AN ACT relating to gaming; revising certain definitions relating to gaming; requiring additional persons to register with the Nevada Gaming Control Board; revising provisions governing entry fees for contests and tournaments and compensation for online interactive gaming in the calculation of the monthly gaming license fee based on the gross revenue of the license holder; exempting certain officers and employees of the Board from the provisions governing the State Personnel System; authorizing the Nevada Gaming Commission to adopt regulations governing the use of electronic signatures for credit instruments; revising provisions governing certain fees collected upon the conclusion of a gaming operation; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law defines the term “credit instrument” as a writing for certain
2 purposes evidencing a gaming debt owed to a person who holds a nonrestricted
3 license. (NRS 463.01467) **Section 1** of this bill revises the definition of credit
4 instrument to mean a record evidencing such a debt. Existing law requires gaming
5 employees to register with the Nevada Gaming Control Board, including operators
6 of certain call centers and information services. (NRS 463.0157, 463.335) **Section**
7 **2** of this bill expands the persons who are required to register with the Board to
8 include: (1) employees of certain persons registered to operate as cash access and
9 wagering instrument service providers; and (2) certain other persons designated by
10 the Nevada Gaming Commission by regulation.

* A B 8 *

11 Existing law requires a credit instrument to be signed by a patron before a
12 licensee may accept the instrument. (NRS 463.368) **Section 5** of this bill authorizes
13 the Commission to promulgate regulations to allow a licensee to accept an
14 electronic signature from a patron on a credit instrument. Existing law defines the
15 term “slot machine wagering voucher” to mean a printed wagering instrument and
16 requires such a voucher to be redeemed by a patron before the expiration date
17 printed thereon under certain circumstances. (NRS 463.369) **Section 6** of this bill:
18 (1) replaces the term “slot machine wagering voucher” with the term “wagering
19 voucher”; (2) expands the definition of wagering voucher to include a digital
20 representation of the wagering instrument; and (3) requires a wagering voucher to
21 be redeemed by a patron before the expiration date assigned to the voucher under
22 certain circumstances. **Section 8** of this bill makes a conforming change to reflect
23 the replaced term.

24 Existing law specifies that elected officers and certain employees in the
25 unclassified and classified service in the Executive Department of the State
26 Government must be paid on a salary basis, are not entitled to overtime
27 compensation and are not subject to disciplinary suspension for less than 1 week.
28 (NRS 284.148) Certain employees of the Board are subject to the same limitations
29 under existing law. (NRS 463.080) **Section 4** of this bill eliminates the applicability
30 of such limitations to those employees of the Board, thereby making those
31 employees subject solely to the requirements of the comprehensive plan that the
32 Board is required to establish under existing law governing employment, job
33 classifications and performance standards and the retention and discharge of its
34 employees.

35 Existing law requires each licensee to pay a monthly license fee to the
36 Commission which consists of a certain percentage of the gross revenue of the
37 licensee. (NRS 463.370) Existing law defines “gross revenue” as the total of certain
38 enumerated gaming incomes minus certain enumerated deductions. (NRS
39 463.0161) **Section 3** of this bill provides that gross revenue: (1) includes cash
40 collected as entry fees for the right to participate in contests and tournaments; and
41 (2) does not include cash received for the right to participate in contests and
42 tournaments held in conjunction with interactive gaming.

43 Existing law requires each licensee who concludes a gaming operation to pay a
44 fee: (1) on the final tax return of the licensee, based on the outstanding value of
45 collectible credit instruments owed; or (2) monthly based on all compensation
46 received in payment of any credit instrument. (NRS 463.3857) **Section 7** of this bill
47 removes the monthly payment option.
