AN ACT relating to services for persons with intellectual and developmental disabilities; revising the financial information that a provider of jobs and day training services is required to submit to be certified to provide such services; revising provision governing assistance provided to certain caregivers; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law requires a partnership, firm, corporation or association that wishes
2 to provide jobs and day training services to persons with intellectual or
3 developmental disabilities to be certified by the Aging and Disability Services
4 Division of the Department of Health and Human Services. (NRS 435.225)
5 Existing law requires such a partnership, firm, corporation or association, before
6 being issued a certificate and annually thereafter as a condition of certification, to:
7 (1) be on file and in good standing with the Secretary of State and organized
8 according to Nevada law; and (2) submit to the Division an annual financial audit
9 and certain additional documentation if the partnership, firm, corporation or
10 association is a nonprofit organization. (NRS 435.227) This bill removes the
11 requirements to submit an annual financial audit and the additional documentation
12 if the partnership, firm, corporation or association is a nonprofit organization.
13 Instead, this bill requires a partnership, firm, corporation or association that
14 provides or wishes to be certified to provide such jobs and day training services to

15 submit any financial documents and statements requested by the Division for the
16 purpose of evaluating the financial solvency of the partnership, firm, corporation or
17 association.

18 Existing law makes it possible for certain relatives who care for a person who
19 has been diagnosed with a profound or severe intellectual disability or with a
20 developmental disability to receive assistance from the Aging and Disability
21 Services Division to the extent that money is available for that purpose. (NRS
22 435.465) **Section 2** of this bill revises this provision to include only caregivers of a
23 person who has been diagnosed with an intellectual disability.
