AN ACT relating to courts; revising certain fees in the justice court; requiring the county treasurer to deposit a portion of the fees received from justice courts into a special account to be used for certain purposes; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law requires each justice of the peace to charge and collect certain fees  
2 for various civil actions, proceedings and filings in the justice court. For actions and  
3 proceedings other than small claims, the amount of the fees charged and collected  
4 is based upon the sum claimed in the action or proceeding. Each justice of the  
5 peace shall pay to the county treasurer all such fees charged and collected, with  
6 certain exceptions. (NRS 4.060) This bill increases the amount of certain fees  
7 charged and collected by the justice court and revises the tiers upon which certain  
8 fees are based.  
9 This bill also requires the county treasurer to deposit 25 percent of the fees  
10 received from justices of the peace into a special account administered by the  
11 county and maintained for the benefit of the justice courts within the county. The  
12 money in the account must not be used to supplant existing budgets for the support  
13 or operation of the justice courts within the county, and must be used only: (1) for  
14 purposes generally related to the acquisition of land or facilities or the construction  
15 or renovation of facilities for the justice courts or a multi-use facility that includes  
16 the justice courts; (2) to acquire advanced technology for the use of the justice  
17 courts; (3) to acquire equipment or additional staff to enhance the security of the  
18 facilities used by the justice courts, justices of the peace, staff of the justice courts  
19 and residents of this State who access the justice courts; and (4) to pay for staff to  
20 support the operation of the justice courts.
