SENATE JOINT RESOLUTION—Proposing to amend the Nevada Constitution to provide for limited annual regular legislative sessions, to authorize the Legislature to hold regular or special sessions at places other than Carson City, to authorize a change in compensation to Legislators and to require the consent of the Senate for certain appointments to state offices in the Executive Department.

Legislative Counsel’s Digest:

1 The Nevada Constitution provides for biennial regular sessions of the
2 Legislature of not more than 120 consecutive calendar days in each odd-numbered
3 year. (Nev. Const. Art. 4, § 2) This resolution proposes to amend the Nevada
4 Constitution to provide for limited annual regular sessions. In each odd-numbered
5 year, the Legislature would hold a regular session of not more than 90 legislative
6 days during a maximum period of 120 consecutive calendar days. In each even-
7 numbered year, the Legislature would hold a regular session of not more than 30
8 legislative days during a maximum period of 45 consecutive calendar days.
9 The Nevada Constitution also requires the Legislature to hold its regular or
10 special sessions at the seat of government in Carson City. (Nev. Const. Art. 4, § 1,
11 Art. 15, § 1) In addition, the Nevada Constitution prohibits one House of the
12 Legislature from adjourning to another location during a regular or special session
13 without the consent of the other House. (Nev. Const. Art. 4, § 15) This resolution

* S J R 8 *

14 proposes to amend the Nevada Constitution to authorize the Legislature to hold all
15 or any portion of a regular or special session at any place in this State if a majority
16 of each House of the Legislature agrees to do so and follows certain required
17 procedures.

18 This resolution also proposes to amend the Nevada Constitution to change the
19 compensation for Legislators. The Nevada Constitution authorizes Legislators to
20 receive compensation for the first 60 days of each regular session and the first 20
21 days of each special session. (Nev. Const. Art. 4, § 33) This resolution proposes to
22 amend the Nevada Constitution to remove those provisions and to provide that
23 Legislators must receive a monthly compensation of not less than \$2,000 for each
24 month during their term of office, prorated for any partial month, and a per diem
25 allowance for each regular or special session. This resolution also provides that
26 Legislators must receive the monthly compensation commencing with the first full
27 month following the date on which such amendments become a part of the Nevada
28 Constitution upon completion of the canvass of votes by the Nevada Supreme
29 Court. (Nev. Const. Art. 5, § 4; *Torvinen v. Rollins*, 93 Nev. 92, 94 (1977))

30 Finally, existing law requires the Governor and other state officers in the
31 Executive Department to appoint persons to serve in various state offices in the
32 Executive Department. This resolution proposes to add a new section to the Nevada
33 Constitution which provides that such appointments are temporary until the Senate
34 consents to the appointments. The new section authorizes the Legislature to exempt
35 any state offices from this requirement and to establish procedures to carry out the
36 provisions of the section. The new section does not apply to filling vacancies in
37 elective state offices. (Nev. Const. Art. 5, § 8, Art. 17, § 22)

38 If this resolution is passed by the 2013 Legislature, it must also be passed by
39 the next Legislature and then approved and ratified by the voters in an election
40 before the proposed amendments to the Nevada Constitution become effective.

34 RESOLVED, That Section 2 of Article 19 of the Nevada
35 Constitution be amended to read as follows:

36 Sec. 2. 1. Notwithstanding the provisions of Section 1
37 of Article 4 of this Constitution, but subject to the limitations
38 of Section 6 of this Article, the people reserve to themselves
39 the power to propose, by initiative petition, statutes and
40 amendments to statutes and amendments to this Constitution,
41 and to enact or reject them at the polls.

42 2. An initiative petition shall be in the form required by
43 Section 3 of this Article and shall be proposed by a number of
44 registered voters equal to 10 percent or more of the number of
45 voters who voted at the last preceding general election in not

1 less than 75 percent of the counties in the State, but the total
2 number of registered voters signing the initiative petition
3 shall be equal to 10 percent or more of the voters who voted
4 in the entire State at the last preceding general election.

5 3. If the initiative petition proposes a statute or an
6 amendment to a statute, the person who intends to circulate it
7 shall file a copy with the Secretary of State before beginning
8 circulation and not earlier than ~~January 1 of the year~~
9 ~~preceding the year in which a regular session of the~~
10 ~~Legislature is held.~~ *1 year before the date on which the*
11 *Legislature to which the petition will be transmitted*
12 *commences its regular session.* After its circulation, it shall
13 be filed with the Secretary of State not less than 30 days prior
14 to ~~any~~ *the commencement of the* regular session of the
15 Legislature ~~+~~ *to which the petition will be transmitted.* The
16 circulation of the petition shall cease on the day the petition is
17 filed with the Secretary of State or such other date as may be
18 prescribed for the verification of the number of signatures
19 affixed to the petition, whichever is earliest. The Secretary of
20 State shall transmit such petition to the Legislature as soon as
21 the Legislature convenes and organizes. The petition shall
22 take precedence over all other measures except appropriation
23 bills, and the statute or amendment to a statute proposed
24 thereby shall be enacted or rejected by the Legislature
25 without change or amendment within 40 days. If the proposed
26 statute or amendment to a statute is enacted by the Legislature
27 and approved by the Governor in the same manner as other
28 statutes are enacted, such statute or amendment to a statute
29 shall become law, but shall be subject to referendum petition
30 as provided in Section 1 of this Article. If the statute or
31 amendment to a statute is rejected by the Legislature, or if no
32 action is taken thereon within 40 days, the Secretary of State
33 shall submit the question of approval or disapproval of such
34 statute or amendment to a statute to a vote of the voters at the
35 next succeeding general election. If a majority of the voters
36 voting on such question at such election votes approval of
37 such statute or amendment to a statute, it shall become law
38 and take effect upon completion of the canvass of votes by
39 the Supreme Court. An initiative measure so approved by the
40 voters shall not be amended, annulled, repealed, set aside or
41 suspended by the Legislature within 3 years from the date it
42 takes effect. If a majority of such voters votes disapproval of
43 such statute or amendment to a statute, no further action shall
44 be taken on such petition. If the Legislature rejects such
45 proposed statute or amendment, the Governor may

1 recommend to the Legislature and the Legislature may
2 propose a different measure on the same subject, in which
3 event, after such different measure has been approved by the
4 Governor, the question of approval or disapproval of each
5 measure shall be submitted by the Secretary of State to a vote
6 of the voters at the next succeeding general election. If the
7 conflicting provisions submitted to the voters are both
8 approved by a majority of the voters voting on such
9 measures, the measure which receives the largest number of
10 affirmative votes shall thereupon become law. If at the
11 session of the Legislature to which an initiative petition
12 proposing an amendment to a statute is presented which the
13 Legislature rejects or upon which it takes no action, the
14 Legislature amends the statute which the petition proposes to
15 amend in a respect which does not conflict in substance with
16 the proposed amendment, the Secretary of State in submitting
17 the statute to the voters for approval or disapproval of the
18 proposed amendment shall include the amendment made by
19 the Legislature.

20 4. If the initiative petition proposes an amendment to the
21 Constitution, the person who intends to circulate it shall file a
22 copy with the Secretary of State before beginning circulation
23 and not earlier than September 1 of the year before the year in
24 which the election is to be held. After its circulation it shall
25 be filed with the Secretary of State not less than 90 days
26 before any regular general election at which the question of
27 approval or disapproval of such amendment may be voted
28 upon by the voters of the entire State. The circulation of the
29 petition shall cease on the day the petition is filed with the
30 Secretary of State or such other date as may be prescribed for
31 the verification of the number of signatures affixed to the
32 petition, whichever is earliest. The Secretary of State shall
33 cause to be published in a newspaper of general circulation,
34 on three separate occasions, in each county in the State,
35 together with any explanatory matter which shall be placed
36 upon the ballot, the entire text of the proposed amendment. If
37 a majority of the voters voting on such question at such
38 election votes disapproval of such amendment, no further
39 action shall be taken on the petition. If a majority of such
40 voters votes approval of such amendment, the Secretary of
41 State shall publish and resubmit the question of approval or
42 disapproval to a vote of the voters at the next succeeding
43 general election in the same manner as such question was
44 originally submitted. If a majority of such voters votes
45 disapproval of such amendment, no further action shall be

1 taken on such petition. If a majority of such voters votes
2 approval of such amendment, it shall, unless precluded by
3 subsection 5 or 6, become a part of this Constitution upon
4 completion of the canvass of votes by the Supreme Court.

5 5. If two or more measures which affect the same
6 section of a statute or of the Constitution are finally approved
7 pursuant to this Section, or an amendment to the Constitution
8 is finally so approved and an amendment proposed by the
9 Legislature is ratified which affect the same section, by the
10 voters at the same election:

11 (a) If all can be given effect without contradiction in
12 substance, each shall be given effect.

13 (b) If one or more contradict in substance the other or
