CHAPTER.....

AN ACT relating to counties; authorizing a county to use revenue collected from certain telephone surcharges to pay for an analysis or audit of the surcharges collected by a telecommunications provider, certain costs related to a master plan and certain costs for personnel and training associated with portable event recording devices and vehicular event recording devices; providing the conditions under which the audits may be performed; prioritizing the expenditure of the proceeds of certain telephone surcharges; requiring a recipient of money collected from the surcharge to repay or return that money under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

(NRS 244A.7643) If a county imposes such a surcharge, the revenue collected from the surcharge must be deposited in a special revenue fund and used only for certain purposes. (NRS 244A.7645)

**Section 1.3** of this bill authorizes the revenue collected from the surcharge to also be used to pay for the costs of an analysis or audit of the surcharges collected by a telecommunications provider. **Section 1** of this bill authorizes the board of county commissioners in a county where a surcharge is imposed to engage an independent auditor to perform such an analysis or audit: (1) as part of the mandatory review of the 5-year master plan; or (2) if a previous analysis or audit revealed evidence of a violation of certain provisions of law with respect to the amount of money a telecommunications provider collected or remitted to the county.

**Section 1.3** further authorizes the revenue collected from the surcharge to also be used for personnel and training associated with: (1) maintaining, updating and operating the equipment, hardware and software of portable event recording devices and vehicular event recording devices; and (2) the maintenance, retention and redaction of audio and video events recorded on portable event recording devices and vehicular event recording devices.

**Section 1.3** establishes the order of priority that revenue collected from the surcharge may be expended.

**Section 1.3** also requires a recipient to: (1) return money not used within 6 months for an approved purpose; (2) repay any money that is not used for an approved purpose; and (3) repay any amount to which the recipient was not entitled to receive.
