AN ACT relating to motor vehicles; providing for the issuance of special license plates for family members of persons who died as a result of injuries sustained while on active duty in the Armed Forces of the United States; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Under existing law, certain veterans and family members of veterans are entitled to be issued license plates specially designed by the Department of Motor Vehicles, including veterans who survived the attack on Pearl Harbor, disabled veterans, veterans who were prisoners of war, veterans who were awarded the Purple Heart or the Congressional Medal of Honor and family members of persons who were killed in the line of duty while on active duty in the Armed Forces of the United States. (NRS 482.3765, 482.377, 482.3775, 482.378, 482.3785) This bill entitles qualified persons to be issued license plates specially designed by the Department of Motor Vehicles to indicate that the recipient is a family member of a person who died as a result of injuries sustained while on active duty in the Armed Forces of the United States. This bill excepts these special license plates from: (1) the provisions that require a minimum number of applications for the plates; (2) the requirement that the Commission on Special License Plates approve or disapprove the plates; and (3) the limit on the number of separate designs of special license plates that may be issued by the Department at any one time.

have been authorized by an act of the Legislature or the application for which has been approved by the Commission on Special License Plates pursuant to subsection 5 of NRS 482.367004, not to exceed a total of 25 designs issued by the Department at any one time. Such additional designs must be issued by the Department in accordance with the chronological order of their authorization or approval.

3. Except as otherwise provided in this subsection, on October 1 of each year the Department shall assess the viability of each separate design of special license plate that the Department is currently issuing by determining the total number of validly registered motor vehicles to which that design of special license plate is affixed. The Department shall not determine the total number of validly registered motor vehicles to which a particular design of special license plate is affixed if:

↳ the Director shall, notwithstanding any other provision of law to the contrary, issue an order providing that the Department will no longer issue that particular design of special license plate. Such an order does not require existing holders of that particular design of special license plate to surrender their plates to the Department and does not prohibit those holders from renewing those plates.

Sec. 5. NRS 482.36705 is hereby amended to read as follows:

482.36705 1. Except as otherwise provided in subsection 2:

(a) If a new special license plate is authorized by an act of the Legislature after January 1, 2003, other than a special license plate that is authorized pursuant to NRS 482.379375, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Department receives at least 1,000 applications for the issuance of that plate within 2 years after the effective date of the act of the Legislature that authorized the plate.

(b) In addition to the requirements set forth in paragraph (a), if a new special license plate is authorized by an act of the Legislature after July 1, 2005, the Legislature will direct that the license plate not be issued by the Department unless its issuance complies with subsection 2 of NRS 482.367008.

(c) In addition to the requirements set forth in paragraphs (a) and (b), if a new special license plate is authorized by an act of the Legislature after January 1, 2007, the Legislature will direct that the license plate not be designed, prepared or issued by the Department unless the Commission on Special License Plates approves the application for the authorized plate pursuant to NRS 482.367004.

2. The provisions of subsection 1 do not apply with regard to special license plates that are issued pursuant to NRS 482.3785  *or section 1 of this act.*

Sec. 6. NRS 482.3824 is hereby amended to read as follows:

482.3824 1. Except as otherwise provided in NRS 482.38279, with respect to any special license plate that is issued pursuant to NRS 482.3667 to 482.3823, inclusive, *and section 1 of this act*, and for which additional fees are imposed for the issuance of the special license plate to generate financial support for a charitable organization:

The Department may not issue a special license plate for such other types of vehicles if the Department determines that the design or manufacture of the plate for those other types of vehicles would not be feasible. In addition, if the Department incurs additional costs to manufacture a special license plate for such other types of vehicles, including, without limitation, costs associated with the purchase, manufacture or modification of dies or other equipment necessary to manufacture the special license plate for such other types of vehicles, those additional costs must be paid from private sources without any expense to the State of Nevada.

2. If, as authorized pursuant to paragraph (b) of subsection 1, the Department issues a special license plate for a trailer, motorcycle or other type of vehicle that is not a passenger car or light commercial vehicle, the Department shall charge and collect for the issuance and renewal of such a plate the same fees that the Department would charge and collect if the other type of vehicle was a passenger car or light commercial vehicle. As used in this subsection, "fees" does not include any applicable registration or license fees or governmental services taxes.

3. As used in this section:

(a) "Additional fees" has the meaning ascribed to it in NRS 482.38273.

(b) “Charitable organization” means a particular cause, charity or other entity that receives money from the imposition of additional fees in connection with the issuance of a special license plate pursuant to NRS 482.3667 to 482.3823, inclusive ~~[]~~, *and section 1 of this act*.
