Legislative Counsel's Digest:

1 Existing law requires the State Board of Cosmetology to determine the
2 qualifications of applicants for various licenses in cosmetology, requires the Board
3 to license schools of cosmetology, and authorizes the Board to adopt regulations
4 governing the sanitary conditions in cosmetological establishments, schools of
5 cosmetology and in the practice of cosmetology. (NRS 644.090, 644.120)
6 **Section 6.5** of this bill requires each school of cosmetology to: (1) obtain a
7 surety bond in accordance with regulations adopted by the Board; or (2) provide for
8 payment plans, including plans for periodic payments, in accordance with
9 regulations adopted by the Board. The regulations regarding periodic payments
10 must, as the Board determines appropriate, be modeled after certain federal

11 regulations that provide payment periods for certain federal educational loans and
12 grants.

13 **Sections 7-9** of this bill establish a new license as a hair braider and set forth
14 the requirements, including passing certain examinations, that must be met before
15 the Board may issue such a license to a person. **Section 7** sets forth the
16 requirements for obtaining such a license for persons who have not previously
17 practiced hair braiding or who have practiced hair braiding in this State on certain
18 relatives without accepting compensation. **Section 8** sets forth the requirements for
19 persons who have practiced hair braiding in another state. **Section 9** sets forth the
20 scope of the examinations that are required to obtain a license to practice hair
21 braiding. **Section 24** of this bill provides an exemption from the licensure
22 requirements for a person who, without accepting compensation, practices hair
23 braiding on a person who is related within the sixth degree of consanguinity.

24 **Section 10** of this bill establishes a new license for persons who wish to operate
25 an establishment for hair braiding and sets forth the requirements that must be met
26 before the Board may issue such a license. **Sections 11-16** of this bill set forth
27 additional requirements governing an establishment for hair braiding, including,
28 without limitation, requirements relating to the notice which must be provided to
29 the Board concerning a change of ownership or location and requirements relating
30 to the qualifications of the person who must supervise the operation of such an
31 establishment.

32 Under existing law, the Board is also required to provide for the registration of
33 any person who engages in the practice of threading, and is authorized to inspect
34 any facility in which threading is conducted. (NRS 644.331) **Section 22** of this bill
35 authorizes the Board to include the practice of threading and any facility in which it
36 is conducted in its regulations regarding sanitary conditions. **Sections 26-31 and 35**
37 of this bill add United States citizenship or the legal right to remain and work in the
38 United States to the requirements for applicants seeking licensure by the Board.

39 Existing law requires that schools of cosmetology post with the Board a surety
40 bond as part of licensure. (NRS 644.383) **Section 43** of this bill repeals that
41 requirement.

The bond must be in the form approved by the Board and must be conditioned upon compliance with the provisions of this chapter and upon faithful compliance with the terms and conditions of any contracts, verbal or written, made by the school to furnish instruction to any person. The bond must be to the State of Nevada in favor of every person who pays or deposits money with the school as payment for instruction. A bond continues in effect until notice of termination is given by registered or certified mail to the Board, and every bond must set forth this fact.

9. A person claiming to be injured or damaged by an act of the school may maintain an action in any court of competent jurisdiction on the bond against the school and the surety named therein, or either of them, for refund of tuition paid. Any judgment against the principal or surety in any such action must include the costs thereof and those incident to the bringing of the action, including a reasonable attorney's fee. The aggregate liability of the surety to all such persons may not exceed the sum of the bond.

10. The Board shall adopt regulations defining the terms "minor violation" and "major violation" for the purposes of subsection 6.
