EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to body shops; authorizing a body shop to impose certain charges for storage of a motor vehicle; requiring that body shops include rates for storage of vehicles in written estimates; requiring that body shops notify certain registered owners of a motor vehicle of charges for storage; revising provisions governing information that body shops are required to submit to the Department of Motor Vehicles; providing penalties; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law provides that a body shop may charge for storage of a motor  
2 vehicle if the owner or insurer of the motor vehicle elects to take possession of the  
3 motor vehicle instead of authorizing certain repairs and fails to take possession  
4 within 24 hours after that election. (NRS 487.6881) **Section 2** of this bill authorizes  
5 a body shop, under certain circumstances, to impose a charge for storage of a motor  
6 vehicle that is in the possession of the body shop: (1) before the body shop receives  
7 authorization to repair the vehicle; and (2) not less than 24 hours after the person  
8 authorizing the repairs has been notified that the repairs are complete. **Section 2**  
9 also provides that any such charge for storage of a motor vehicle must not exceed  
10 an amount that is one and one-half times the average prevailing rate for storage  
11 charged by body shops in the same geographic area, as determined by the  
12 Department of Motor Vehicles, except that a body shop may request a hearing by  
13 the Department to show good cause as to why the body shop should be allowed to  
14 impose a charge which exceeds that limit.

15 Under existing law, a body shop must complete an on-line survey to report  
16 certain information, including the labor rate charged by the body shop, to the  
17 Department of Motor Vehicles within 60 days immediately preceding the date of  
18 submission of the application for renewal of the license of the body shop. (NRS  
19 487.685) **Section 5** of this bill requires that a body shop also report to the  
20 Department in the on-line survey the daily rate charged by the body shop for  
21 storage of vehicles, if any, including both an indoor vehicle storage rate and an  
22 outdoor vehicle storage rate, if those rates differ. **Section 6** of this bill requires the  
23 Department to calculate and post the prevailing storage rates for each specific  
24 geographic area in a report that must be made available to the public on-line.  
25 (NRS 487.686)

26 Existing law requires a body shop to provide to a person requesting or  
27 authorizing the repair of a motor vehicle a written estimate or statement indicating  
28 the total charge for the repair, including the charge for labor and all parts and  
29 accessories necessary to perform the work. (NRS 487.6875) Existing law also  
30 requires a body shop to display in its place of business a sign setting forth various  
31 rights of the customer, including the right to receive a written estimate of charges  
32 for repairs made to the vehicle which exceed \$50. (NRS 487.6871) **Section 9** of  
33 this bill requires that the person requesting or authorizing the repair is also entitled  
34 to receive from the body shop a written statement of charges for storage of the  
35 vehicle, if any, which could exceed \$50. **Section 7** of this bill provides that the sign  
36 in a body shop which is required to set forth the various rights of the customer must  
37 also include language stating that the customer is entitled to receive a written  
38 statement of charges for storage of the vehicle, if any, which could exceed \$50.

39 **Section 3** of this bill provides that if a motor vehicle is towed to a body shop at  
40 the request of someone other than the registered owner or an authorized agent of  
41 the owner, the body shop which receives the motor vehicle must provide notice,  
42 return receipt requested, to the registered owner of the motor vehicle, which notice  
43 must include the location of the body shop and certain other information, including  
44 the storage fee, if any, charged by the body shop. **Section 3** further provides that  
45 the body shop may not impose a charge for storage of such a motor vehicle until it  
46 receives the return receipt from the registered owner of the vehicle.

47 **Sections 12-14** of this bill provide for injunctive relief, civil penalties and a  
48 criminal misdemeanor penalty for violations of the provisions of this bill.
