**Legislative Counsel's Digest:**

1 Existing law requires the State Board of Health to adopt regulations for the  
2 control of sources of ionizing radiation. (NRS 459.201) Existing law also  
3 authorizes the Division of Public and Behavioral Health of the Department of  
4 Health and Human Services to require the registration and inspection of sources of  
5 ionizing radiation and impound a source of ionizing radiation in an emergency.  
6 (NRS 459.260) **Sections 3, 4 and 5** of this bill make these provisions applicable to  
7 tanning equipment operated in tanning establishments as well. **Section 8** of this bill  
8 makes it a misdemeanor to operate unregistered tanning equipment in a tanning  
9 establishment.

10 Existing law prohibits the owner or operator of a tanning establishment or  
11 tanning equipment from allowing a person who is less than 18 years of age from  
12 using the tanning equipment of the tanning establishment. (NRS 597.7617) Existing  
13 law also imposes certain other duties on the owner or operator of a tanning  
14 establishment or tanning equipment. (NRS 597.7617-597.762) **Sections 3, 4, 6 and**  
15 **7** of this bill authorize the State Board and the Division to enforce these provisions.  
16 **Section 8** makes the failure to perform these duties a misdemeanor.

17 Existing law requires the State Board to adopt regulations for the licensing of  
18 persons to: (1) receive, possess or transfer radioactive materials and devices; and  
19 (2) engage in certain other activities relating to radioactive materials. (NRS  
20 459.201) **Section 6** of this bill authorizes the Division to suspend, revoke or amend  
21 the license or registration of any person who violates any provision of statute or  
22 regulations governing radioactive materials, radiation or tanning establishments.

23 **Sections 11-44** of this bill enact provisions for the licensing and regulation of  
24 persons who engage in radiation therapy or radiologic imaging. **Section 27** of this  
25 bill provides that certain providers of health care, including chiropractor's  
26 assistants, are exempt from such licensing and regulation. **Section 46** of this bill:  
27 (1) authorizes a chiropractor's assistant to perform radiography within the practice  
28 of chiropractic if he or she has successfully completed certain training; and (2)  
29 prohibits a chiropractor's assistant from otherwise engaging in radiation therapy or  
30 radiologic imaging.

31 **Section 30** of this bill prohibits a person from engaging in: (1) radiologic  
32 imaging unless he or she has obtained a license or limited license from the

34 Division. **Section 30** also provides for the issuance of provisional licenses and  
35 provisional limited licenses to certain persons. **Sections 31 and 32** of this bill

39 the licensee is delinquent in child support payments, in conformance with federal  
40 law. **Section 34** of this bill authorizes certain holders of a license to engage in  
41 radiation therapy or radiologic imaging to practice as a radiologist assistant.  
42 **Sections 1.1 and 48** of this bill authorize the holder of a license to engage in  
43 radiation therapy or radiologic imaging or a person training to obtain such a license  
44 to take certain actions with regard to drugs to the same extent as was previously  
45 authorized for a radiologic or nuclear medicine technician or trainee. **Section 1.2** of  
46 this bill authorizes the suspension or revocation of a license to engage in radiation  
47 therapy or radiologic imaging if the holder of the license is convicted of certain  
48 crimes involving dangerous drugs.

49 **Section 35** of this bill authorizes: (1) an unlicensed person to engage in  
50 radiation therapy or radiologic imaging without compensation; or (2) a licensee to  
51 practice outside the scope of his or her license under supervision for the purpose of  
52 qualifying for a certification that is a prerequisite for being licensed. **Section 35**  
53 also authorizes the Division to issue a temporary student license, which authorizes  
54 an unlicensed person to engage in radiation therapy or radiologic imaging for

55 compensation for the purpose of qualifying for certification that is a prerequisite for  
56 being licensed.

57 **Sections 37-39** of this bill prescribe the required qualifications to perform  
58 computed tomography, fluoroscopy and mammography, respectively. **Section 1.5**

62 **57** of this bill remove references to such certificates. **section 1.6** of this bill makes a  
63 conforming change. **Section 36** of this bill authorizes a person who is currently  
64 practicing radiation therapy, radiologic imaging, computed tomography,

66 requirements of this bill if he or she registers with the Division and meets certain  
67 other requirements.

68 **Section 40** of this bill authorizes the Division to inspect any building for the  
69 purpose of enforcing the provisions of this bill governing radiation therapy and  
70 radiologic imaging. **Section 41** of this bill: (1) prescribes the grounds for

77 violation of provisions of this bill governing the licensing and regulation of persons  
78 who engage in radiation therapy or radiologic imaging. **Section 44** also provides  
79 that a person who violates any such provision is guilty of a misdemeanor.

85 regulation that certain licensing entities adopt which relates to standards for the  
86 issuance or renewal of a license. (NRS 439B.225) **Section 1** of this bill requires the  
87 Committee to review regulations relating to the standards for the issuance of a full  
88 license or limited license under the provisions of this bill. **Sections 8.05-8.75, 8.85,**  
89 **45, 46 and 51-54** of this bill make certain provisions governing reporting  
90 concerning other providers of health services apply to the holders of licenses and  
91 limited licenses.

92 Existing law prohibits the Division from issuing or renewing the registration of  
93 a radiation machine unless the applicant attests that the radiologic technicians and  
94 nuclear medicine technicians employed by the applicant have knowledge of and are  
95 in compliance with certain guidelines for the prevention of transmission of  
96 infection agents. (NRS 459.035) **Section 3.5** of this bill deletes those provisions  
97 and instead requires the operator of a radiation machine to be properly licensed and  
98 in compliance with the provisions of this bill concerning radiation therapy and  
99 radiologic imaging. **Section 30** of this bill requires a person to have knowledge of  
100 and be in compliance with those guidelines in order to obtain or renew a license or

12 request of either party, enter a judgment ordering that money

16 future damages.

17 4. In entering a judgment ordering the payment of future  
18 damages by periodic payments pursuant to subsection 3, the court

22 damages, the court shall require a judgment debtor who is not  
23 adequately insured to post security adequate to assure full payment

33 the death of the judgment creditor. Money damages awarded for loss

35 reason of the death of the judgment creditor, but must be paid to  
36 persons to whom the judgment creditor owed a duty of support, as  
37 provided by law, immediately before the judgment creditor's death.  
38 In such cases, the court that rendered the original judgment may,  
39 upon petition of any party in interest, modify the judgment to award  
40 and apportion the unpaid future damages in accordance with this  
41 subsection.

42 6. If the court finds that the judgment debtor has exhibited a  
43 continuing pattern of failing to make the periodic payments as  
44 specified pursuant to subsection 5, the court shall find the judgment  
45 debtor in contempt of court and, in addition to the required periodic

1 payments, shall order the judgment debtor to pay the judgment  
2 creditor all damages caused by the failure to make such periodic  
3 payments, including, but not limited to, court costs and attorney's  
4 fees.

5 7. Following the occurrence or expiration of all obligations  
6 specified in the periodic payment judgment, any obligation of the
