AN ACT relating to business associations; expressing the intent of the Legislature concerning the law of domestic corporations; revising the presumption against negligence for the actions of corporate directors and officers; clarifying the factors that may be considered by corporate directors and officers in the exercise of their respective powers; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, with certain exceptions, a director or officer of a domestic  
2 corporation is presumed not to be individually liable to the corporation or its  
3 stockholders or creditors for damages unless: (1) an act or failure to act of the  
4 director or officer was a breach of his or her fiduciary duties; and (2) such breach  
5 involved intentional misconduct, fraud or a knowing violation of law.  
6 (NRS 78.138)

7 **Section 4** of this bill specifies that to establish liability on the part of a  
8 corporate director or officer requires: (1) a rebuttal of this presumption; and (2)  
9 a breach of a fiduciary duty accompanied by intentional misconduct, fraud or a  
10 knowing violation of law. **Sections 4 and 5** of this bill clarify the factors that a  
11 director or officer of a domestic corporation is entitled to consider in exercising his  
12 or her respective powers in certain circumstances, including, without limitation,  
13 resisting a change or potential change in the control of a corporation.

14 **Section 2** of this bill expresses the intent of the Legislature regarding the law of  
15 domestic corporations, including that the laws of other jurisdictions must not  
16 supplant or modify Nevada law.

32 the exercise of the right of stockholders to vote for or remove  
33 directors:

34 (a) The directors must have reasonable grounds to believe that a  
35 threat to corporate policy and effectiveness exists; and

36 (b) The action taken which impedes the exercise of the
