AN ACT relating to storage tanks; requiring the Board to Review Claims to adopt regulations for the administration of a program to award grants of money from the Fund for Cleaning Up Discharges of Petroleum to certain operators of storage tanks; authorizing the Division of Environmental Protection of the State Department of Conservation and Natural Resources to award grants of money to those operators under certain circumstances; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law: (1) the State Department of Conservation and Natural  
2 Resources is required to impose fees on the importation of certain fuels into this  
3 State; and (2) the Division of Environmental Protection of the Department is  
4 required to impose an annual fee for the registration of certain storage tanks used to  
5 store petroleum in this State. (NRS 445C.330, 445C.340) The money collected by  
6 the Division from such fees is deposited into the Fund for Cleaning Up Discharges  
7 of Petroleum, and used to reimburse the Division for the costs of cleaning up  
8 discharges involving petroleum, heating oil and certain petrochemicals from  
9 storage tanks and mobile tanks. (NRS 445C.320, 445C.360-445C.380) The Board  
10 to Review Claims is required to adopt regulations for the investigation and payment  
11 of claims against the Fund and to review each claim and authorize payment if  
12 warranted. (NRS 445C.310)

13 This bill requires the Board to adopt regulations for the administration by the  
14 Division of a grant program to award grants of money from the Fund to assist  
15 operators of petroleum storage tanks who have a demonstrated financial need for  
16 assistance in defraying the costs of any infrastructure required by the operator to
