AN ACT relating to transportation; revising provisions relating to the photograph on a driver's license; revising provisions governing the licensure and operation of schools for training drivers; revising provisions relating to the fees paid by a person 65 years of age or older for an identification card; revising provisions relating to the issuance of a commercial driver's license to a person who is not a resident of this State; setting forth exceptions to certain restrictions on the placement of advertising on or near certain highways, rights-of-way, bridges or structures; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires the Department to issue a driver's license which bears a
2 colored photograph of the licensee. (NRS 483.347) **Section 10** of this bill removes
3 the requirement that the photograph be in color.

4 Existing law requires a person who seeks to operate a school for training
5 drivers or to be an instructor for a school for training drivers to obtain a driver's
6 license from the Department. (NRS 483.700) The Department may cancel, suspend,
7 revoke or refuse to renew the driver's license if the licensee engages in certain acts
8 or practices. (NRS 483.760) **Section 12** of this bill provides that the Department
9 may also refuse to issue a license if the applicant engages in any of those certain
10 acts or practices, and adds to the list of those acts or practices: (1) making a
11 material misstatement on an application; (2) failing or refusing to provide any
12 information requested by the Department regarding an application; and (3)
13 conviction of a crime for a violation of any of the provisions of law governing

14 schools for training drivers and instructors for a school for training drivers. Existing
15 law also requires that each vehicle used for training drivers and operated on a
16 highway is inspected annually. (NRS 483.745) **Section 11** of this bill requires that a
17 vehicle be inspected within 30 days after initial use by the school for training
18 drivers, and then inspected annually thereafter.

19 Existing law allows certain persons who do not hold a valid driver's license
20 from any state or jurisdiction to obtain an identification card from the Department.
21 (NRS 482.820) A person who is 65 years of age or older must pay a fee of \$4 for an
22 original or duplicate identification card. **Section 13** of this bill clarifies that the \$4
23 fee applies to such an identification card which expires on or before the fourth
24 anniversary of the person's birthday and an \$8 fee applies to such an identification
25 card which expires on or before the eighth anniversary of the person's birthday.

26 Existing law requires the Department to adopt regulations providing for the
27 issuance of commercial drivers' licenses, but the regulations may not be more
28 restrictive than the federal regulations adopted pursuant to the Commercial Motor
29 Vehicle Safety Act of 1986, as amended, 49 U.S.C. §§ 31301 et seq. (NRS
30 483.908) The Department may not issue a commercial driver's license or a
31 commercial learner's permit, which allows a person to operate a commercial motor
32 vehicle on the highways of this State if he or she is accompanied by the holder of a
33 commercial driver's license, to a person unless the person is a resident of this State.
34 (NRS 483.924, 483.934) Existing law prohibits a person who is a resident of this
35 State for 30 days or more from driving a commercial motor vehicle under the
36 authority of a commercial driver's license issued by another jurisdiction. (NRS
37 483.932) Existing law authorizes the Department to issue a nonresident commercial
38 driver's license or a nonresident commercial learner's permit to a person who is a
39 resident of a foreign jurisdiction which the Federal Highway Administrator has
40 determined does not test drivers and issue commercial drivers' licenses in
41 accordance with federal standards or who is a resident of a state while that state is
42 prohibited from issuing commercial drivers' licenses pursuant to federal
43 regulations. (NRS 483.936) **Section 15** of this bill removes the authorization for the
44 Department to issue a nonresident commercial driver's license or nonresident
45 commercial learner's permit, and newly provides that the Department may only
46 issue a limited-term commercial driver's license or limited-term commercial
47 learner's permit to a resident of a foreign jurisdiction which the Federal Highway
48 Administrator has determined does not test drivers and issue commercial drivers'
49 licenses in accordance with federal standards. **Section 14** of this bill makes
50 conforming changes to the fees for such a license.

51 Existing law restricts the placement of advertising on or near certain highways,
52 rights-of-way, bridges or structures, with certain exceptions for benches and
53 shelters for passengers of mass transit and monorail stations. (NRS 405.110,
54 410.320, 484B.313) **Sections 15.3-15.7** of this bill add to the exceptions from those
55 restrictions certain advertisements on a touchdown structure, which is the tower
56 attached to a pedestrian bridge and which houses an elevator.
