AN ACT relating to courts; revising certain fees in the justice court; requiring the county treasurer to deposit a portion of the fees received from justice courts into a special account to be used for certain purposes; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires each justice of the peace to charge and collect certain fees
2 for various civil actions, proceedings and filings in the justice court. For actions and
3 proceedings other than small claims, the amount of the fees charged and collected
4 is based upon the sum claimed in the action or proceeding. Each justice of the
5 peace shall pay to the county treasurer all such fees charged and collected, with
6 certain exceptions. (NRS 4.060) This bill increases the amount of the fees charged
7 and collected by the justice court and revises the tiers upon which certain fees are
8 based.

9 This bill also requires the county treasurer to deposit 25 percent of the fees
10 received from justices of the peace into a special account administered by the
11 county and maintained for the benefit of the justice courts within the county. The
12 money in the account must be used only: (1) to offset the costs for adding or
13 maintaining new judicial departments; and (2) if any money remains in the account
14 in a fiscal year after satisfying such offset of costs, for other purposes generally
15 related to the acquisition of land or facilities or the construction or renovation of
16 facilities for the justice courts or a regional justice center that includes the justice
17 courts.
