### MARCH 22, 2021

## Referred to Committee on Growth and Infrastructure

SUMMARY—Revises provisions relating to transportation network companies. (BDR 58-935)

FISCAL NOTE: Effect on Local Government: No. Effect on the State: Yes.

EXPLANATION - Matter in *bolded italics* is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to transportation; authorizing a monitored autonomous vehicle provider to enter into an agreement with a transportation network company to provide transportation services through the digital network or software application of the company; imposing certain requirements on a transportation network company and monitored autonomous vehicle provider relating to the provision of transportation services by a monitored autonomous vehicle provider; authorizing a transportation network company to charge a fare for such services on behalf of a monitored autonomous vehicle provider; prohibiting a local governmental entity from imposing certain taxes or fees relating to such services; revising provisions relating to transportation network company insurance; and providing other matters properly relating thereto.

#### Legislative Counsel's Digest:

Existing law provides for the permitting and regulation of transportation network companies by the Nevada Transportation Authority. (Chapter 706A of NRS) Existing law defines "transportation network company" to mean an entity that uses a digital network or software application to connect a passenger to a driver who can provide transportation services to a passenger. (NRS 706.050) This bill revises various provisions of existing law governing transportation network companies for the purpose of authorizing a monitored autonomous vehicle provider to provide transportation services to a passenger through the digital network or software application of a transportation network company in the same manner and generally subject to the same requirements as a driver.

11 Section 2 of this bill defines "monitored autonomous vehicle" generally to 12 mean an autonomous vehicle in which a monitored autonomous vehicle monitor is 13 physically present at all times during the operation of the vehicle. Section 2.5 of 14 this bill defines "monitored autonomous vehicle monitor" to mean a person 15 employed by a monitored autonomous vehicle provider to remain physically 16 present at all times during the operation of the vehicle to ensure: (1) the safety of 17 such operations; and (2) that the monitored autonomous vehicle complies with the 18 applicable motor vehicle laws and traffic laws of this State. Section 3 of this bill 19 defines "monitored autonomous vehicle provider" as a person who: (1) owns and 20 operates a monitored autonomous vehicle; and (2) enters into an agreement with a transportation network company to receive connections to potential passengers and related services from the transportation network company in exchange for the payment of a fee to the transportation network company.

transportation network company to receive connections to potential passengers and
 related services from the transportation network company in exchange for the
 payment of a fee to the transportation network company.
 Section 5 of this bill authorizes a transportation network company to enter into
 an agreement with one or more monitored autonomous vehicle providers to receive
 connections to potential passengers from the company in exchange for the payment
 of a fee to the company. Section 5 also provides that a monitored autonomous
 vehicle monitor employed by a monitored autonomous vehicle provider who has
 entered into such an agreement is authorized to accept compensation for his or her
 services only from the monitored autonomous vehicle provider by which he or she
 is employed.

Section 5.5 of this bill provides that a monitored autonomous vehicle provider
 is liable in tort for any damages arising out of the provision of transportation
 services in the same manner as a driver.

**Section 13.3** of this bill provides that the provisions of this bill relating to monitored autonomous vehicle providers and monitored autonomous vehicles do not apply to an autonomous vehicle network company or a fully autonomous vehicle operated by such a company. **Section 13.6** of this bill provides that a monitored autonomous vehicle operated by a monitored autonomous vehicle provider is not a commercial vehicle.

Section 14 of this bill prohibits, with certain exceptions, a transportation network company from controlling, directing or managing a monitored autonomous vehicle provider or a monitored autonomous vehicle operated by such a provider. Section 14.5 of this bill prohibits a monitored autonomous vehicle provider from providing transportation services unless the transportation network company with which the provider is affiliated holds a permit issued by the Authority.

Section 15 of this bill authorizes a transportation network company that holds a permit issued by the Authority to take certain actions with respect to a monitored autonomous vehicle provider. Sections 12 and 13 of this bill, respectively, revise the definitions of "transportation network company" and "transportation services" to reflect the authority of a monitored autonomous vehicle provider to provide transportation services pursuant to an agreement with a transportation network company.

54 Section 19 of this bill requires a transportation network company to maintain 55 certain records concerning accidents and other incidents involving monitored 56 autonomous vehicle providers. Section 19.3 of this bill authorizes a transportation 57 network company to disclose certain information concerning passengers to a 58 monitored autonomous vehicle provider. Section 19.6 of this bill requires a 59 transportation network company to submit certain reports to the Authority 60 concerning motor vehicle crashes involving monitored autonomous vehicle 61 providers.

62 Section 17.5 of this bill requires a transportation network company, when a 63 monitored autonomous vehicle provider provides transportation services, to provide 64 the license plate number of the monitored autonomous vehicle to a passenger 65 before he or she enters the vehicle.

66 Section 16 of this bill revises provisions of existing law governing fares 67 charged by a transportation network company for the purpose of authorizing a 68 transportation network company to charge a fare for transportation services 69 provided by a monitored autonomous vehicle provider on behalf of the provider. 70 (NRS 706A.170) Section 16.5 of this bill imposes certain requirements relating to 71 the condition and inspection of a monitored autonomous vehicle used to provide 72 73 transportation services. Sections 17 and 18 of this bill revise provisions of existing law which impose certain requirements on the provision of transportation services 74 by a driver to apply such requirements to the provision of transportation services by 75 a monitored autonomous vehicle provider. (NRS 706A.190, 706A.210)

Section 20 of this bill authorizes the Authority to impose certain penalties on a transportation network company or monitored autonomous vehicle provider for certain violations.

79 Section 21 of this bill prohibits a local governmental entity from imposing any tax or fee on a monitored autonomous vehicle provider or a monitored autonomous vehicle used by such a provider to provide transportation services or on the transportation services provided using such a vehicle.

83 Existing law requires a transportation network company or driver to 84 continuously provide, during any period in which the driver is providing 85 transportation services, transportation network company insurance for the payment 86 of tort liabilities arising from the operation of a motor vehicle by a driver. Existing 87 law sets forth certain minimum amounts of coverage that must be provided by 88 transportation network company insurance for periods in which a driver is 89 providing transportation services and for periods in which a driver is logged into 90 the digital network or software application service of the transportation network 91 company and available to receive requests but is not otherwise providing 92 transportation services. (NRS 690B.470) Section 22.7 of this bill requires a 93 monitored autonomous vehicle provider to continuously provide transportation 94 network company insurance in a specified minimum amount for the payment of tort 95 liabilities arising from the operation of a monitored autonomous vehicle during any 96 period in which the monitored autonomous vehicle provider is operating the 97 monitored autonomous vehicle, regardless of whether the provider is providing 98 transportation services.

Existing law imposes various requirements relating to transportation network company insurance. (NRS 690B.400-690B.495) Sections 22.2, 22.3, 22.5 and 22.7-22.9 of this bill impose on a monitored autonomous vehicle provider and a transportation network company affiliated with a monitored autonomous vehicle provider certain requirements relating to transportation network company insurance which are applicable to a driver and a transportation network company affiliated with a driver under existing law.

**Sections 11, 22.4 and 22.6** of this bill make conforming changes to indicate the proper placement of new provisions in the Nevada Revised Statutes.

# THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 706A of NRS is hereby amended by 2 adding thereto the provisions set forth as sections 2 to 10, inclusive, 3 of this act.

4 Sec. 2. "Monitored autonomous vehicle" means an 5 autonomous vehicle, as defined in NRS 482A.030, in which a

monitored autonomous vehicle monitor is physically present at all
 times during the operation of the vehicle.

3 Sec. 2.5. "Monitored autonomous vehicle monitor" means a 4 person employed by a monitored autonomous vehicle provider to 5 remain physically present in a monitored autonomous vehicle at 6 all times during the operation of the vehicle to ensure:

7 1. The safety of the operations of the monitored autonomous 8 vehicle; and

9 2. That the monitored autonomous vehicle complies with the 10 applicable motor vehicle laws and traffic laws of this State.

11 Sec. 3. "Monitored autonomous vehicle provider" means a 12 person who:

1. Owns and operates a monitored autonomous vehicle; and

14 2. Enters into an agreement with a transportation network 15 company to receive connections to potential passengers and 16 related services from a transportation network company in 17 exchange for the payment of a fee to the transportation network 18 company.

19

13

**Sec. 4.** (Deleted by amendment.)

20 Sec. 5. 1. A transportation network company may enter 21 into an agreement with one or more monitored autonomous 22 vehicle providers to receive connections to potential passengers 23 from the company in exchange for the payment of a fee by the 24 monitored autonomous vehicle provider to the company.

25 2. A monitored autonomous vehicle monitor employed by a 26 monitored autonomous vehicle provider which has entered into an 27 agreement with a transportation network company pursuant to 28 subsection 1 may only accept compensation for his or her services 29 from the monitored autonomous vehicle provider by which he or 30 she is employed.

**Sec. 5.5.** A monitored autonomous vehicle provider who provides transportation services using a monitored autonomous vehicle is liable in tort for any damages arising out of the provision of transportation services in the same manner and to the same extent as if the monitored autonomous vehicle provider were a driver providing transportation services using a motor vehicle.

- 37 Sec. 6. (Deleted by amendment.)
- 38 Sec. 7. (Deleted by amendment.)
- 39 Sec. 8. (Deleted by amendment.)
- 40 Sec. 9. (Deleted by amendment.)
- 41 **Sec. 10.** (Deleted by amendment.)

42 Sec. 10.5. NRS 706A.010 is hereby amended to read as 43 follows:

44 706A.010 It is hereby declared to be the purpose and policy of 45 the Legislature in enacting this chapter to ensure the safety,

reliability and cost-effectiveness of the transportation services
 provided by drivers *and monitored autonomous vehicle providers*

3 affiliated with transportation network companies in this State.

4 Sec. 11. NRS 706A.020 is hereby amended to read as follows:

5 706A.020 As used in this chapter, unless the context otherwise 6 requires, the words and terms defined in NRS 706A.030 to 7 706A.060, inclusive, *and sections 2, 2.5 and 3 of this act* have the 8 meanings ascribed to them in those sections.

9 Sec. 12. NRS 706A.050 is hereby amended to read as follows:

10 706A.050 "Transportation network company" or "company" 11 means an entity that uses a digital network or software application 12 service to connect a passenger to a driver *or monitored autonomous* 13 *vehicle provider* who can provide transportation services to the 14 passenger.

Sec. 13. NRS 706A.060 is hereby amended to read as follows:

16 706A.060 "Transportation services" means the transportation 17 by a driver or *monitored autonomous vehicle provider* of one or 18 more passengers between points chosen by the passenger 19 or passengers and prearranged through the use of the digital network 20 or software application service of a transportation network company. The term includes only the period beginning when a 21 22 driver or a monitored autonomous vehicle provider accepts a 23 request by a passenger for transportation through the digital network 24 or software application service of a transportation network company and ending when the last such passenger fully disembarks from the 25 26 motor vehicle operated by the driver  $\square$  or the monitored 27 autonomous vehicle operated by the monitored autonomous 28 vehicle provider.

29 Sec. 13.3. NRS 706A.075 is hereby amended to read as 30 follows:

706A.075 1. Except as otherwise provided in subsection 2,
the provisions of this chapter do not exempt any person from any
law governing the operation of a motor vehicle upon the highways
of this State.

2. A transportation network company which holds a valid permit issued by the Authority pursuant to this chapter, a driver *or monitored autonomous vehicle provider* who has entered into an agreement with such a company and a vehicle *or monitored autonomous vehicle* operated by such a driver *or monitored autonomous vehicle provider* are exempt from:

41 (a) The provisions of chapter 704 of NRS relating to public 42 utilities; and

43 (b) Except as otherwise provided in NRS 706.88396, the 44 provisions of chapter 706 of NRS,

15

1  $\rightarrow$  to the extent that the services provided by the company, for 2 driver or monitored autonomous vehicle provider are within the 3 scope of the permit.

The provisions of this chapter relating to monitored 4 3. 5 autonomous vehicles and monitored autonomous vehicle providers 6 do not apply to an autonomous vehicle network company which 7 has been issued a permit pursuant to NRS 706B.130 or to a fully 8 autonomous vehicle operated by such a company.

9 Sec. 13.6. NRS 706A.080 is hereby amended to read as 10 follows:

11 706A.080 Nothing in this chapter shall be construed to deem a 12 motor vehicle operated by a driver to provide transportation services 13 or a monitored autonomous vehicle operated by a monitored 14 autonomous vehicle provider to provide transportation services to 15 be a commercial motor vehicle.

16 **Sec. 14.** NRS 706A.090 is hereby amended to read as follows:

17 706A.090 Except as otherwise provided in this chapter and the regulations adopted pursuant thereto or by a written contract 18 19 between a transportation network company and a driver  $\int \frac{1}{2} or$ 20 *monitored autonomous vehicle provider*, a company shall not 21 control, direct or manage [a]: 22

1. A driver or the motor vehicle operated by a driver [.]; or

23 2. A monitored autonomous vehicle provider or any 24 monitored autonomous vehicle operated by a monitored 25 autonomous vehicle provider.

26 Sec. 14.5. NRS 706A.110 is hereby amended to read as 27 follows:

28 706A.110 1. A transportation network company shall not 29 engage in business in this State unless the company holds a valid permit issued by the Authority pursuant to this chapter. 30

31 2. A driver or monitored autonomous vehicle provider shall 32 not provide transportation services unless the company with which 33 the driver or monitored autonomous vehicle provider is affiliated 34 holds a valid permit issued by the Authority pursuant to this chapter.

35 3. The Authority is authorized and empowered to regulate, 36 pursuant to the provisions of this chapter, all transportation network 37 companies, [and] drivers and monitored autonomous vehicle 38 *providers* who operate or wish to operate within this State. Except as otherwise provided in NRS 706.88396, the Authority shall not 39 40 apply any provision of chapter 706 of NRS to a transportation network company, [or a] driver or monitored autonomous vehicle 41 42 *provider* who operates within the provisions of this chapter and the 43 regulations adopted pursuant thereto.

**Sec. 15.** NRS 706A.130 is hereby amended to read as follows: 706A.130 1. Upon receipt of a completed application and upon a determination by the Authority that an applicant meets the requirements for the issuance of a permit to operate a transportation network company, the Authority shall issue to the applicant within 30 days a permit to operate a transportation network company in this State.

8 2. In accordance with the provisions of this chapter, a permit 9 issued pursuant to this section:

(a) Authorizes a transportation network company to connect one
 or more passengers through the use of a digital network or software
 application service to a driver *or monitored autonomous vehicle provider* who can provide transportation services.

(b) Authorizes a transportation network company to make its digital network or software application service available to one or more drivers *or monitored autonomous vehicle providers* to receive connections to potential passengers from the company in exchange for the payment of a fee by the driver *or monitored autonomous vehicle provider* to the company.

(c) Except as otherwise provided in NRS 706.88396, does not
 authorize a transportation network company or any driver *or monitored autonomous vehicle provider* to engage in any activity
 otherwise regulated pursuant to chapter 706 of NRS other than the
 activity authorized by this chapter.

3. Nothing in this chapter prohibits the issuance of a permit to operate a transportation network company to a person who is regulated pursuant to chapter 706 of NRS if the person submits an application pursuant to NRS 706A.120 and meets the requirements for the issuance of a permit.

30 Sec. 16. NRS 706A.170 is hereby amended to read as follows:

31 706A.170 1. In accordance with the provisions of this 32 chapter, a transportation network company which holds a valid 33 permit issued by the Authority pursuant to this chapter may, on 34 behalf of a driver [,] or monitored autonomous vehicle provider, 35 charge a fare for transportation services provided to a passenger by 36 the driver [,] or monitored autonomous vehicle provider.

2. If a fare is charged, the company must disclose the rates
charged by the company and the method by which the amount of a
fare is calculated:

40 (a) On an Internet website maintained by the company; or

41 (b) Within the digital network or software application service of 42 the company.

43 3. If a fare is charged, the company must offer to each 44 passenger the option to receive, before the passenger enters the 45 motor vehicle of a driver [-] or the monitored autonomous vehicle

of a monitored autonomous vehicle provider, an estimate of the 1 2 amount of the fare that will be charged to the passenger.

3 A transportation network company may accept payment of a 4. 4 fare only electronically. A transportation network company, for a 5 driver or monitored autonomous vehicle provider shall not solicit 6 or accept cash as payment of a fare.

7 A transportation network company shall not impose any 5. additional charge for a driver or monitored autonomous vehicle 8 9 *provider* who provides transportation services to a person with a physical disability because of the disability. 10

11 6. The Authority may adopt regulations establishing a 12 maximum fare that may be charged during an emergency, as defined 13 in NRS 414.0345.

14 Sec. 16.5. NRS 706A.180 is hereby amended to read as 15 follows:

16 706A.180 1. A transportation network company shall not 17 allow a driver or monitored autonomous vehicle provider to be 18 connected to potential passengers using the digital network or 19 software application service of the company if the motor vehicle 20 operated by the driver or the monitored autonomous vehicle 21 operated by the monitored autonomous vehicle provider to provide 22 transportation services:

23 (a) Is not in compliance with all federal, state and local laws 24 concerning the operation and maintenance of the motor vehicle  $\square$ 25 or monitored autonomous vehicle. 26

(b) Has less than four doors.

27 (c) Is designed to carry more than eight passengers, including 28 the driver.

29 (d) Is a farm tractor, mobile home, recreational vehicle, 30 semitractor, semitrailer, trailer, bus, motorcycle or tow car.

31 2. A transportation network company shall inspect or cause to 32 be inspected every motor vehicle used by a driver to provide 33 transportation services and every monitored autonomous vehicle used by a monitored autonomous vehicle provider to provide 34 35 *transportation services* before allowing the driver to use the motor 36 vehicle or the monitored autonomous vehicle provider to use the 37 *monitored autonomous vehicle* to provide transportation services 38 and not less than once each year thereafter.

39 The inspection required by subsection 2 must include, 3. without limitation, an inspection of the foot and emergency brakes, 40 steering, windshield, rear window, other glass, windshield wipers, 41 42 headlights, tail lights, turn indicator lights, braking lights, front seat 43 adjustment mechanism, doors, horn, speedometer, bumpers, muffler, 44 exhaust, tires, rear view mirrors and safety belts of the vehicle 45 which ensures the proper functioning of each component.

1 Sec. 17. NRS 706A.190 is hereby amended to read as follows:

2 706A.190 1. A transportation network company shall adopt a 3 policy which prohibits discrimination against a passenger or 4 potential passenger on account of national origin, religion, age, 5 disability, sex, race, color, sexual orientation or gender identity or 6 expression.

7 2. A driver *or monitored autonomous vehicle provider* shall 8 not discriminate against a passenger or potential passenger on 9 account of national origin, religion, age, disability, sex, race, color, 10 sexual orientation or gender identity or expression.

11 A transportation network company shall provide to each 3. 12 passenger an opportunity to indicate whether the passenger requires 13 transportation in a motor vehicle *or monitored autonomous vehicle* 14 that is wheelchair accessible. If the company cannot provide the passenger with transportation services in a motor vehicle or 15 16 *monitored autonomous vehicle* that is wheelchair accessible, the 17 company must direct the passenger to an alternative provider or means of transportation that is wheelchair accessible, if available. 18

19 Sec. 17.5. NRS 706A.200 is hereby amended to read as 20 follows:

21 706A.200 1. For each instance in which a driver or 22 monitored autonomous vehicle provider provides transportation 23 services to a passenger, the transportation network company which 24 connected the passenger to the driver or monitored autonomous 25 *vehicle provider* shall provide to the passenger, before the passenger 26 enters the motor vehicle of a driver [, a] or the monitored 27 autonomous vehicle of a monitored autonomous vehicle provider, 28 as applicable:

29 (a) A photograph of the driver who will provide the 30 transportation services and the license plate number of the motor 31 vehicle operated by the driver [.]; or

(b) The license plate number of the monitored autonomous
 vehicle operated by the monitored autonomous vehicle provider.

34 2. The information required by [this section] subsection 1 must
35 be provided to the passenger:

36 [1.] (a) On an Internet website maintained by the company; or

37 [2.] (b) Within the digital network or software application 38 service of the company.

39 Sec. 18. NRS 706A.210 is hereby amended to read as follows:

40 706A.210 A transportation network company which connected
41 a passenger to a driver *or a monitored autonomous vehicle*42 *provider* shall, within a reasonable period following the provision of
43 transportation services by the driver *or the monitored autonomous*44 *vehicle provider* to the passenger, transmit to the passenger an

45 electronic receipt, which must include, without limitation:

1 1. A description of the point of origin and the destination of the 2 transportation services;

3 The total time for which transportation services were 2. provided: 4

3. The total distance traveled: and

An itemization of the fare, if any, charged for the 6 4. 7 transportation services. 8

**Sec. 19.** NRS 706A.230 is hereby amended to read as follows:

9 706A.230 1. A transportation network company shall maintain the following records relating to the business of the 10 company for a period of at least 3 years after the date on which the 11 12 record is created:

13 (a) Trip records;

5

14 (b) Driver records and vehicle inspection records;

15 (c) Monitored autonomous vehicle provider records and 16 *monitored autonomous vehicle inspection records;* 

17 (d) Records of each complaint and the resolution of each 18 complaint; and

19 (d) (e) Records of each accident or other incident that 20 involved a driver or monitored autonomous vehicle provider and 21 was reported to the transportation network company.

22 2. Each transportation network company shall make its records 23 available for inspection by the Authority upon request and only as 24 necessary for the Authority to investigate complaints. This 25 subsection does not require a company to make any proprietary 26 information available to the Authority. Except as otherwise provided 27 in subsection 3, any records provided to the Authority are 28 confidential and must not be disclosed other than to employees of 29 the Authority.

30 3. The Authority shall disclose to the Secretary of State the 31 name of each driver and monitored autonomous vehicle provider 32 and such other information as the Secretary of State determines 33 necessary to enforce the provisions of chapter 76 of NRS. If the Secretary of State obtains any confidential information pursuant to 34 35 this subsection, the Secretary of State, and any employee of the Secretary of State engaged in the administration of chapter 76 of 36 37 NRS or charged with the custody of any records or files relating to the administration of chapter 76 of NRS, shall maintain the 38 confidentiality of that information in the same manner and to the 39 40 same extent as provided by law for the Authority.

Sec. 19.3. NRS 706A.250 is hereby amended to read as 41 42 follows:

43 706A.250 1. Except as otherwise provided in this section, a 44 transportation network company shall not disclose to any person the

1 personally identifiable information of a passenger who received 2 services from the company unless: 3

(a) The disclosure is otherwise required by law;

4 (b) The company determines that disclosure is required to 5 protect or defend the terms of use of the services or to investigate violations of those terms of use; or 6

7

(c) The passenger consents to the disclosure.

A transportation network company may disclose to a driver 8 2. 9 or monitored autonomous vehicle provider the name and telephone number of a passenger for the purposes of facilitating correct 10 identification of the passenger and facilitating communication 11 12 between the driver *or monitored autonomous vehicle provider* and 13 the passenger.

Sec. 19.6. NRS 706A.270 is hereby amended to read as 14 15 follows:

16 706A.270 1. Each transportation network company shall 17 provide to the Authority reports containing information relating to 18 motor vehicle crashes involving drivers *or monitored autonomous vehicle providers* affiliated with the company which occurred in this 19 20 State while the driver or monitored autonomous vehicle provider 21 was providing transportation services or logged into the digital 22 network or software application service of the company and 23 available to receive requests for transportation services. The reports 24 required by this subsection must contain the information identified 25 in subsection 2 and be submitted:

26 (a) For all crashes that occurred during the first 6 months that 27 the company operates within this State, on or before the date 7 28 months after the company was issued a permit.

29 (b) For all crashes that occurred during the first 12 months that the company operates within this State, on or before the date 13 30 31 months after the company was issued a permit.

32 The reports submitted pursuant to subsection 1 must include, 2. 33 for the period of time specified in subsection 1:

(a) The number of motor vehicle crashes which occurred in this 34 35 State involving such a driver **;** or monitored autonomous vehicle 36 provider:

37 (b) The highest, lowest and average amount paid for bodily 38 injury or death to one or more persons that occurred as a result of 39 such a crash; and

40 (c) The highest, lowest and average amount paid for damage to 41 property that occurred as a result of such a crash.

42 The Authority shall collect the reports submitted by 3. 43 transportation network companies pursuant to subsection 1 and 44 determine whether the limits of coverage required pursuant to NRS 45 690B.470 are sufficient. The Authority shall submit a report stating

whether the limits of coverage required pursuant to NRS 690B.470
are sufficient and containing the information, in an aggregated
format which does not reveal the identity of any person, submitted
by transportation network companies pursuant to subsection 1 since
the last report of the Authority pursuant to this subsection:

6 (a) To the Legislative Commission on or before December 1 of 7 each odd-numbered year.

8 (b) To the Director of the Legislative Counsel Bureau for 9 transmittal to the Nevada Legislature on or before December 1 of 10 each even-numbered year.

11 Sec. 19.9. NRS 706A.280 is hereby amended to read as 12 follows:

13 706A.280 1. A driver *or autonomous vehicle provider* shall 14 not solicit or accept a passenger or provide transportation services to 15 any person unless the person has arranged for the transportation 16 services through the digital network or software application service 17 of the transportation network company.

18 2. With respect to a passenger's destination, a driver *or* 19 *monitored autonomous vehicle provider* shall not:

(a) Deceive or attempt to deceive any passenger who rides or
 desires to ride in the driver's motor vehicle [-] or the monitored
 autonomous vehicle provider's monitored autonomous vehicle.

(b) Convey or attempt to convey any passenger to a destinationother than the one directed by the passenger.

(c) Take a longer route to the passenger's destination than is necessary, unless specifically requested to do so by the passenger.

(d) Fail to comply with the reasonable and lawful requests of thepassenger as to speed of travel and route to be taken.

29 3. A driver or monitored autonomous vehicle provider shall 30 not, at the time the driver or monitored autonomous vehicle 31 provider picks up a passenger, refuse or neglect to provide 32 transportation services to any orderly passenger unless the driver or 33 monitored autonomous vehicle provider can demonstrate to the 34 satisfaction of the Authority that:

(a) [The] For a driver, the driver has good reason to fear for the
 driver's personal safety; [or]

37 (b) For a monitored autonomous vehicle provider, the 38 monitored autonomous vehicle provider or monitored autonomous 39 vehicle monitor has good reason to fear for the personal safety of 40 the monitor in the monitored autonomous vehicle picking up the 41 person requesting transportation services; or

42 (c) The driver or monitored autonomous vehicle provider is 43 prohibited by law or regulation from carrying the person requesting 44 transportation services.

2 706A.300 1. If the Authority determines that a transportation 3 network company, [or] driver or monitored autonomous vehicle *provider* has violated the terms of a permit issued pursuant to this 4 5 chapter or any provision of this chapter or any regulations adopted 6 pursuant thereto, the Authority may, depending on whether the violation was committed by the company, the driver, for both f: 7 the company and the driver or both the company and the 8 9 monitored autonomous vehicle provider: 10 (a) If the Authority determines that the violation is willful and 11 endangers public safety, suspend or revoke the permit issued to the 12 transportation network company; 13 (b) If the Authority determines that the violation is willful and 14 endangers public safety, impose against the transportation network company an administrative fine in an amount not to exceed 15 16 \$100,000 per violation; 17 (c) Prohibit a person from operating as a driver **:** or monitored 18 autonomous vehicle provider; or 19 (d) Impose any combination of the penalties provided in 20 paragraphs (a), (b) and (c). 21 To determine the amount of an administrative fine imposed 2. 22 pursuant to paragraph (b) or (d) of subsection 1, the Authority shall 23 consider: 24 (a) The size of the transportation network company; 25 (b) The severity of the violation; 26 (c) Any good faith efforts by the transportation network 27 company to remedy the violation; 28 (d) The history of previous violations by the transportation 29 network company; and 30 (e) Any other factor that the Authority determines to be relevant. 31 3. 25 Sec. 22.8. NRS 690B.480 is hereby amended to read as 26 follows:

27 690B.480 1. A policy of insurance for the operation of a 28 motor vehicle required pursuant to NRS 485.185 or 485.186, as 29 appropriate, is not required to include transportation network company insurance. An insurer providing a policy which excludes 30 transportation network company insurance does not have a duty to 31 32 defend or indemnify a driver or monitored autonomous vehicle 33 *provider* for any claim arising during any period in which the driver or monitored autonomous vehicle provider is logged into the 34 35 digital network or software application service of the transportation 36 network company, available to receive requests for transportation services or providing transportation services. 37

2. An insurer who provides a policy of insurance for the operation of a motor vehicle required pursuant to NRS 485.185 or 485.186, as appropriate, may include transportation network company insurance in such a policy. An insurer may charge an additional premium for the inclusion of transportation network company insurance in such a policy.

44 3. An insurer who:

1 (a) Defends or indemnifies a driver *or monitored autonomous* 2 *vehicle provider* for a claim arising during any period in which the 3 driver *or monitored autonomous vehicle provider* is logged into the 4 digital network or software application service of the transportation 5 network company, available to receive requests for transportation 6 services or providing transportation services; and

7 (b) Excludes transportation network company insurance from 8 the policy of insurance for the operation of a motor vehicle provided 9 to the driver [] or monitored autonomous vehicle provider,

10  $\rightarrow$  has the right of contribution against other insurers who provide 11 coverage to the driver *or monitored autonomous vehicle provider* 12 to satisfy the coverage required by NRS 690B.470 at the time of the 13 loss.

14 Sec. 22.9. NRS 690B.490 is hereby amended to read as 15 follows:

16 690B.490 In any investigation relating to tort liability arising 17 from the operation of a motor vehicle, each transportation network 18 company, [and] driver [,] and monitored autonomous vehicle 19 *provider*, and each insurer providing transportation network company insurance to a transportation network company, [or] 20 21 driver **[]** or monitored autonomous vehicle provider who is 22 involved in the underlying incident shall cooperate with any other 23 party to the incident and any other insurer involved in the 24 investigation and share information, including, without limitation:

1. The date and time of an accident or motor vehicle crash
involving a driver [-] or monitored autonomous vehicle provider.

27 2. The dates and times that the driver *or monitored* 28 *autonomous vehicle provider* involved in an accident or motor 29 vehicle crash logged into the digital network or software application 30 service of the transportation network company for a period of 12 31 hours immediately preceding and 12 hours immediately following 32 the accident or motor vehicle crash.

33 3. The dates and times that the driver *or monitored* 34 *autonomous vehicle provider* involved in an accident or motor 35 vehicle crash logged out of the digital network or software 36 application service of the transportation network company for a 37 period of 12 hours immediately preceding and 12 hours immediately 38 following the accident or motor vehicle crash.

4. A clear description of the coverage, exclusions and limits
provided under any policy of transportation network company
insurance which applies.

42 Sec. 23. The provisions of subsection 1 of NRS 218D.380 do 43 not apply to any provision of this act which adds or revises a 44 requirement to submit a report to the Legislature.

**Sec. 24.** This act becomes effective upon passage and 2 approval.
