

Assembly Bill No. 61–Committee  
on Commerce and Labor

CHAPTER.....

AN ACT relating to trade practices; increasing penalties for certain offenses relating to the use of a device for automatic dialing and announcing; establishing certain practices as deceptive trade practices; authorizing the imposition of additional civil penalties for certain deceptive trade practices in certain actions and proceedings under certain circumstances; revising provisions relating to certain administrative hearings; revising the penalties for willfully and knowingly engaging in a deceptive trade practice; eliminating the statute of limitations for certain civil actions involving deceptive trade practices which are brought by the Attorney General; authorizing the Consumer’s Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to certain records; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law defines activities that constitute deceptive trade practices and provides for the imposition of civil and criminal penalties against persons who engage in deceptive trade practices. (Chapter 598 of NRS) **Sections 1, 3, 6.5, 7 and 19** of this bill establish certain additional activities as deceptive trade practices.

Existing law makes it a misdemeanor to use a device for automatic dialing and announcing to disseminate a prerecorded message in a telephone call under certain circumstances. (NRS 597.814, 597.818) **Section 1** of this bill revises the punishment for such action to make: (1) the first offense a misdemeanor; (2) the second offense a gross misdemeanor; and (3) the third or subsequent offense a category E felony. Additionally, **section 1** provides that such action constitutes a deceptive trade practice and provides for a civil penalty of not more than \$10,000.

**Section 3** of this bill makes it a deceptive trade practice to sell, rent or offer to sell or rent certain goods and services during a state of emergency or declaration of disaster that has been in effect for 75 days or less for a price that is grossly in excess of the usual price for that good or service. **Section 3** sets forth certain criteria for determining whether a price for a good or service is grossly in excess of its usual price. **Section 3.5** of this bill requires the Attorney General to prepare a report for each state of emergency or declaration of disaster concerning complaints received by the Attorney General of deceptive trade practices of the type described in **section 3**.

Existing law makes it a deceptive trade practice to engage in certain actions during a solicitation by telephone or sales presentation. (NRS 598.0918) **Section 6.5** of this bill: (1) expands the circumstances under which such actions constitute a deceptive trade practice to include a solicitation by text message; and (2) makes it a deceptive trade practice to engage in certain additional actions during a solicitation by telephone or text message or during a sales presentation. **Section 7** of this bill makes it a deceptive trade practice to use an “unconscionable practice” in a transaction. **Sections 32-35** of this bill make conforming changes to reflect the addition of the provisions of **section 7**.

Existing law imposes certain requirements on certain entities that handle personal nonpublic information relating to the security of such information. (NRS 603A.010-603A.290) **Section 19** of this bill makes it a deceptive trade practice to violate any of these requirements.

Existing law authorizes the Director of the Department of Business and Industry to impose certain penalties upon a person who has engaged in a deceptive trade practice after a hearing that is initiated by the Commissioner of Consumer Affairs serving an order upon the person. (NRS 598.0971) **Section 12** of this bill authorizes the Attorney General to also initiate such a hearing before the Director and provides additional means for serving an order upon a person. If a person fails to comply with an order issued by the Director or his or her designee, existing law authorizes the Commissioner or the Director, through the Attorney General, to bring an action requesting a court enforce the order and requires the court to issue an order enforcing the order of the Director or his or her designee if the court makes certain findings. (NRS 598.0971) **Section 12:** (1) additionally authorizes the Attorney General to bring an action requesting a court to enforce an order issued by the Director or his or her designee; and (2) requires the court to issue an order enforcing the order of the Director or his or her designee if the court finds that the person has failed to comply with the order.

Existing law authorizes a court, in certain actions relating to the enforcement of the provisions prohibiting deceptive trade practices, to impose an additional maximum civil penalty of \$12,500 if the court finds that a person has engaged in a deceptive trade practice directed toward an elderly person or a person with a disability. (NRS 598.0973) **Section 13** of this bill authorizes such a civil penalty to be imposed by the Director or his or her designee in a proceeding before the Director or his or her designee. **Section 5** of this bill similarly authorizes the imposition of an additional maximum civil penalty in certain actions or proceedings if the court or the Director or his or her designee finds that a person has engaged in a deceptive trade practice directed toward a person who is 17 years of age or younger.

**Section 17** of this bill revises the criminal penalties imposed for engaging in a deceptive trade practice. Under **section 17**, knowingly and willfully engaging in a deceptive trade practice is a misdemeanor, except if the offense involves a loss of property or services of at least \$1,200. For those offenses, **section 17** establishes a tier of penalties based on the value of the property or services which generally mirror the penalties for theft. (NRS 205.0835, 598.0999)

Existing law requires, in general, a civil action against a person alleged to have committed a deceptive trade practice to be commenced within 4 years. (NRS 11.190) **Sections 25 and 26** of this bill create an exception to this requirement for certain actions brought by the Attorney General. **Section 25** provides that there is no limitation on the time in which a civil action brought by the Attorney General against a person alleged to have committed a deceptive trade practice, other than a deceptive trade practice of the type described in **section 3**, is required to be commenced.

**Section 31** of this bill authorizes the Consumer's Advocate of the Bureau of Consumer Protection in the Office of the Attorney General to have access to all records in the possession of any agency, board or commission of this State that he or she determines are necessary to exercise his or her powers relating to consumer protection.

**Sections 6, 8-11, 14-16, 21, 22 and 27** of this bill make conforming changes to indicate the proper placement of language added to the Nevada Revised Statutes by this bill.
