Legislative Counsel’s Digest:

This bill creates the Advisory Task Force on HIV Exposure Modernization appointed by the Governor. This bill requires the Task Force to conduct a comprehensive examination during the 2019-2020 legislative interim of the statutes and regulations in this State related to the criminalization of exposing a person to the human immunodeficiency virus (HIV). This bill requires the Task Force to submit a report of its findings and recommendations to the Governor and the Legislative Counsel Bureau not later than September 1, 2020.

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

WHEREAS, Multiple peer-reviewed studies demonstrate that human immunodeficiency virus-specific laws do not reduce risk-taking behavior or increase disclosure by people living with or at risk of contracting the human immunodeficiency virus (HIV), and there is increasing evidence that these laws reduce the willingness to get tested; and

WHEREAS, Antiretroviral medications can reduce the human immunodeficiency virus to undetectable levels and reduce the risk of transmitting HIV to near zero; and

WHEREAS, Nevada has implemented multiple statutes that impose penalties on people with HIV who know their HIV status and potentially expose others to HIV; now, therefore,

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
