Legislative Counsel’s Digest:

1 Existing law establishes the Governor Guinn Millennium Scholarship Program
2 to provide money to certain students for secondary education and the certain
3 criteria for eligibility for such a scholarship. Such criteria includes a requirement
4 that a student be enrolled in a certain number of credit hours in a community
5 college or other eligible institution. (NRS 396.926, 396.930) **Section 1** of this bill
6 increases the number of credit hours in which a community college student must be
7 enrolled in order to be eligible for a Millennium Scholarship from 6 credit hours to
8 9 credit hours beginning July 1, 2015. Existing law further limits the total amount
9 of money that a student may receive from a Millennium Scholarship to not more
10 than the cost of 12 semester credits per semester and a total amount of not more
11 than \$10,000. (NRS 396.934) **Section 3** of this bill increases the amount that such a
12 student may receive from a Millennium Scholarship for a semester to not more than
13 the cost of 15 semester credits per semester but the cumulative maximum amount
14 of money that such a student may receive remains unchanged at \$10,000.
