ASSEMBLY JOINT RESOLUTION—Proposing to amend the Nevada Constitution to remove the constitutional provisions governing the election and duties of the Board of Regents of the State University and to authorize the Legislature to provide by statute for the governance, control and management of the State University and for the reasonable protection of individual academic freedom.

Legislative Counsel’s Digest:

1 Article 11 of the Nevada Constitution, which is known as the Education
2 Article, requires the Nevada Legislature to provide for the establishment of a State
3 University that is controlled by a Board of Regents whose duties are prescribed by
4 law. (Nev. Const. Art. 11, § 4) The Education Article also: (1) requires the
5 Legislature to provide for the election of the members of the Board of Regents of
6 the State University and to define their duties by law; and (2) authorizes the Board
7 of Regents to control and manage the affairs of the State University and its funds
8 under such regulations as may be provided by law. (Nev. Const. Art. 11, §§ 7, 8)

9 As required by the Education Article, the Legislature has provided by law for:
10 (1) the establishment of the State University, which is known as the University of
11 Nevada; and (2) the election of the members of the Board of Regents. (NRS
12 396.020, 396.040) Additionally, the Legislature has: (1) provided by law for the
13 establishment of the Nevada System of Higher Education, which consists of the
14 State University and other educational institutions, programs and operations; and
15 (2) authorized the Board of Regents to administer the System and to prescribe rules
16 for its governance and management. (NRS 396.020, 396.110, 396.230, 396.280,
17 396.300, 396.420, 396.440, 396.550)

18 This resolution proposes to amend the Nevada Constitution to remove the
19 constitutional provisions governing the Board of Regents and to authorize
20 the Legislature to provide by statute for the governance, control and management of
21 the State University. (Nev. Const. Art. 11, §§ 4, 7) However, although this
22 resolution removes the status of the Board of Regents as a constitutional body
23 under the Nevada Constitution, this resolution does not change the status of the
24 Board of Regents as a statutory body under existing statutory provisions, which
25 authorize the Board of Regents to administer the Nevada System of Higher
26 Education and prescribe rules for its governance and management. In addition, this
27 resolution does not repeal, either expressly or by implication, any of those existing
28 statutory provisions relating to the Board of Regents, including the existing
29 statutory provisions that provide for the election of the members of the Board of
30 Regents.

31 Under the Education Article, the Legislature is authorized to encourage by all
32 suitable means the promotion of intellectual, literary, scientific, mining,
33 mechanical, agricultural, ethical and other educational improvements. (Nev. Const.
34 Art. 11, § 1) In public institutions of higher education, rules which provide for the
35 reasonable protection of individual academic freedom are intended to encourage the
36 pursuit of knowledge and the search for academic truth and enlightenment.
37 (*Urofsky v. Gilmore*, 216 F.3d 401, 410-11 (4th Cir. 2000); *Demers v. Austin*, 746
38 F.3d 402, 411-12 (9th Cir. 2014))

39 This resolution proposes to amend the Nevada Constitution to authorize the
40 Legislature to provide by statute for the reasonable protection of individual
41 academic freedom for students, faculty and other academic personnel of the public
42 institutions of higher education in this State in order to facilitate the policies of
43 encouraging by all suitable means the promotion of intellectual, literary, scientific,
44 mining, mechanical, agricultural, ethical and other educational improvements.
45 (Nev. Const. Art. 11, § 4)

46 Under the federal Morrill Land Grant Act of 1862, each state was provided
47 with certain federal land grants to be sold to support and maintain at least one
48 college in the state that teaches both agriculture and mechanic arts, including
49 military tactics, so long as the state agrees to certain terms and conditions regarding
50 the preservation and use of the proceeds derived from the sale of the federal land
51 grants. (Act of July 2, 1862, ch. 130, §§ 1-8, 12 Stat. 503-05, as amended and
52 codified at 7 U.S.C. §§ 301 et seq.) To secure the benefits offered by the federal
53 law, the Framers of the Nevada Constitution approved Section 8 of the Education
54 Article to provide for the preservation and use of the proceeds derived from the sale
55 of the federal land grants. (*Debates & Proceedings of the Nevada State
56 Constitutional Convention of 1864*, at 586 and 589-91 (Andrew J. Marsh off. rep.
57 1866))

58 This resolution proposes to amend Section 8 of the Education Article to: (1)
59 remove references to the Board of Regents; (2) delete obsolete provisions; (3)
60 clarify citations to the pertinent federal law, including all amendments thereto; and
61 (4) specify that the proceeds derived under the federal law must be invested by the
62 State of Nevada in the manner required by law. (Nev. Const. Art. 11, § 8)

63 If this resolution is passed by the 2017 Legislature, it must also be passed by
64 the next Legislature and then approved and ratified by the voters in an election
65 before the proposed amendments to the Nevada Constitution become effective.

1 WHEREAS, Article 11 of the Nevada Constitution, which is
2 known as the Education Article, requires the Legislature to provide
3 for the establishment of a State University that is controlled by a
4 Board of Regents whose duties are prescribed by law (Nev. Const.
5 Art. 11, § 4); and

6 WHEREAS, The Education Article also requires the Legislature
7 to provide for the election of the members of the Board of Regents
8 and to define their duties by law (Nev. Const. Art. 11, § 7); and

9 WHEREAS, The Education Article authorizes the Board of
10 Regents to control and manage the affairs of the State University
11 and its funds under such regulations as may be provided by law
12 (Nev. Const. Art. 11, §§ 7, 8); and

13 WHEREAS, When drafting the Education Article, the Framers of
14 the Nevada Constitution purposefully added constitutional language
15 to ensure that the powers and duties of the Board of Regents and its
16 members “shall be prescribed by the Legislature,” in order to “not
17 leave it to be inferred, perhaps, that they have absolute control” over
18 the State University (*Debates & Proceedings of the Nevada State
19 Constitutional Convention of 1864*, at 586 (Andrew J. Marsh off.
20 rep. 1866) (statement of Delegate George A. Nourse)); and

21 WHEREAS, The Framers believed that the Board of Regents’
22 control and management of the affairs of the State University should
23 be governed by laws enacted by the Legislature (*Debates &
24 Proceedings of the Nevada State Constitutional Convention of 1864*,
25 at 585-87 (Andrew J. Marsh off. rep. 1866)); and

26 WHEREAS, The Framers did not create the Board of Regents as a
27 constitutional body in the Education Article to give the Board of
28 Regents unchecked autonomy from legislative oversight and control
29 (*Debates & Proceedings of the Nevada State Constitutional
30 Convention of 1864*, at 585-91 (Andrew J. Marsh off. rep. 1866));
31 and

32 WHEREAS, As required by the Education Article, the Legislature
33 has provided by law for the establishment of the State University,
34 known as the University of Nevada, and has provided by law for the
35 election of the members of the Board of Regents (NRS 396.020,
36 396.040); and

37 WHEREAS, The Legislature has provided by law for the
38 establishment of the Nevada System of Higher Education, which
39 consists of the State University and other educational institutions,
40 programs and operations, and for the Board of Regents to administer
41 the System and to prescribe rules for its governance and

1 management (NRS 396.020, 396.110, 396.230, 396.280, 396.300,
2 396.420, 396.440, 396.550); and

3 WHEREAS, In cases before the Nevada Supreme Court, the
4 Board of Regents has asserted that its “unique constitutional status”
5 gives it “virtual autonomy and thus immunity” from particular laws
6 and policies enacted by the Legislature (*Board of Regents v. Oakley*,
7 97 Nev. 605, 607 (1981)); and

8 WHEREAS, Although the Nevada Supreme Court has rejected
9 the Board of Regents’ broad assertion of autonomy and immunity
10 from laws and policies enacted by the Legislature, the Nevada
11 Supreme Court has recognized that the Board of Regents’
12 constitutional status prevents the Legislature from enacting certain
13 legislation that directly “interferes with the Board’s essential
14 management and control of the University.” (*Board of Regents v.*
15 *Oakley*, 97 Nev. 605, 608 (1981); *King v. Board of Regents*, 65 Nev.
16 533, 564-69 (1948)); and

17 WHEREAS, Under our Nation’s fundamental, well-established
18 and long-standing principles of representative government, the
19 traditional role of the people’s elected representatives in the
20 Legislature is to serve as the people’s legislative check of
21 accountability to ensure that public bodies, agencies and officers in
22 the other branches of government are carrying out their
23 governmental functions for the benefit of the people and in a manner
24 consistent with the laws and policies enacted by the Legislature; and

25 WHEREAS, The Board of Regents has, at various times, relied on
26 its constitutional status and its authority to control and manage the
27 affairs of the State University as a defensive shield and cloak against
28 the people’s legislative check of accountability, and the Board of
29 Regents has, at various times, taken actions that have hindered,
30 thwarted or undermined the Legislature’s investigation, review and
31 scrutiny of the institutions, programs and operations of the Nevada
32 System of Higher Education; and

33 WHEREAS, Like other public bodies, agencies and officers of the
34 State Government, the Board of Regents should be subject to the
35 people’s legislative check of accountability through legislative
36 oversight and control, and the Board of Regents’ control and
37 management of the affairs of the State University should be
38 governed by all laws enacted by the Legislature; and

39 WHEREAS, To secure accountability to the people’s elected
40 representatives in the Legislature, the Nevada Constitution should
41 be amended to remove the Board of Regents’ constitutional status so
42 that the Board of Regents operates only as a statutory public body to
43 ensure that it is subject to the people’s legislative check of
44 accountability through legislative oversight and control and to
45 ensure that the Board of Regents’ control and management of the

1 affairs of the State University are governed by all laws enacted by
2 the Legislature; and

3 WHEREAS, Amending the Nevada Constitution to remove the
4 Board of Regents' constitutional status will allow the Legislature to
5 exercise the full extent of its legislative power to review, reform and
6 improve the control and management of the affairs of the State
7 University and, in doing so, the Legislature also will have more
8 options and greater flexibility to review, reform and improve all
9 other institutions, programs and operations of the Nevada System of
10 Higher Education; and

11 WHEREAS, Amending the Nevada Constitution to remove the
12 Board of Regents' constitutional status will not repeal, either
13 expressly or by implication, the existing statutory provisions which
14 apply to the Board of Regents, the State University and all other
15 institutions, programs and operations of the Nevada System of
16 Higher Education, including, without limitation, the existing
17 statutory provisions that provide for the voters to elect the members
18 of the Board of Regents; now, therefore, be it

19 RESOLVED BY THE ASSEMBLY AND SENATE OF THE STATE OF
20 NEVADA, JOINTLY, That this resolution may be cited as the Nevada
