Legislative Counsel’s Digest:

Existing law creates the Clark County Stadium Authority as a public body to carry out the provisions of the Southern Nevada Tourism Improvements Act governing the National Football League stadium project, and existing law provides for the Stadium Authority to be governed by a Board of Directors. (Chapter 2, Statutes of Nevada 2016, 30th Special Session, at page 19)

This bill enacts the Southern Nevada Tourism Innovation Act to establish a method to finance a Major League Baseball stadium project. **Sections 4-17** of this bill define terms for the purposes of the Southern Nevada Tourism Innovation Act. **Sections 18-35** of this bill establish a method to finance the design, entitlement, acquisition, construction, improvement, repair, demolition, reconstruction, equipment, financing, promotion, leasing, subleasing, management, operation and maintenance of a Major League Baseball stadium project.

Section 21 of this bill authorizes the Stadium Authority to exercise certain powers which are in addition to the powers granted to the Stadium Authority under the Southern Nevada Tourism Improvements Act.

Section 28 of this bill requires that, upon receiving notification that the Stadium Authority has taken certain actions relating to the relocation of a Major

League Baseball team, the Board of County Commissioners of Clark County must create a sports and entertainment improvement district, the general location of which is the southeast corner of Las Vegas Boulevard and Tropicana Avenue in Clark County, to assist in the financing of a Major League Baseball stadium project. Under **section 28**, the sports and entertainment improvement district is required to: (1) be located entirely within Clark County and outside the boundaries of any incorporated city; (2) include only parcels of land, or portions thereof, on which the Major League Baseball stadium project is located or will be located and any surrounding or adjacent properties necessary for the operation of that project; and (3) not include any operating hotel or other public accommodation facility or any operating licensed gaming establishment. **Section 28** authorizes the Board of County Commissioners to amend or modify the boundaries of the sports and entertainment improvement district but prohibits such an amendment or modification from: (1) impairing any bonds issued to finance the construction of the Major League Baseball stadium project; (2) excluding from the sports and entertainment improvement district any parcel of land, or portion thereof, on which the Major League Baseball stadium project is or will be located or any surrounding or adjacent property necessary for the operation of that project; or (3) including within the district any operating hotel or other public accommodation facility or any operating licensed gaming establishment.

Section 22 of this bill requires the Stadium Authority to negotiate and enter into a development agreement, lease agreement and non-relocation agreement with respect to the Major League Baseball stadium project if the Board of Directors determines that a Major League Baseball team has committed to locate or relocate within the sports and entertainment improvement district. **Section 22** also establishes requirements for the development agreement, lease agreement and non-relocation agreement. **Section 33** of this bill sets forth additional provisions which must be included in the development agreement, lease agreement and non-relocation agreement, including, without limitation, the maximum financial contribution of the Stadium Authority to the development and construction of the Major League Baseball stadium project. **Section 24** of this bill provides for the confidentiality of certain information provided to the Stadium Authority under certain circumstances. **Section 25** of this bill generally exempts the Major League Baseball stadium project from laws requiring competitive bidding or specifying procedures for the procurement of goods or services, and from laws governing public works projects, except that the pertinent construction contracts must comply with the statutory prevailing wage provisions and, if the Stadium Authority determines a subcontract can be competitively bid without affecting the quality of the project, the subcontract must be competitively bid. Additionally, **section 26** of this bill requires that any contract or agreement entered into by a prime contractor for the construction of the Major League Baseball stadium project must include provisions requiring that at least 15 percent of the subcontracts for the project must be with small local businesses.

Section 27 of this bill requires the Stadium Authority to retain the sole and exclusive right to enter into agreements for the sale, license or transfer of personal seat licenses, stadium builder's licenses or other similar instruments for any and all seats in the Major League Baseball stadium project to generate revenues for the construction of the Major League Baseball stadium project.

Section 34 of this bill requires the Board of County Commissioners of Clark County to issue general obligation bonds of the County upon the request of the Board of Directors of the Stadium Authority if certain requirements have been met. **Section 34** also requires the proceeds from the issuance of the general obligation

bonds to be distributed to the Stadium Authority and used for certain purposes related to the Major League Baseball stadium project.

Sections 29 and 30 of this bill enact provisions governing the sources of revenue used to pay the debt service on bonds issued by the County pursuant to **section 34**. **Section 29**: (1) requires the Board of County Commissioners, in order to pay the principal and interest on bonds issued by the County pursuant to **section 34** and to make certain other payments, to pledge the proceeds of certain taxes, fees and charges imposed by the State and the County; and (2) provides that, with respect to the taxes, fees and charges imposed by the State, such a pledge does not constitute a pledge of the full faith and credit of the State and does not prevent the Legislature from enacting, amending or repealing any law or other legislative measure relating to those taxes, fees or charges. **Section 30** of this bill requires, under certain circumstances, the State Treasurer to provide a credit enhancement on bonds issued to finance the construction of the Major League Baseball stadium project. **Section 41** of this bill makes an appropriation of \$14,000,000 to the Nevada State Infrastructure Bank Fund for this credit enhancement, effective upon the passage and approval of this bill.

Section 32 of this bill requires the county treasurer of Clark County, after paying any principal, interest or other costs due in connection with any bonds and establishing a reserve fund, to transfer the proceeds of the taxes, fees and charges pledged to the financing or refinancing of the Major League Baseball stadium project to the Stadium Authority to be used for certain purposes.

Section 31 of this bill authorizes a developer partner of a qualified project to apply to the Stadium Authority for a certificate of eligibility for transferable tax credits. **Section 31** prohibits the Stadium Authority from approving more than \$36,000,000 in transferable tax credits in a fiscal year or \$180,000,000 in total for all qualified projects in this State.

Section 23 of this bill requires, as part of the development and operation of the Major League Baseball stadium project, the development of a community benefits agreement and the creation of a baseball stadium community oversight committee to oversee the implementation and administration of the community benefits agreement.

Section 35 of this bill provides that the authority of the Board of Directors to undertake the Major League Baseball stadium project expires under certain circumstances.

Sections 36-37.5 of this bill revise the membership of the Board of Directors of the Stadium Authority.

Existing law authorizes a person who intends to locate or expand a business in this State to apply to the Office of Economic Development for a partial abatement of certain taxes. The Office is required to approve an application for such a partial abatement if the Office makes certain determinations. (NRS 360.750) **Section 39** of this bill revises the determinations the Office must make to approve an application for such a partial abatement to require that a business provide certain paid family and medical leave to employees of the business. **Section 39** requires a business that will have at least 50 full-time employees on the payroll of the business by the eighth calendar quarter following the calendar quarter in which the abatement becomes effective to, by the earlier of the eighth calendar quarter following the calendar quarter in which the abatement becomes effective or the date on which the business has at least 50 employees on the payroll of the business: (1) have a policy for paid family and medical leave; and (2) agree that all employees who have been employed by the business for at least 1 year will be eligible for at least 12 weeks of paid family and medical leave at a rate of at least 55 percent of the regular wage of the employee. Further, the business must agree in writing that the business will not

take certain actions in relation to an employee's use of such paid family and medical leave. **Section 39** also provides that if a business has a policy for paid family and medical leave for employees on the payroll of the business outside of this State that meets or exceeds the requirements for a policy of paid family and medical leave set forth in **section 39** and the business agrees in writing that its employees on the payroll in this State are eligible for paid family and medical leave under the policy, the Office must determine that the business's policy meets the necessary requirements for obtaining the partial abatement.

Existing law requires that every contract to which a public body is a party that requires the employment of certain workers to perform the public work must require that such workers be paid at least the wages prevailing for the type of work that the worker performs in the region in which the public work is performed. (NRS 338.020) Existing law exempts from the requirements to pay the prevailing wage any work, construction, alteration, repair or other employment performed, undertaken or carried out, by or for any railroad company or any person operating the same, regardless of whether a public body is party to the contract. (NRS 338.080) **Section 38** of this bill removes this exemption, and as a result, any such activity or employment may be subject to the prevailing wage requirements.

Existing law also exempts the work of or incident to the installation and operation of a monorail from the prevailing wage requirements. (NRS 705.690) **Section 40** of this bill removes this exemption, and as a result, the work of or incident to the installation and operation of a monorail may be subject to the prevailing wage requirements.

Sec. 2. 1. The Legislature hereby finds that:

(a) Because the Las Vegas area is the most visited and economically significant tourism market within this State, the tourism industry within the Las Vegas area is critically important to the economy of that local area and this State, and the continued growth and success of the tourism industry within the Las Vegas area is particularly vital to the general welfare and prosperity of that local area and this State.

(b) A significant part of the continued growth and success of the tourism industry within the Las Vegas area depends upon the unique attractiveness, excitement, atmosphere and vitality of the Las Vegas Strip and the development of new, innovative and diversified facilities, venues and forms of entertainment within the Las Vegas area to ensure that the area may:

(1) Continue to be the preferred and premier destination for tourists from all walks of life in the ever-advancing technological age of the 21st century;

(2) Remain competitive with other national and international tourism destinations that are continually evolving and seeking to draw more tourists to their facilities, venues and forms of entertainment; and

(3) Retain its world-famous, unique and incomparably distinctive status as the Sports and Entertainment Capital of the World.

(c) It is in the public interest and beneficial to the public welfare to diversify, enhance and grow the largest tourism market in this State through the development of large-scale and one-of-a-kind convention, entertainment and sports venues and facilities within the Las Vegas area, including the Las Vegas Strip, by constructing and operating a state-of-the-art stadium capable of attracting professional sports franchises, such as teams from Major League Baseball, hosting national sporting events, such as the World Series and World Baseball Classic, playoff, tournament and championship games, and holding other large-scale entertainment and sports events, such as concerts, festivals, motor sports, prizefighting and rodeos.

(d) Because the Las Vegas area, including the Las Vegas Strip, is the largest tourism market in this State and because the Las Vegas area, including the Las Vegas Strip, is world famous, unique and incomparably distinctive, the Las Vegas area is the only area in this State that:

(a) Because the Las Vegas area is the only area in this State that is appropriate and suitable for the development of such large-scale and one-of-a-kind entertainment and sports venues and facilities and has all the necessary local and special attributes, conditions and resources that are essential to support such venues and facilities, it is necessary to enact a law of local and special application to promote, develop and secure the advantages of the local and special characteristics and circumstances within the Las Vegas area, which are found nowhere else within this State, and to benefit the residents of that local and special area.

(b) Therefore, given that a law of local and special application is necessary to promote, develop and secure the advantages of the local and special characteristics and circumstances within the Las Vegas area, which are found nowhere else within this State, and given that such a law is necessary to benefit the residents of that local and special area, a general law cannot be made applicable to the purposes, objects, powers, rights, privileges, immunities, liabilities, duties and disabilities set forth in this act.

2. The Stadium Authority and any prime contractor, construction manager or project manager selected by the Stadium Authority or a developer partner shall competitively bid all

subcontracts involving construction which the Stadium Authority determines can be competitively bid without affecting the quality of the Major League Baseball stadium project. Any determination by the Stadium Authority that such a subcontract can or cannot be competitively bid without affecting the quality of the Major League Baseball stadium project is conclusive in the absence of fraud or a gross abuse of discretion. Any determination by the Stadium Authority regarding the establishment of one or more procedures for competitive bidding, and any determination by a developer partner or its prime contractor, construction manager or project manager regarding the award of a contract to any bidder, is conclusive in the absence of fraud or a gross abuse of discretion.

Sec. 26. 1. In addition to any other requirements set forth in sections 18 to 35, inclusive, of this act, and except as otherwise provided in subsection 8, a development agreement entered into pursuant to section 22 of this act, a lease agreement entered into pursuant to that section, a combined development agreement and lease agreement entered into pursuant to that section and any other agreement of any kind entered into by the Stadium Authority with a developer partner, must include provisions which require that any contract or other agreement entered into by a prime contractor selected by the Stadium Authority or a developer partner for the construction of the Major League Baseball stadium project must include a provision requiring that at least 15 percent of the Major League Baseball stadium project must be subcontracted to small local businesses.

2. A business shall be deemed to be a small local business for the purposes of this section if:

4. A small local business to which work is subcontracted by a contractor pursuant to a contract or other agreement described in subsection 1 must ensure that its employees are hired in a manner that does not discriminate against any person on any basis prohibited by law. Such records must be made available for inspection to the Stadium Authority upon request.

7. Unless the requirements of subsection 1 are waived by the Stadium Authority pursuant to subsection 8, the failure of a prime

contractor to comply with the requirements of subsection 1 shall be deemed a material breach of contract.

8. The Stadium Authority may waive the requirements of subsection 1 if a prime contractor presents proof satisfactory to the Stadium Authority that there is an insufficient number of small local businesses available and qualified to subcontract for the work to be performed. Such proof must include, without limitation, evidence that:

2. The Stadium Authority may not grant any other person the right to enter into such agreements, but it may in the development agreement entered into pursuant to subsection 1 of section 22 of this act or a combined development and lease agreement entered into pursuant to subsection 4 of section 22 of this act, agree that any agreements regarding personal seat licenses or similar instruments will be made only in consultation with the developer partner or, if applicable, the Baseball Stadium Events Company and the Major League Baseball team. Such personal seat licenses or similar instruments may contain priority purchase rights to ticketed events in the Major League Baseball stadium project, including the home games of the Major League Baseball team.

3. Proceeds from the sale of personal seat licenses or similar instruments must be collected by or on behalf of the Stadium Authority for the benefit of the Major League Baseball stadium project and are a payment by purchasers to the owner of the Major League Baseball stadium project for special rights of access to events at the Major League Baseball stadium project.

4. With the consent of the Baseball Stadium Events Company and the Major League Baseball team, the Stadium Authority shall have the power to enter into one or more agreements with third parties pursuant to which it sells to each such third party, the right to receive and own the proceeds from the sale, license or transfer of personal seat licenses, stadium builder's licenses or other similar instruments as described in subsection 1, for cash and such other consideration as it deems appropriate to be paid upon sale or over time. Any financing or similar transaction by any such third party to effect such sale:

(b) Must not provide for recourse for monetary damages against the Stadium Authority for any reason, including any actual or alleged nonperformance by any person;

(c) Shall not give rise to any obligation or liability for monetary damages of the Stadium Authority to any person, including the third party or anyone purchasing a personal seat license or providing financing based on personal seat licenses through such third party or otherwise, but may, with the approval of the Baseball Stadium Events Company, provide remedies against the Baseball Stadium Events Company; and

The sports and entertainment improvement district must:

(a) Be located entirely within the County and outside the boundaries of any incorporated city;

(b) Include only parcels of land, or portions thereof, on which the Major League Baseball stadium project is or will be located and any surrounding or adjacent properties necessary for the operation of the Major League Baseball stadium project; and

3. The Board of County Commissioners may from time to time amend or modify the geographic boundaries of the sports and entertainment improvement district by ordinance, but any such amendment or modification must not:

(a) Impair any outstanding bonds or any revenues pledged to their payment;

(b) Exclude from the sports and entertainment improvement district any parcel of land, or portion thereof, on which the Major League Baseball stadium project is or will be located or any surrounding or adjacent property necessary for the operation of the Major League Baseball stadium project; or

4. With respect to any parcel of land that is split by the boundary of the sports and entertainment improvement district established pursuant to this section, the County Treasurer or County Assessor shall determine the apportionment of the proceeds of taxes collected within such a parcel for the purposes of section 29 of this act. All determinations of the County Treasurer or County Assessor pursuant to this section shall be deemed to be conclusive, absent fraud or a gross abuse of discretion.

Sec. 29. 1. Subject to the provisions of subsection 8, to pay the principal of and interest on bonds issued by the County, whether funded, refunded or otherwise, and incurred by the County to finance or refinance, in whole or in part, the Major League Baseball stadium project, and to pay for other amounts described in subsection 4 of section 32 of this act, the Board of County Commissioners shall pledge the proceeds of:

(2) Continue after the dates set forth in subparagraph (1) with respect to the remaining 10 percent of the taxes, fees and charges collected in a fiscal year so long as the Major League Baseball stadium project is owned by the Stadium Authority.

8. Notwithstanding any other provisions of this act, with respect to the taxes, fees and charges imposed by the state government and described in paragraph (a) of subsection 1, the provisions of this section do not, under any circumstances, create, cause or constitute for the State:

(a) Any form of contract, obligation or pledge granting, providing or otherwise securing the full faith and credit of the State for any payment, assumption, liability, surety, guarantee, assurance, compromise, settlement, discharge or other relief, in whole or in part, of any public or private debts of any kind or nature whatsoever; or

(b) Any surrender by the Legislature of any sovereign power of the state government to enact, amend or repeal any law, resolution or other legislative measure.

Sec. 30. 1. Subject to the provisions of subsections 7 and 10:

(a) The State Treasurer shall provide a credit enhancement of not less than 0.5 times the anticipated average annual debt service for each fiscal year of the term of bonds issued to finance the construction of the Major League Baseball stadium project from funds appropriated for the initial deposit or other funds available for that purpose.

(b) The credit enhancement may take the form of any insurance, letter of credit or other financial instrument or structure, as reasonably determined by the State Treasurer, including, without limitation, the form of other financial assistance from the Nevada

State Infrastructure Bank to the extent authorized by NRS 408.55061, except that the form of the credit enhancement utilized shall be subject to approval by the Board of Directors and the chief financial officer of the County, neither of whom shall unreasonably withhold their approval of the form of credit enhancement proposed by the State Treasurer.

2. Such reinstatement of the credit enhancement shall not prohibit the State Treasurer from subsequently making a written request to the Stadium Authority and chief financial officer of the County for a reduction or cessation of the credit enhancement pursuant to paragraph (a) or (b), as applicable.

↳ If the State Treasurer submits a written request for approval pursuant to any provision of this subsection, such approval shall not be unreasonably withheld by either the Board of Directors or the chief financial officer of the County.

4. Subject to the provisions of subsections 7 and 10, the terms of any credit enhancement provided pursuant to subsection 1 must be set forth in an agreement entered into by the Stadium Authority, the County and the State relating to the financing of the Major

League Baseball stadium project. Such an agreement must contain notice and administrative terms with respect to the credit enhancement as agreed to by the Stadium Authority, the County and the State.

5. Subject to the provisions of subsections 7 and 10, any credit enhancement provided pursuant to subsection 1 may be pledged as additional security for the bonds and must provide that:

(a) The State Treasurer shall deposit into a designated fund for the credit enhancement an amount of money sufficient to carry out the provisions of this section, with the minimum amount being equal to 50 percent of the debt service due on the bonds in each of the next two successive fiscal years; and

(b) If the amount on deposit in the designated fund for the credit enhancement is drawn upon to pay debt service on the bonds, or if such amount is less than the minimum amount described in paragraph (a), the State Treasurer shall gather, transfer and deposit, as applicable, unencumbered money not already committed for expenditure, in an amount sufficient to replenish the designated fund for the credit enhancement to the minimum amount described in paragraph (a), from one or more of the following sources in the following order of priority:

(1) The amount of any appropriations made by law to replenish, in whole or in part, the designated fund for the credit enhancement.

(4) Funds on deposit in the Consolidated Bond Interest and Redemption Fund pursuant to NRS 349.100.

(5) Funds on deposit in the Account to Stabilize the Operation of the State Government in the State General Fund pursuant to NRS 353.288. (6) The unreserved fund balance in the State General Fund.

6. At the end of the fiscal year in which the bonds are fully repaid, any amount remaining in the designated fund for the credit enhancement created pursuant to subsection 5 reverts to the State General Fund.

7. Subject to the provisions of this subsection and subsection 10, to the extent that the proceeds of the taxes, fees and charges pledged pursuant to section 29 of this act are insufficient to make the scheduled payment on debt service on bonds, money held in the designated fund for the credit enhancement pursuant to subsection 5 may be drawn upon and transferred to the County Treasurer to enable the County Treasurer to make the scheduled payment. To draw upon and transfer any amount of money held in the designated fund for the credit enhancement pursuant to subsection 5 to enable the County Treasurer to make a scheduled payment on debt service on bonds, the following procedure must be followed:

(a) The County Treasurer must submit a written request to the Interim Finance Committee to approve the transfer of money held in the designated fund for the credit enhancement to the County Treasurer. The written request must:

(1) State that the proceeds of the taxes, charges and fees pledged pursuant to section 29 of this act are insufficient to make a scheduled payment on debt service on bonds;

(2) State the amount of money held in the designated fund for the credit enhancement that the County Treasurer has calculated is necessary to make the scheduled payment on debt service on the bonds; and

(3) Be submitted to the Interim Finance Committee not less than 60 days before such scheduled payment is required to be made under the terms of the bonds.

(b) Not later than 30 days after receiving a written request pursuant to paragraph (a), the Interim Finance Committee shall:

(1) Consider the request; and

(2) Upon finding that the proceeds of the taxes, charges and fees pledged pursuant to section 29 of this act are insufficient to make a scheduled payment on debt service on the bonds, approve a transfer of money held in the designated fund for the credit enhancement to the County Treasurer in an amount of money that the Interim Finance Committee finds is necessary to make the scheduled payment.

(c) Not later than 10 days after the Interim Finance Committee approves a transfer of money pursuant to subparagraph (2) of paragraph (b), the State Treasurer shall transfer the approved amount of money from the designated fund for the credit enhancement to the County Treasurer, and the County Treasurer shall use the transferred amount of money solely to make the scheduled payment on debt service on the bonds.

8. Subject to the provisions of subsections 7 and 10:

(a) Any draw upon the designated fund for the credit enhancement pursuant to this section shall be deemed a loan from the designated fund for the credit enhancement to the County, and any such loan shall be deemed a special obligation of the County payable solely from money deposited in the baseball stadium tax account and available to reimburse the State pursuant to paragraph (d) of subsection 4 of section 32 of this act.

(b) Any failure to make payments of any amounts due under the special obligation of the County because of any insufficiency in the amount of money in the baseball stadium tax account that is available to reimburse the State pursuant to paragraph (d) of subsection 4 of section 32 of this act in order to make those payments shall be deemed not to constitute a default on the special obligation of the County.

(c) Any such loan from the designated fund for the credit enhancement to the County shall not be considered as a general obligation of the County for any purpose, including, without limitation, when determining any limit on the debt of the County, and if there are insufficient funds pursuant to section 32 of this act to repay the State, the State Treasurer shall not withhold the payments of any other money that would otherwise be distributed to the County from any source.

9. Subject to the provisions of subsections 7 and 10, any money gathered, transferred and deposited by the State Treasurer into the designated fund for the credit enhancement pursuant to any provision of this section must be used solely for the purposes set forth in this section and is hereby authorized for expenditure as a continuing appropriation solely for the purposes set forth in this section.

10. Notwithstanding any other provisions of this act, with respect to any credit enhancement provided pursuant to subsection 1, the provisions of this section do not, under any circumstances, create, cause or constitute for the State:

(a) The project must be a qualified project;

(b) The Board of County Commissioners must have issued bonds to fund construction of the project; and

(c) The developer partner must, on behalf of the project, submit an application to the Stadium Authority demonstrating that the requirements set forth in paragraphs (a) and (b) have been satisfied.

3. If the Stadium Authority receives an application pursuant to subsection 2, the Stadium Authority shall approve such application if the Stadium Authority finds that the project is a qualified project and the requirements set forth in subsection 2 are otherwise satisfied. The Stadium Authority shall issue a decision on the application not later than 30 days after the Stadium Authority's receipt of such application that the Stadium Authority deems complete.

4. If the Stadium Authority approves an application for a certificate of eligibility for transferable tax credits submitted pursuant to subsection 2, the Stadium Authority shall immediately forward a copy of the certificate of eligibility which identifies the estimated amount of the tax credits available pursuant to this section to:

6. For the purpose of computing the amount of transferable tax credits for which a qualified project is eligible pursuant to subsection 5, and subject to paragraph (f) of subsection 8, a qualified project shall be entitled to transferable tax credits in an amount equal to 20 percent of the total amount of transferable tax credits approved pursuant to subsection 5 per milestone upon the achievement of each of the milestones listed below:

(2) As a result of force majeure as determined pursuant to the development agreement; and

(e) The Major League Baseball team's completion of its first full season of home Major League Baseball games held at the qualifying project.

7. Within 30 days of achieving any of the milestones described in subsection 6, the developer partner shall provide written notice to the Stadium Authority describing the milestone that has been achieved and setting forth the developer partner's irrevocable declaration of the amount of transferable tax credits that will be applied to each fee or tax set forth in paragraphs (a), (b) and (c) of subsection 1, thereby accounting for all of the credits which will be issued with respect to the relevant milestone. Upon receipt of such

written notice and accompanying declaration and the Stadium Authority's confirmation that the relevant milestone has been achieved, the Stadium Authority shall issue to the developer partner a certificate of transferable tax credits in the amount approved by the Stadium Authority for the fees or taxes included in the declaration. The Stadium Authority shall notify the Department of Taxation and the Nevada Gaming Control Board of all transferable tax credits issued, segregated by each fee or tax set forth in paragraphs (a), (b) and (c) of subsection 1, and the amount of any transferable tax credits transferred.

8. Except as otherwise provided in this section:

(b) The total amount of transferable tax credits issued pursuant to this section to all qualified projects in this State must not exceed \$180,000,000.

(d) If and to the extent that the total amount of transferable tax credits approved pursuant to subsection 5 exceeds \$60,000,000, the amount of transferable tax credits in excess of \$60,000,000 will be refunded to the State by the Stadium Authority using money in the baseball stadium tax account pursuant to subsection 4 of section 32 of this act.

(e) Each transferable tax credit issued pursuant to this section expires 5 years after the date on which the transferable tax credit is issued to the developer partner. A transferable tax credit issued pursuant to this section may be transferred only once.

(f) The developer partner shall be required to pay to the State an amount equal to the total amount of transferable tax credits issued to the developer partner pursuant to this section if a certificate of occupancy or other governmental authorization required in order to operate the qualified project has not been obtained within 60 months after the issuance by the Board of County Commissioners of the

bonds to fund construction of the qualified project, or a longer period if the 60-month period is extended:

(1) By the Board of Directors upon a determination by the Board of Directors that an extension of such period is necessary or desirable; or

(2) As a result of force majeure as determined pursuant to the development agreement.

(c) From the proceeds remaining after the payments required by paragraphs (a) and (b), to create and make contributions to a debt service reserve fund:

8. Any debt service reserve fund described in this section to secure the payment of the bonds must be held by the County or a trustee for the bonds. The debt service reserve fund must be funded with cash and investments permitted by the bond ordinance and NRS 355.170. the Baseball Stadium Events Company or the Major League Baseball team, or any affiliate, subsidiary or entity related to such a person, must provide that:

(a) The contribution of the Stadium Authority to the costs of construction of the Major League Baseball stadium project, excluding debt service on the bonds and the proceeds from the sale, transfer or license of personal seat licenses, stadium builder's licenses or other similar instruments pursuant to section 27 of this act and the sale of other assets of the project which must be used to pay the costs of the project and capital improvements thereto and including the transferable tax credits described in section 31 of this act, must not exceed the lesser of:

(1) The amount of \$380,000,000; or

(2) The amount of money generated and contributed to the construction fund by the taxes, fees and charges described in section 29 of this act before the issuance of the bonds, plus the amount of \$25,000,000 as provided in subsection 3 and the maximum amount that may be raised and contributed to the construction fund from the issuance of the bonds that are secured to the extent authorized by the provisions of this act by the proceeds of the taxes, fees and charges described in section 29 of this act, as reasonably determined by the chief financial officer of the County and the State Treasurer, after payment of issuance costs, including capitalized interest, if applicable, and the cost of funding the debt service reserve fund, plus the amount of transferable tax credits described in section 31 of this act.

(b) The total debt undertaken by the Board of County Commissioners at the request of the Stadium Authority must not at any time exceed the amount required to satisfy the amount set forth in paragraph (a), minus:

(1) The amount generated by the taxes, fees and charges described in section 29 of this act before the issuance of the bonds; and

exempt from ad valorem property taxes in this State. The provisions of this paragraph do not apply to:

(1) Any leasehold improvements that the Stadium Authority and the Baseball Stadium Events Company or the Major League Baseball team agree are made solely by the Baseball Stadium Events Company or the Major League Baseball team; or

(2) Any personal property owned by the Major League Baseball team.

↳ If any such leasehold improvements remain in existence at the expiration of the lease, such leasehold improvements must be transferred to the Stadium Authority at the expiration of the lease agreement and, at that time, becomes the sole and exclusive property of the Stadium Authority, unless otherwise provided in an agreement between the Stadium Authority and the Baseball Stadium Events Company or the Major League Baseball team. The ad valorem property tax exemption provided in this paragraph shall be terminated if the Stadium Authority, or any successor governmental entity, ceases to be the owner of the Major League Baseball stadium project.

(d) A developer partner and the Major League Baseball team must ensure that any required transfer of land, improvements or property occurs before the issuance of the bonds or simultaneously with the issuance of the bonds, provided that the Major League Baseball team may have the option to repurchase the Major League Baseball stadium project at the end of the lease period, including any extensions, at a cost reasonably determined through a third-party appraisal obtained by the Board of Directors.

(e) The land on which the Major League Baseball stadium project is to be located must be dedicated to the Stadium Authority at no cost to the Stadium Authority before the issuance of the bonds or simultaneously with the issuance of the bonds, provided that the Major League Baseball team may have the option to repurchase the Major League Baseball stadium project at the end of the lease period, including any extensions, at a cost reasonably determined through a third-party appraisal obtained by the Board of Directors.

2. Except as otherwise provided in this act, the contribution of the Stadium Authority to the cost of the development and construction of the Major League Baseball stadium project must be proportional in terms of amount, contemporaneous in terms of timing and similar in terms of risk profile to the contribution to the cost of the development and construction of the project by the developer partner and:

(a) The developer partner shall pay the initial \$100,000,000 of the costs of the Major League Baseball stadium project.

(b) Payments after the initial payment described in paragraph (a) will be pro-rata based on the percentage of the total cost of the project described in paragraph (h) of subsection 1 of section 34 of this act to be paid from money derived from the proceeds of the bonds and the taxes, fees and charges described in section 29 of this act, excluding the proceeds of the taxes, fees and charges used to pay principal and interest on the bonds, and the proceeds generated from the transfer of the transferable tax credits described in section 31 of this act, compared to the costs to be paid from other sources, as adjusted to reflect that money derived from the proceeds of the bonds and the taxes, fees and charges described in section 29 of this act, excluding the proceeds of the taxes, fees and charges used to pay principal and interest on the bonds, together with the proceeds generated from the transfer of the transferable tax credits described in section 31 of this act, will be used to pay the last \$50,000,000 of the cost of the project.

(c) The procedures for making monthly draws for the cost of the project will be delineated in a trust agreement, which will ensure that no money derived from the proceeds of the bonds, the taxes, fees and charges described in section 29 of this act and the proceeds generated from the transfer of the transferable tax credits described in section 31 of this act are expended unless money of the developer partner is simultaneously expended and that no funds of the developer partner are expended unless money derived from the proceeds of the bonds, the taxes, fees and charges described in section 29 of this act and the proceeds generated from the transfer of the transferable tax credits described in section 31 of this act are simultaneously expended, except for the initial payment described in paragraph (a) and the last payment described in paragraph (b).

(d) A trust agreement governing the draw of money for the costs of the project will detail the evidence required to be provided before a draw can be made and the requirements for an independent engineer to review all work before the draw of money.

(e) The independent engineer described in paragraph (d) will review the project sources and uses of money each month and, if the independent engineer determines that there is a need for additional money for the project because of a cost overrun, no payment may be made from money derived from the proceeds of the bonds or the taxes, fees and charges described in section 29 of this act until the cost overrun is paid from a source or combination of sources

described in subparagraphs (1), (2) and (3) of paragraph (f) of subsection 1 of section 34 of this act.

3. Any development agreement entered into between the developer partner and the County or any municipality in which the project is located, including, without limitation, any agreement required to be entered into with a local government pursuant to paragraph (h) of subsection 2 of section 22 of this act, shall provide that the County or any other municipality in which the project is located shall provide a credit in an amount not less than \$25,000,000 for any costs, expenses or charges imposed upon, assessed to or otherwise required to be incurred by the developer partner as part of such agreement.

Sec. 34. 1. The Board of Directors shall request that the Board of County Commissioners issue bonds of the County pursuant to subsection 2 if the Board of Directors determines that:

(a) The Stadium Authority has:

(1) Entered into a development agreement, a lease agreement and a non-relocation agreement pursuant to subsections 2, 3 and 5 of section 22 of this act or a combined development and lease agreement pursuant to subsection 4 of section 22 of this act and a non-relocation agreement pursuant to subsection 5 of section 22 of this act; and

(b) The proceeds of the taxes, fees and charges described in section 29 of this act that will be pledged to the payment of the bonds issued by the County pursuant to this section and the Local Government Securities Law, when combined with any credit enhancement provided pursuant to section 30 of this act, will reasonably generate sufficient revenue to meet or exceed the debt service coverage ratio of 2.0 times the anticipated annual debt service for each year of the term of the bonds.

(c) The Board of County Commissioners has enacted the ordinance creating the sports and entertainment improvement district and pledging the taxes, fees and charges described in section 29 of this act.

(d) The contract for the construction of the Major League Baseball stadium project is a guaranteed maximum price contract with a contingency amount of 10 percent of the estimated hard costs of the Major League Baseball stadium project or such lesser percentage as is determined to be adequate by the Board of Directors but not less than 5 percent of the estimated hard costs of Major League Baseball stadium project.

(e) The prime contractor for the construction of the Major League Baseball stadium project has provided adequate security to guarantee timely performance of the construction of the project and liquidated damages related thereto.

(f) A developer partner has provided a financing commitment that the Board of Directors finds is sufficient to pay the portion of the estimated cost of the Major League Baseball stadium project that is to be paid from sources other than money derived from the proceeds of the bonds issued pursuant to this section, plus the contingency amount approved by the Board pursuant to paragraph (d), and is secured by any combination of the following:

(1) An irrevocable deposit of cash into a stadium project construction fund held in trust by a commercial bank with trust powers, which is established by a developer partner and the Stadium Authority and which cannot be used for any purpose other than payment of the cost of the project until those costs have been paid in full.

(2) Closed construction debt financing, from a lender or lenders rated “BBB+” or better by Standard and Poor’s Rating Services or “Baa1” or better by Moody’s Investor Services, Inc., or their equivalent as determined by the Board of Directors, which allows draws for the costs of construction of the project, interest during construction and any costs of issuance. A draw under the closed construction debt financing may be subject to conditions precedent, including, without limitation, a condition that there has been delivery of proof of the availability of County money, a condition that there has been delivery of satisfactory reports from an independent engineer that certifies work being paid for under the closed construction debt financing has been completed and that stored materials have been verified, any condition required by state or federal regulations or regulators governing banks and any condition that relates to confirmation of insurance for the project. Such conditions precedent may also be required by the Board of County Commissioners or the Stadium Authority to allow a draw on the proceeds of the bonds issued pursuant to this section which are held in trust by a commercial bank with trust powers.

(3) Irrevocable letters of credit or commitments to pay the costs of construction of the project, which irrevocably and unconditionally allow draws for the costs of construction of the project and no other purpose until those costs have been paid in full, which is provided by a bank with at least \$1 billion in assets that is rated “BBB+” or better by Standard and Poor’s Rating Services or

“Baal” or better by Moody’s Investor Services, Inc., or their equivalent as determined by the Board of Directors.

(g) A developer partner and the required state or local government counterparty have executed any development agreements required by state or local governments relative to providing adequate offsite infrastructure improvements for the Major League Baseball stadium project.

(h) The Stadium Authority and a developer partner have agreed on an estimate of the total cost of the Major League Baseball stadium project.

2. Except as otherwise provided in subsection 3, upon the request of the Board of Directors pursuant to subsection 1, the Board of County Commissioners shall issue bonds of the County in an amount that can be supported by the proceeds of the taxes, fees and charges described in section 29 of this act, together, if necessary, with the credit enhancement described in section 30 of this act, while also meeting the debt service coverage ratio required pursuant to subsection 1. After payment of the costs of issuing the bonds and making provisions for any required debt service reserve fund, the proceeds of any bonds issued pursuant to this subsection must be allocated to the Stadium Authority to be used for the Major League Baseball stadium project.

3. The Board of County Commissioners shall not issue bonds pursuant to subsection 2 unless the Board of County Commissioners finds that:

(a) The requirements of subsection 1 have been satisfied; and

(b) Payment of the costs of construction of the Major League Baseball stadium project will be made over time by both the Stadium Authority and a developer partner in accordance with subsection 2 of section 33 of this act.

4. The bonds required to be issued pursuant to this section must be issued pursuant to the Local Government Securities Law, and any bonds issued pursuant to this section may be refunded by the County as provided in the Local Government Securities Law.

5. If the Board of County Commissioners issues bonds of the County pursuant to subsection 2 and the Board of County Commissioners has made the findings set forth in subsection 3:
