Legislative Counsel's Digest:

1 Existing law sets forth various requirements concerning a franchise between a
2 supplier and a wholesaler of malt beverages, distilled spirits and wines. (NRS
3 597.120-597.180) Existing law prohibits a supplier from unreasonably withholding
4 or delaying approval of any assignment, sale or transfer of stock of a wholesaler or
5 of all or any portion of a wholesaler's assets, a wholesaler's voting stock, the voting
6 stock of any parent corporation or the beneficial ownership or control of any other
7 entity owning or controlling the wholesaler if the person to be substituted under the
8 terms of the franchise meets certain reasonable standards. (NRS 597.157) **Section**

* S B 3 0 7 R 2 *

9 1.7 of this bill requires a supplier to approve or deny approval for any such
10 transaction in writing within 60 days after receiving notice of the transaction if the
11 person to be substituted under the terms of the franchise meets certain reasonable
12 standards. **Section 1.7** provides that if a supplier does not approve or deny approval
13 for the transaction within that time period, the transaction is deemed approved.

14 **Section 1** of this bill provides that a provision of any contract or other
15 agreement that attempts to alter or waive the provisions of law governing a
16 franchise between a supplier and a wholesaler of malt beverages, distilled spirits
17 and wines is void and unenforceable. **Sections 1.3 and 3.5** of this bill make
18 conforming changes to indicate the proper placement of **section 1** in the Nevada
19 Revised Statutes.

20 **Section 3** of this bill prohibits a supplier from: (1) requiring a wholesaler to
21 make a payment for the purchase of malt beverages earlier than 7 days after the
22 date of delivery or the date on which payment is required under the supplier's credit
23 policy, whichever is later, unless the wholesaler has previously failed to make a
24 timely payment; (2) failing to approve or disapprove an invoice or claim for
25 reimbursement within 30 days or failing to pay an invoice or claim for
26 reimbursement within 30 days after such approval; or (3) entering into an
27 agreement with a wholesaler which purports to waive the rights and remedies of the
28 wholesaler if the supplier retaliates against the wholesaler for reporting a violation
29 of law to the Department of Taxation.

30 Existing law regulates the operation of brew pubs in this State, including
31 limiting the amount of malt beverages which a person who operates one or more
32 brew pubs is authorized to manufacture per year to not more than 40,000 barrels.
33 (NRS 597.230) **Section 4** of this bill authorizes a person who operates one or more
34 brew pubs to manufacture and sell an additional 20,000 barrels of malt beverages to
35 a wholesaler located outside of this State, subject to such auditing as the
36 Department of Taxation establishes by regulation.

37 Existing law provides for the operation of wineries in this State. (NRS 597.240)
38 **Section 4.5** of this bill authorizes a winery to operate from multiple noncontiguous
39 locations, provided that the winery has obtained a license for each such location.
40 **Section 4.5** authorizes a winery that was issued a wine-maker's license on or after
41 October 1, 2015, to sell alcoholic beverages at retail if the winery has obtained any
42 licenses or permits required in the jurisdiction in which the winery is located and
43 the winery complies with the requirement to purchase liquor from a state-licensed
44 wholesaler. **Section 4.5** removes the prohibition against a winery selling alcoholic
45 beverages on the premises of the winery or producing, blending or aging wine at a
46 location other than the premises of the winery.

47 Existing law authorizes a winery to transfer in bulk, directly or through a
48 wholesaler, wine produced, blended or aged by the winery to an estate distillery for
49 the purpose of distillation and blending only if 25 percent or more of the wine
50 produced, blended or aged by the winery is produced blended or aged from fruit
51 grown in this State. (NRS 597.240) **Section 4.5** provides that the 25-percent
52 requirement may also be satisfied with wine that is produced, blended or aged from
53 honey produced in this State. **Section 4.3** of this bill authorizes an estate distillery
54 to blend and distill wine manufactured by a winery if 25 percent or more of the
55 wine produced, blended or aged by the winery is produced, blended or aged from
56 fruit grown or honey produced in this State.

57 Existing law requires certain persons and businesses, including importers of
58 liquor, wholesale dealers of alcoholic beverages, winemakers, instructional wine-
59 making facilities, breweries, brew pubs and craft and estate distilleries to obtain a
60 state license or permit to engage in certain activities involving alcoholic beverages.
61 (NRS 369.180) Existing law further requires an application for a license for these
62 persons or businesses to be made to the board of county commissioners or the
63 governing body of the city in which the applicant maintains his or her principal

64 place of business. (NRS 369.190) **Section 5** of this bill requires the board of county
65 commissioners or the governing body of a city, in approving such an application, to
66 require satisfactory proof that the applicant is not in violation of the prohibition
67 against engaging in certain activities involving alcoholic beverages without a
68 license and that the applicant is not applying for a license for a business in which he
69 or she is prohibited by law from engaging.

70 **Section 4.7** of this bill authorizes a retail liquor store, or a delivery support
71 service acting on behalf of a retail liquor store, to deliver liquor in its original
72 package to a consumer in connection with a retail sale of such liquor if: (1) the
73 liquor was purchased by the retail liquor store from a licensed wholesaler; and (2)
74 the delivery takes place in a jurisdiction where the retail liquor store is licensed to
75 sell liquor at retail. **Section 4.7** requires the Department of Taxation to adopt
76 regulations governing such deliveries. **Section 4.7** also exempts such deliveries
77 from certain provisions of law governing the transport of liquor, including laws
78 which authorize the transport of liquor for delivery only by persons who have been
79 issued certain state licenses.

80 **Section 6** of this bill revises terminology relating to applications for a
81 certificate of compliance by suppliers of liquor by replacing the term "vendor" with
82 "supplier."

83 Existing law prohibits a person from keeping or possessing for sale, furnishing
84 or selling, or soliciting the purchase or sale of any liquor in this State, or
85 transporting or importing or causing to be transported or imported any liquor in or
86 into this State for delivery, storage, use or sale unless the person complies with the
87 relevant provisions of law and holds the appropriate license, permit or certificate,
88 except for certain limited exceptions for liquor purchased for household or personal
89 use. (NRS 369.490) **Section 7** of this bill additionally requires a person to be duly
90 designated by the supplier of such liquor or to have purchased the liquor from
91 certain authorized sources. **Section 7** also revises an existing exception from
92 licensing requirements for consumers who import 1 gallon or less of alcoholic
93 beverage per month for household or personal use to provide that the exception
94 applies only if the person enters this State with such alcoholic beverage rather than
95 importing it. **Sections 6.3 and 6.7** of this bill make a conforming change to reflect
96 that this exception does not apply to the shipping of alcoholic beverages into this
97 State other than wine.
