

CHAPTER.....

AN ACT relating to concealed firearms; revising certain provisions relating to permits to carry concealed firearms; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, a person applying for a permit to carry a firearm in a concealed manner is required to list on an application each specific semiautomatic firearm to which the permit will pertain but may receive a permit for all revolvers owned by the person without listing each revolver specifically. (NRS 202.3657) This bill revises this provision to allow a person to complete one application and obtain one permit to carry in concealment all firearms owned by the person. The application must specify whether it pertains to revolvers, semiautomatic firearms or both, and the applicant must demonstrate competence with each category of firearm, as applicable. The permit is then valid for any firearm within each category of firearm listed on the permit which is owned or obtained by the person.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.
