AN ACT relating to child care; requiring a child care facility to grant priority in admission to the children of certain persons who are serving or have served in the Armed Forces of the United States; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 Existing law establishes requirements for the operation of a child care facility,
2 which is defined as an establishment operated and maintained for the purpose of
3 furnishing care to five or more children for compensation, a facility operated by a
4 place of business to provide care for the children of its employees, a child care
5 institution or an outdoor youth program. (NRS 432A.024, 432A.0275, 432A.131-
6 432A.220) This bill requires a child care facility to admit, before granting
7 admission to any other child, a child who has: (1) a parent or guardian who is
8 currently serving on active duty in the Armed Forces of the United States; (2) a
9 parent who was killed or died as a direct result of injuries received while serving
10 honorably on active duty in the Armed Forces of the United States; or (3) a parent
11 who is currently or was recently missing in action or a prisoner of war. If a child
12 care facility does not comply with the requirement for priority in admission to such
13 children, the facility is subject to suspension or revocation of its license to operate.
