**Legislative Counsel’s Digest:**

1 Existing law provides for the licensure and regulation of persons and  
2 establishments involved in the cannabis industry in this State by the Cannabis  
3 Compliance Board. (Title 56 of NRS) Existing law sets forth the method by which  
4 the Board may adopt, amend or repeal regulations. (NRS 678A.460) **Section 1.5** of  
5 this bill requires the Board, before adopting, amending or repealing any regulation,  
6 to consider whether the proposed action is likely to have an adverse effect on the  
7 environment and, if so, whether there are any methods to reduce or eliminate that  
8 adverse effect which would not impose an economic burden on holders of an adult-  
9 use cannabis establishment license or medical cannabis establishment license.

10 Existing law establishes different requirements for the cultivation, production  
11 and sale of cannabis and cannabis products depending upon whether the cannabis  
12 establishment engaging in such activities is an adult-use cannabis establishment or  
13 a medical cannabis establishment. (Chapters 678C and 678D of NRS) Under  
14 existing law, a person who holds both an adult-use cannabis establishment license  
15 and a medical cannabis establishment license of the same type is a “dual licensee”  
16 and is, in general, authorized to combine the operations of the adult-use cannabis  
17 establishment and medical cannabis establishment, subject to various requirements.  
18 (NRS 678A.145, 678C.410, 678C.430, 678D.430) **Section 13** of this bill deems  
19 each adult-use cannabis establishment to be a dual licensee and authorizes the  
20 establishment to engage in activities relating to the medical use of cannabis to the  
21 same extent as if the adult-use cannabis establishment held a medical cannabis  
22 establishment license of the same type. **Section 15** of this bill exempts from the  
23 excise tax imposed on retail sales of cannabis or cannabis products by an adult-use  
24 cannabis retail store any sale of cannabis for the medical use of cannabis or a  
25 medical cannabis product to the holder of a registry identification card or letter of  
26 approval by an adult-use cannabis retail store deemed to be a dual licensee pursuant  
27 to **section 13**.

28 **Sections 3, 5 and 6** of this bill prohibit the Board from issuing or renewing a  
29 medical cannabis establishment license on or after January 1, 2024, unless the  
30 medical cannabis establishment is located in a local governmental jurisdiction that  
31 is a “covered jurisdiction,” which **section 3** defines to mean a local governmental  
32 jurisdiction that has adopted local cannabis control measures which prohibit the  
33 operation of adult-use cannabis establishments. **Section 17** of this bill sets forth a  
34 process by which a person who holds a medical cannabis establishment license on  
35 January 1, 2024, for a medical cannabis establishment that is not located in a  
36 covered jurisdiction may apply for and be issued an adult-use cannabis  
37 establishment license of the same type. **Section 3** sets forth a similar process to  
38 allow a person who holds a medical cannabis establishment license for a medical  
39 cannabis establishment that is located in a covered jurisdiction to apply for and be  
40 issued an adult-use cannabis establishment license of the same type if the local  
41 governmental jurisdiction in which the establishment is located ceases to be a  
42 covered jurisdiction.

43 Existing law imposes limits on the number of: (1) medical cannabis  
44 establishment licenses for medical cannabis dispensaries and adult-use cannabis  
45 establishment licenses for adult-use cannabis retail stores that the Board is  
46 authorized to issue within a county; and (2) medical cannabis establishment  
47 licenses and adult-use cannabis establishment licenses that a single person, group of  
48 persons or entity is authorized to hold in a county whose population is 100,000 or  
49 more (currently Clark and Washoe Counties). (NRS 678B.220, 678B.230,  
50 678B.260, 678B.270) **Sections 3 and 17** deem an adult-use cannabis establishment  
51 license issued pursuant to those sections to be a medical cannabis establishment  
52 license for the purpose of those limitations, thereby exempting such a license from  
53 the limitations applicable to adult-use cannabis establishment licenses while

54 continuing to subject such licenses to the limitations applicable to medical cannabis  
55 establishment licenses.

56 **Section 10** of this bill increases the maximum amount of the fees that the Board  
57 is authorized to charge for the issuance or renewal of an adult-use cannabis  
58 establishment license.

59 Existing law requires a cannabis establishment that is: (1) a cannabis sales  
60 facility to have a single secure entrance for patrons; and (2) not a cannabis sales  
61 facility to have a single secure entrance. (NRS 678B.510) **Section 11** of this bill  
62 authorizes any cannabis establishment to have more than one entrance so long as  
63 each entrance is secure.

64 Existing law provides an exemption from state prosecution for the possession,  
65 delivery and production of cannabis for: (1) a person who holds a valid registry  
66 identification card or letter of approval; and (2) a person who is 21 years of age or  
67 older. (NRS 678C.200, 678D.200) However, under existing law, that exemption is  
68 subject to certain limitations. For a person who is 21 years of age or older, that  
69 exemption applies only to the extent that the person does not, at any one time,  
70 possess, deliver or produce more than: (1) one ounce of usable cannabis; (2) one-  
71 eighth of an ounce of concentrated cannabis; (3) six cannabis plants; and (4) a  
72 maximum allowable quantity of adult-use cannabis products established by  
73 regulation of the Board. (NRS 678D.200) **Section 14** of this bill increases the  
74 amount of usable cannabis, from 1 ounce to 2.5 ounces, and the amount of  
75 concentrated cannabis, from one-eighth of an ounce to one-fourth of an ounce, that  
76 a person who is 21 years of age or older is authorized to possess, deliver or produce  
77 at any one time and remain subject to the exemption from state prosecution for the  
78 possession, delivery and production of cannabis.

79 Existing law prohibits a medical cannabis dispensary from selling to a person  
80 more than 1 ounce of cannabis in any one transaction. (NRS 678C.440) Existing  
81 regulations of the Board prohibit any cannabis sales facility from selling to any  
82 consumer an amount of cannabis or cannabis products which exceeds: (1) one  
83 ounce of usable cannabis; (2) one-eighth of an ounce of concentrated cannabis or  
84 cannabis products containing not more than 3,543 milligrams of THC; or (3) a  
85 combination of usable and concentrated cannabis not to exceed the legal limit.  
86 (Nev. Cannabis Compliance Bd. Regs. § 7.025) **Section 12** of this bill eliminates  
87 provisions prohibiting a medical cannabis dispensary from selling to a person more  
88 than 1 ounce of cannabis in any one transaction. **Section 4** of this bill instead  
89 prohibits any cannabis sales facility from selling to a person in any one transaction  
90 more than 2.5 ounces of usable cannabis or one-fourth of an ounce of concentrated  
91 cannabis.

92 Existing law prohibits the Board from issuing a: (1) medical cannabis  
93 establishment license or adult-use cannabis establishment license if any of the  
94 persons proposed to be owners, officers or board members of the proposed medical  
95 or adult-use cannabis establishment have been convicted of an excluded felony  
96 offense; and (2) cannabis establishment agent registration card if the applicant for  
97 the registration card has been convicted of an excluded felony offense. (NRS  
98 678B.210, 678B.250, 678B.340) **Section 4.5** of this bill requires the Board to  
99 develop and implement a process by which a person who has been convicted of an  
100 excluded felony offense may submit to the Board a petition for an exemption from  
101 those prohibitions. **Section 4.5** authorizes the Board to: (1) grant the exemption  
102 only if the Board determines that doing so would not pose a threat to the public  
103 health or safety or negatively impact the cannabis industry in this State; and (2)  
104 impose any conditions and limitations on the granting of an exemption that the  
105 Board determines necessary to preserve the public health and safety or mitigate the  
106 impact of granting the exemption on the cannabis industry in this State. **Section 4.5**  
107 requires the Board to adopt regulations to carry out the provisions of **section 4.5**.  
108 **Sections 5, 7 and 8** of this bill revise provisions setting forth the prohibitions

109 concerning excluded felony offenses to reflect the authorization provided in **section**  
110 **4.5** for the Board to grant an exemption from those prohibitions.

111 Existing law requires a person who holds an ownership interest of less than 5  
112 percent in a cannabis establishment to register with the Board as a cannabis  
113 establishment agent and obtain a cannabis establishment agent registration card.  
114 (NRS 678B.340) **Section 8** of this bill eliminates that requirement. **Section 1** of this  
115 bill eliminates provisions authorizing the Board to adopt regulations establishing  
116 policies and procedures pursuant to which the Board may waive the requirement for  
117 a person who holds an ownership interest in a cannabis establishment of less than 5  
118 percent to reflect the elimination of that requirement in **section 8**.

119 Existing law authorizes the board of county commissioners of a county and the  
120 governing body of an incorporated city to fix, impose and collect a license tax on  
121 cannabis establishments. (NRS 244.35253, 268.0977) **Sections 14.3 and 14.6** of  
122 this bill authorize the board of county commissioners of a county and the governing  
123 body of an incorporated city to use any portion of any money collected from that  
124 license tax to educate the public on safely purchasing cannabis and cannabis  
125 products from licensed cannabis establishments and the safe consumption of  
126 cannabis products.

127 Existing law defines "marijuana" for the purposes of the regulation of  
128 controlled substances. (NRS 453.096) **Section 15.5** of this bill excludes from the  
129 definition of "marijuana": (1) root balls which have been fully separated from the  
130 stalks of the plant of the genus *Cannabis* after harvest; and (2) the seeds of that  
131 plant.

132 Under the federal Controlled Substances Act, cannabis, referred to as  
133 "marihuana," is included in the list of controlled substances in schedule I. (21  
134 U.S.C. § 812) Similarly, existing regulations adopted by the State Board of  
135 Pharmacy pursuant to the provisions of the state Uniform Controlled Substances  
136 Act include cannabis, referred to as "marijuana," in the list of controlled substances  
137 in schedule I. (NRS 453.011-453.348; NAC 453.510) **Section 16** of this bill  
138 requires the Cannabis Advisory Commission to conduct a study concerning the  
139 potential effects of the removal of cannabis from the list of controlled substances  
140 included in schedule I pursuant to the federal Controlled Substances Act or the state  
141 Uniform Controlled Substances Act on the cannabis industry in this State.

32 6. Except as otherwise provided in subsection 7, the

14 the Board.

15 9. If the Legislative Commission or the Subcommittee to

18 to which it was adopted and to carry out the intent of the Legislature  
19 in granting that authority and return it to the Legislative Counsel

21 objection to the regulation pursuant to subsection 8. Upon receipt of  
22 the revised regulation, the Legislative Counsel shall resubmit the  
23 regulation to the Legislative Commission or the Subcommittee for  
24 review. If the Legislative Commission or the Subcommittee
