

Senate Bill No. 254—Senators Farley,
Hardy, Harris; and Settlemeyer

CHAPTER.....

AN ACT relating to construction; amending the amount of retainage authorized on public works; amending the retention amount authorized on private works of improvement; extending existing provisions related to retainage; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law requires a public body undertaking a public work to withhold as a retainage at least 5 percent from progress payments made to a contractor during the first half of the project. After completion of half of the project, the amount of the retainage becomes optional and any remaining progress payments or withheld retainage may be paid. (NRS 338.515) **Section 2** of this bill requires the amount of the retainage to be 5 percent.

Existing law provides that in private construction projects, not more than 10 percent of progress payments may be withheld from such payments as a retention amount by an owner to a contractor and from a contractor to a subcontractor, and that such funds must be paid upon satisfaction of certain criteria including the issuance of a certificate of occupancy by a building inspector. (NRS 624.609, 624.620, 624.624) **Sections 3 and 5** of this bill reduce the retention amount allowed on private construction projects from 10 percent to 5 percent. **Section 4** of this bill requires that retained funds be paid upon the issuance of a temporary certificate of occupancy. Finally, **section 6** of this bill repeals the expiration of certain provisions of existing law pertaining to retainage in public works which are set to expire on July 1, 2015. (NRS 338.515, 338.530, 338.555, 338.560, 338.595)

338.515 1. Except as otherwise provided in NRS 338.525, a public body and its officers or agents awarding a contract for a public work shall pay or cause to be paid to a contractor the progress payments due under the contract within 30 days after the date the public body receives the progress bill or within a shorter period if the provisions of the contract so provide. ~~Not more than 95~~ *Ninety five* percent of the amount of any progress payment ~~may~~ *must* be paid *and 5 percent withheld as retainage* until 50 percent of the work required by the contract has been performed.

(a) Any of the remaining progress payments without withholding additional retainage; and

(b) Any amount of any retainage that was withheld from progress payments pursuant to subsection 1,

↳ if, in the opinion of the public body, satisfactory progress is being made in the work.

3. After determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body may pay to the contractor an amount of any retainage that was withheld from progress payments pursuant to subsection 1 if:

(a) A subcontractor has performed a portion of the work;

(b) *The contractor has determined that satisfactory progress is being made in the work under the subcontract with the subcontractor pursuant to NRS 338.555;*

(c) The public body determines that the portion of the work has been completed in compliance with all applicable plans and specifications;

~~(d)~~ (d) The subcontractor submits to the contractor:

(1) A release of the subcontractor's claim for a mechanic's lien for the portion of the work; and

~~(e)~~ (e) The amount of the retainage which the public body pays is in proportion to the portion of the work which the subcontractor has performed.

4. If, after determining in accordance with subsection 2 whether satisfactory progress is being made in the work, the public body continues to withhold retainage from remaining progress payments:

(a) If the public body does not withhold any amount pursuant to NRS 338.525:

(1) The public body may not withhold more than 2.5 percent of the amount of any progress payment; and

(2) Before withholding any amount pursuant to subparagraph (1), the public body must pay to the contractor 50 percent of the amount of any retainage that was withheld from progress payments pursuant to subsection 1; or

(b) If the public body withholds any amount pursuant to NRS 338.525:

(1) The public body may not withhold more than 5 percent of the amount of any progress payment; and

(2) The public body may continue to retain the amount of any retainage that was withheld from progress payments pursuant to subsection 1.

5. Except as otherwise provided in NRS 338.525, a public body shall identify in the contract and pay or cause to be paid to a contractor the actual cost of the supplies, materials and equipment that:

If the amount due to a contractor pursuant to this subsection for any quarter is less than \$500, the public body may hold the interest until:

(a) The end of a subsequent quarter after which the amount of interest due is \$500 or more;

(b) The end of the fourth consecutive quarter for which no interest has been paid to the contractor; or

(c) The amount withheld under the contract is due pursuant to NRS 338.520,

↳ whichever occurs first.

7. If the Labor Commissioner has reason to believe that a worker is owed wages by a contractor or subcontractor, the Labor Commissioner may require the public body to withhold from any payment due the contractor under this section and pay the Labor Commissioner instead, an amount equal to the amount the Labor Commissioner believes the contractor owes to the worker. This amount must be paid by the Labor Commissioner to the worker if the matter is resolved in the worker's favor, otherwise it must be returned to the public body for payment to the contractor.

Sec. 3. NRS 624.609 is hereby amended to read as follows:

2. If an owner has complied with subsection 3, the owner may:

(a) Withhold from any payment to be made to the prime contractor:

(1) A retention amount that, if the owner is authorized to withhold a retention amount pursuant to the agreement, must not exceed ~~10~~ 5 percent of the amount of the payment to be made;

(2) An amount equal to the sum of the value of:

(I) Any work or labor that has not been performed or materials or equipment that has not been furnished for which payment is being sought, unless the agreement otherwise allows or requires such a payment to be made; and

(II) Costs and expenses reasonably necessary to correct or repair any work which is the subject of the request for payment and which is not materially in compliance with the agreement to the extent that such costs and expenses exceed 50 percent of the retention amount withheld pursuant to subparagraph (1); and

(3) The amount the owner has paid or is required to pay pursuant to an official notice from a state agency or employee benefit trust fund, for which the owner is or may reasonably be liable for the prime contractor or his or her lower-tiered subcontractors in accordance with chapter 608, 612, 616A to 616D, inclusive, or 617 of NRS; and

(b) Require as a condition precedent to the payment of any amount due, lien releases furnished by the prime contractor and his or her lower-tiered subcontractors and suppliers in accordance with the provisions of paragraphs (a) and (c) of subsection 5 of NRS 108.2457.

is due, a written notice to the prime contractor of any amount that will be withheld. The written notice of withholding must:

(a) Identify the amount of the request for payment that will be withheld from the prime contractor;

(b) Give a reasonably detailed explanation of the condition or the reason the owner will withhold that amount, including, without limitation, a specific reference to the provision or section of the agreement, and any documents relating thereto, and the applicable building code, law or regulation with which the prime contractor has failed to comply; and

The notice of correction must be sufficient to identify the scope and manner of the correction of the condition or reason for the withholding and be signed by an authorized representative of the prime contractor. If an owner receives a written notice from the prime contractor of the correction of a condition or reason for the withholding pursuant to this paragraph, the owner shall:

If the owner objects to the scope and manner of the correction of a condition or reason for the withholding, the owner shall nevertheless pay to the prime contractor, along with the payment to be made pursuant to the prime contractor's next payment request, the amount withheld for the correction of the condition or reason for the withholding to which the owner no longer objects.

5. Except as otherwise allowed in subsections 2, 3 and 4, an owner shall not withhold from a payment to be made to a prime contractor more than the retention amount.

Sec. 4. NRS 624.620 is hereby amended to read as follows:

624.620 1. Except as otherwise provided in this section, any money remaining unpaid for the construction of a work of improvement is payable to the prime contractor within 30 days after:

(b) The availability of a work of improvement for its intended use. The prime contractor must have provided to the owner:

(1) A written notice of availability on or before the day on which the prime contractor claims that the work of improvement became available for use or occupancy; or

(2) A certificate of occupancy *or temporary certificate of occupancy* issued by the appropriate building inspector or other authority.

(1) Any work or labor that has not been performed or materials or equipment that has not been furnished for which payment is sought;

(2) The costs and expenses reasonably necessary to correct or repair any work that is not materially in compliance with the agreement to the extent that such costs and expenses exceed 50 percent of the amount of retention being withheld pursuant to the terms of the agreement; and

(3) Money the owner has paid or is required to pay pursuant to an official notice from a state agency, or employee benefit trust fund, for which the owner is liable for the prime contractor or his or her lower-tiered subcontractors in accordance with chapter 608, 612, 616A to 616D, inclusive, or 617 of NRS.

(b) Require, as a condition precedent to the payment of any unpaid amount under the agreement, that lien releases be furnished by the prime contractor and his or her lower-tiered subcontractors and suppliers in accordance with the provisions of paragraphs (a) and (c) of subsection 5 of NRS 108.2457.

3. If, pursuant to paragraph (a) of subsection 2, an owner intends to withhold any amount from a payment to be made to a prime contractor, the owner must, on or before the date the payment is due, give written notice to the prime contractor of any amount that will be withheld. (a) Pay the amount withheld by the owner for that condition or reason for the withholding; or

(b) Object to the scope and manner of the correction of the condition or reason for the withholding in a written statement that sets forth the reason for the objection and complies with subsection 3. If the owner objects to the scope and manner of the correction of a condition or reason for the withholding, the owner shall nevertheless pay to the prime contractor, along with the payment to be made pursuant to the prime contractor's next payment request, the amount withheld for the correction of the condition or reason for the withholding to which the owner no longer objects.

5. The partial occupancy or availability of a building requires payment in direct proportion to the value of the part of the building which is partially occupied or partially available. For works of improvement which involve more than one building, each building must be considered separately in determining the amount of money which is payable to the prime contractor.

The written notice of withholding must:

(a) Identify the amount of the request for payment that will be withheld from the lower-tiered subcontractor;

(b) Give a reasonably detailed explanation of the condition or the reason the higher-tiered contractor will withhold that amount, including, without limitation, a specific reference to the provision or section of the agreement with the lower-tiered subcontractor, and any documents relating thereto, and the applicable building code, law or regulation with which the lower-tiered subcontractor has failed to comply; and

(c) Be signed by an authorized agent of the higher-tiered contractor.

4. A lower-tiered subcontractor who receives a notice of withholding pursuant to subsection 3 or a notice of objection pursuant to subparagraph (2) of paragraph (b) may:

(2) Object to the scope and manner of the correction of the condition or reason for the withholding, on or before the date the next payment is due to the lower-tiered subcontractor, in a written statement which sets forth the condition or reason for the objection and which complies with subsection 3.
