AN ACT relating to parole; replacing the requirement for prisoners convicted of certain sexual offenses to be certified by a panel before being released on parole with a process to evaluate such prisoners before their parole is granted or continued; authorizing the State Board of Parole Commissioners to request an evaluation of certain sex offenders; revising provisions relating to immunity from liability based upon certain actions of a panel; providing that certain meetings of a panel are subject to and exempt from the provisions of the Open Meeting Law; requiring the adoption of regulations; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Existing law prohibits the State Board of Parole Commissioners from releasing  
2 on parole a prisoner convicted of certain sexual offenses unless a panel certifies that  
3 the prisoner does not represent a high risk to reoffend. (NRS 213.1214) The Nevada  
4 Supreme Court has held that: (1) certification by a panel is necessary only when  
5 parole will lead to a prisoner’s release from prison; (2) the statutory immunity from  
6 liability does not prohibit a cause of action regarding the process of conducting a  
7 panel hearing or the validity of the statute; and (3) when the panel considers new  
8 allegations, the panel must comply with the requirements of the Open Meeting  
9 Law. (*Stockmeier v. Psychol. Rev. Panel*, 122 Nev. 385 (2006))

10 This bill: (1) removes the requirement that a prisoner convicted of certain  
11 sexual offenses be certified by a panel and instead requires that before being  
12 granted or continued on parole, such a prisoner be evaluated by a panel as to his or  
13 her risk to reoffend in a sexual manner; (2) authorizes the State Board of Parole  
14 Commissioners to require an evaluation of a sex offender if the evaluation may  
15 assist the Board in certain decisions related to parole; (3) clarifies that a prisoner  
16 does not have a right to be evaluated or reevaluated by a panel and that the actions  
17 of a panel in evaluating, not evaluating or considering or relying on an evaluation  
18 do not give rise to a cause of action; and (4) provides that certain meetings of a  
19 panel are subject to and exempt from the requirements of the Open Meeting Law.
