Legislative Counsel's Digest:

Section 7 of this bill allows a county clerk to establish mailing precincts or absent ballot mailing precincts if approved by the Secretary of State, in addition to circumstances authorized for the creation of mailing precincts in existing law. (NRS 293.213)

Sections 8 and 23 of this bill provide that if a county clerk establishes a system for using a computer for voter registration for that county, the system established must comply with any procedures and requirements prescribed by the Secretary of State. Existing law requires county clerks to verify the validity of the signatures of persons who sign petitions for initiative or referendum, petitions to recall public officers, petitions to qualify as a political party, petitions for filling ballot vacancies or petitions to place minor party or independent candidates on the ballot against the voter registration records, including applications to register to vote. (NRS 293.1277) **Section 5** of this bill provides that if a computer is used for voter registration in a county, the county clerk may rely on such indicia as may be prescribed by the Secretary of State to complete the signature verification.

Sections 9, 26 and 36 of this bill revise the manner in which it is required to list on sample ballots and ballots the names of candidates who have the same names so that if two or more candidates in an election have the same given name and surname and one candidate is an incumbent, the word "Incumbent" must appear on the sample ballot and ballot next to the name of the candidate who is the incumbent.

Section 12 of this bill requires, in addition to other information posted at polling places on election day, the posting of information concerning the eligibility of a candidate, question or other matter to appear on the ballot as a result of judicial determination or by operation of law.

Sections 15 and 35 of this bill authorize voters to vote in mailing precincts if it appears to the satisfaction of the Secretary of State, in addition to the county clerk, that the circumstances authorizing the creation of a mailing precinct exist.

Existing law authorizes a city or county clerk to assess a charge, not to exceed the cost of printing the applications, against a political party or other entity that requests more than 50 applications to register to vote by mail in any 12-month period. (NRS 293.443) **Section 16** of this bill authorizes the Secretary of State to assess such a charge as well.

Section 19 of this bill changes the deadline for the Secretary of State to submit a report concerning primary and general elections to the Legislature from not later than 30 days before the start of a regular legislative session to not sooner than 30 days before and not later than 30 days after the first day of each regular legislative session.

Section 20 of this bill requires recruitment offices of the Armed Forces of the United States to serve as voter registration agencies, in addition to other entities specified in existing law.

Section 21 of this bill prohibits a voter registration agency from knowingly employing a person whose duties will include the registration of voters if the person has been convicted of a felony involving theft or fraud.

Section 22 of this bill prohibits a county clerk from knowingly appointing as a field registrar any person who has been convicted of a felony involving theft or fraud.

Section 27 of this bill amends the deadlines for the county clerk to transmit the number of registered voters in the county to the Secretary of State for the primary and general elections.

Section 28 of this bill expands the crime of threatening a person in connection with an election or petition to include threatening a person in connection with the registration of voters and to include the use of or threatening to use intimidation. **Section 28** also increases the penalty for such a crime from a gross misdemeanor to a category E felony.

Section 29 of this bill increases the penalty for interfering with the conduct of an election from a gross misdemeanor to a category E felony.

Section 30 of this bill provides that polling information from a voter regarding whether the voter intends to vote for or against a particular political party, candidate or ballot question is not "electioneering."

Section 32 of this bill provides that if a person tampers or interferes with, or attempts to tamper or interfere with, a mechanical voting system, mechanical voting device or any computer program used to count ballots, such an act is punishable as a category B felony.

Section 33 of this bill makes the intentional failure to submit to the county clerk an elector's completed application to register to vote by a person who provided the application to the elector an unlawful act punishable as a category E felony.

The Federal Election Campaign Act prohibits: (1) a foreign national from directly or indirectly making a campaign contribution in connection with a state or local election; and (2) any person from knowingly soliciting, accepting or receiving any campaign contribution from a foreign national. (2 U.S.C. § 441e; 11 C.F.R. § 110.20) **Section 40.5** of this bill provides a similar prohibition in state law against a foreign national making a contribution to certain persons or groups, including candidates, committees for political action, persons who make independent expenditures, political parties and legislative caucuses. **Section 40.5** also prohibits those persons and groups from receiving a contribution from a foreign national.

Existing law prohibits a person from making certain campaign contributions over \$5,000 during certain periods and prohibits candidates from accepting such contributions during those periods. (NRS 294A.100, 294A.287) **Sections 43 and 60** of this bill also prohibit a person from committing to make such a contribution. **Section 61** of this bill similarly adds the prohibition on committing to make such a contribution to the prohibition on soliciting and accepting any monetary contribution for any political purpose during a specified period which is applicable to Legislators, the Lieutenant Governor, the Lieutenant Governor-Elect, the Governor and the Governor-Elect.

Section 50 of this bill adds to the acceptable methods of disposing of unspent campaign contributions donating money to a governmental entity and allows the person disposing of the unspent contributions to specify how the governmental entity may use the money. **Section 50** also allows certain public officers to use unspent campaign contributions in a future election in certain circumstances.

Section 56 of this bill requires committees for political action to file with the Secretary of State an updated form of registration on or before January 15 of each year.

Section 59 of this bill sets forth the acceptable methods of and deadline for disposing of unspent money in a legal defense fund. **Sections 51 and 63** of this bill require a person who disposes of unspent money in a legal defense fund to report to the Secretary of State how the person disposed of such money.

Sections 48, 54 and 84 of this bill remove requirements that certain persons or groups who advocate the passage or defeat of a ballot question register. As a result, these persons and groups are subject to the same registration requirements as committees for political action. Under existing law, such persons and groups are not required to report contributions and expenditures until they have received or expended money in excess of \$10,000 to advocate the passage or defeat of a ballot question. (NRS 294A.150, 294A.220) **Sections 48 and 54** eliminate this threshold and therefore require these persons or groups to report contributions received and expenditures made in excess of \$1,000 during any reporting period.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.
