12 **Sec. 9.** NRS 293.1277 is hereby amended to read as follows:

13 293.1277 1. If the Secretary of State finds that the total  
14 number of signatures submitted to all the county clerks is 100  
15 percent or more of the number of registered voters needed to declare  
16 the petition sufficient, the Secretary of State shall immediately so  
17 notify the county clerks. After the notification, each of the county  
18 clerks shall determine the number of registered voters who have  
19 signed the documents submitted in the county clerk's county and, in  
20 the case of a petition for initiative or referendum proposing a  
21 constitutional amendment or statewide measure, shall tally the  
22 number of signatures for each petition district contained or fully  
23 contained within the county clerk's county. This determination must  
24 be completed within 9 days, excluding Saturdays, Sundays and  
25 holidays, after the notification pursuant to this subsection regarding  
26 a petition containing signatures which are required to be verified  
27 pursuant to NRS 293.128, 295.056, 298.109, 306.035 or 306.110,  
28 and within 3 days, excluding Saturdays, Sundays and holidays, after  
29 the notification pursuant to this subsection regarding a petition  
30 containing signatures which are required to be verified pursuant to  
31 NRS 293.172 or 293.200. For the purpose of verification pursuant to  
32 this section, the county clerk shall not include in his or her tally of  
33 total signatures any signature included in the incorrect petition  
34 district.

35 2. Except as otherwise provided in subsection 3, if more than  
36 500 names have been signed on the documents submitted to a  
37 county clerk, the county clerk shall examine the signatures by  
38 sampling them at random for verification. The random sample of  
39 signatures to be verified must be drawn in such a manner that every  
40 signature which has been submitted to the county clerk is given an  
41 equal opportunity to be included in the sample. The sample must  
42 include an examination of at least 500 or 5 percent of the signatures,  
43 whichever is greater. If documents were submitted to the county  
44 clerk for more than one petition district wholly contained within that

\* S B 3 2 7 \*

1 county, a separate random sample must be performed for each  
2 petition district.

3       3. If a petition district comprises more than one county and the  
4 petition is for an initiative or referendum proposing a constitutional  
5 amendment or a statewide measure, and if more than 500 names  
6 have been signed on the documents submitted for that petition  
7 district, the appropriate county clerks shall examine the signatures  
8 by sampling them at random for verification. The random sample of  
9 signatures to be verified must be drawn in such a manner that every  
10 signature which has been submitted to the county clerks within the  
11 petition district is given an equal opportunity to be included in the  
12 sample. The sample must include an examination of at least 500 or 5  
13 percent of the signatures presented in the petition district, whichever  
14 is greater. The Secretary of State shall determine the number of  
15 signatures that must be verified by each county clerk within the  
16 petition district.

17       4. In determining from the records of registration the number  
18 of registered voters who signed the documents, the county clerk may  
19 use the signatures contained in the file of applications to register to  
20 vote. If the county clerk uses that file, the county clerk shall ensure  
21 that every application in the file is examined, including any  
22 application in his or her possession which may not yet be entered  
23 into the county clerk's records. Except as otherwise provided in  
24 subsection 5, the county clerk shall rely only on the appearance of  
25 the signature and the address and date included with each signature  
26 in making his or her determination.

27       5. If:

28       (a) Pursuant to NRS 293.506, a county clerk establishes a

35 the Secretary of State in making his or her determination.

36       6. In the case of a petition for initiative or referendum  
37 proposing a constitutional amendment or statewide measure, when  
38 the county clerk is determining the number of registered voters who  
39 signed the documents from each petition district contained fully or  
40 partially within the county clerk's county, he or she must use the  
41 statewide voter registration list available pursuant to NRS 293.675.

42       7. Except as otherwise provided in subsection 9, upon  
43 completing the examination, the county clerk shall immediately  
44 attach to the documents a certificate properly dated, showing the  
45 result of the examination, including the tally of signatures by

\* S B 3 2 7 \*

1 petition district, if required, and transmit the documents with the  
2 certificate to the Secretary of State. In the case of a petition for  
3 initiative or referendum proposing a constitutional amendment or  
4 statewide measure, if a petition district comprises more than one  
5 county, the appropriate county clerks shall comply with the  
6 regulations adopted by the Secretary of State pursuant to this section  
7 to complete the certificate. A copy of this certificate must be filed in  
8 the clerk's office. When the county clerk transmits the certificate to  
9 the Secretary of State, the county clerk shall notify the Secretary of  
10 State of the number of requests to remove a name received by the  
11 county clerk pursuant to NRS 295.055 or 306.015.

12 8. A person who submits a petition to the county clerk which is  
13 required to be verified pursuant to NRS 293.128, 293.172, 293.200,  
14 295.056, 298.109, 306.035 or 306.110 must be allowed to witness  
15 the verification of the signatures. A public officer who is the subject  
16 of a recall petition must also be allowed to witness the verification  
17 of the signatures on the petition.

18 9. For any petition containing signatures which are required to  
19 be verified pursuant to the provisions of NRS 293.200, 306.035 or  
20 306.110 for any county, district or municipal office within one  
21 county, the county clerk shall not transmit to the Secretary of State  
22 the documents containing the signatures of the registered voters.

23 10. The Secretary of State shall by regulation establish further  
24 procedures for carrying out the provisions of this section.
