AN ACT relating to tow cars; revising provisions governing the notice required before towing a motor vehicle from a residential complex; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law imposes certain conditions on the towing of a motor vehicle from
2 a residential complex when the towing is requested by a person other than the
3 owner of the motor vehicle. Those conditions require that the owner of the real
4 property, or an authorized agent of the owner: (1) may only have a vehicle towed
5 for a parking violation, for an issue related to the health, safety or welfare of the
6 residents of the complex or because the vehicle is unregistered or the registration on
7 the vehicle is expired; and (2) may not have a vehicle towed until 48 hours after
8 affixing a notice to the vehicle which explains when the vehicle is to be towed,
9 unless the tow is requested for an issue related to the health, safety or welfare of the
10 residents of the complex. (NRS 706.4477) Existing law makes a violation of any of
11 these provisions a misdemeanor. (NRS 706.756)

12 **Section 1** of this bill allows the tow operator to affix the notice as the
13 authorized agent of the owner of the property if they have entered into an
14 agreement for that purpose. In addition, **section 1** provides some exceptions to the
15 requirement to provide notice and allows a vehicle to be towed immediately when a
16 notice was previously affixed to the vehicle: (1) for the same or a similar reason
17 within the residential complex; or (2) three or more times for any reason during the
18 immediately preceding 6 months, regardless of whether the vehicle was
19 subsequently towed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
