.090, so far as applicable, apply, and proceedings must be had in
32 conformity therewith so far as possible. The action must be
33 commenced within 1 year after the receipt of the offer of settlement
34 from the Governor.

35 4. To provide for and compel the evacuation of all or part of
36 the population from any stricken or threatened area or areas within
37 the State and to take such steps as are necessary for the receipt and
38 care of those persons.

39 5. Subject to the provisions of the State Constitution, to remove
40 from office any public officer having administrative responsibilities
41 under this chapter for willful failure to obey an order or regulation
42 adopted pursuant to this chapter. The removal must be upon charges
43 after service upon the officer of a copy of the charges and after
44 giving him or her an opportunity to be heard in his or her defense.
45 Pending the preparation and disposition of charges, the Governor

1 may suspend the officer for a period not exceeding 30 days. A
2 vacancy resulting from removal or suspension pursuant to this
3 section must be filled as provided by law.
