AN ACT relating to state financial administration; revising provisions governing deposits of public money under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires, subject to certain exceptions, the deposit of all public
2 money received by a state officer, department or commission in a designated
3 financial institution on or before Thursday of each week. Under the exceptions in
4 existing law, a state officer, department or commission that accumulates for deposit

6 working day, except the Department of Wildlife has 10 working days to make such
7 a deposit. (NRS 353.250) This bill adds another exception in the circumstances in
8 which the Division of Welfare and Supportive Services of the Department of
9 Health and Human Services accumulates for deposit \$10,000 or more in child
10 support payments on any day. This bill requires the Division to deposit the money
11 within 2 working days after its accumulation except any of that money for which
12 the Division is unable to identify the obligee within that period is required, within 5
13 working days after its accumulation, to be: (1) deposited, if the Division is able to
14 identify the obligee; or (2) returned to the payor, if the Division is unable to
15 identify the obligee.
